236. Communication from the Senate of Belgium to the Speakers of the Senate and House of Commons of Canada.

(*Translation*).

BRUSSELS, BELGIUM, April 30, 1919.

The Speaker of the House of Commons,
The Speaker of the Senate,
Ottawa.

Mr. SPEAKER,—I beg to send you and request you to communicate to the Assembly over which you preside the text of the motion unanimously adopted by the Senate during its session of Tuesday, April 29, 1919.

The Senate of Belgium affected by the vote of the Paris Conference which disregards the claims of the City of Brussels to become the seat of the League of Nations, seriously preoccupied by the distressing condition to which the country has been reduced by this most cruel war and convinced that the numberless ruins which cover its territory cannot be restored by its own national resources, most anxiously appeals to your Assembly and implores it to intervene with the greatest possible energy in order to obtain that the solemn promises of prompt and complete restoration so frequently reiterated be now carried out in the spirit of broad equity and generous compassion which inspired them.

Relying upon the sentiments of solidarity which unite all civilized nations and upon the assurance of sincere and profound sympathy which your Assembly so kindly gave to Belgium, the Senate counts upon obtaining from your Assembly its powerful aid and effectual intervention in support of the legitimate and necessary atonements claimed from the Paris Conference for the restoration of this country.

Please accept, Mr. Speaker, the assurance of my greatest respect.

(Signed) Baron de PAVEREAU,
President of the Senate.

Presented by Hon. Mr. Speaker, May 1, 1919.. .. ..*Not printed.*

Enumerators' Accounts, Election 1917.

AUDIT OFFICE, December 10, 1918.

SIR,—I have before me order in council P.C. 2980, dated December 5, 1918, which purports to have been passed by the Governor General in Council under the authority of the Dominion Elections Act, schedule 2, item 26. I beg to point out that item 26 is authority to the Governor General in Council to act in cases where the application of the existing scale of fees or of part thereof would (because of lack of an applicable provision, or because of insufficiency of the fee provided or otherwise) be unfair or unjust, by making special provision for the payment to returning officers, and to other election officers, of such fees as may be fair and reasonable. The case in point is not one where the scale of fees is lacking of an applicable provision or because of insufficiency of the fee provided. The scale of fees as found in the Act was applied by me to the accounts in question and the same scale of fees is adopted and adapted by the Governor General in Council in the order referred to, and is apparently considered sufficient and not lacking of an applicable provision. Such being the case, it appears to me that the authority cited in the order, viz., item 26, is not authority for passing this order in council.

I am, sir, your obedient servant,

J. FRASER, *A. G.*

The Secretary of State,

P.C. 2980.

CERTIFIED Copy of the Report of the Committee of the Privy Council, approved by His Excellency the Governor General on the 5th December, 1918.

The Committee of the Privy Council have had before them a report, dated 29th November, 1918, from the Secretary of State referring to items 19 and 26 of Schedule Two to the Dominion Elections Act and representing that on the occasion of the Dominion general elections of 1917 the enumerators of the electoral districts of Victoria, Vancouver Centre, Vancouver South and Burrard, in the Province of British Columbia, after the performance of their duties as such rendered to the respective returning officers of said electoral districts accounts purporting to be in compliance with said Item 19 of said schedule to said Act, that said accounts were by said returning officers forwarded to the Auditor General of Canada certified as by said Item 19 required and in some instances revised as they, said returning officers, considered necessary, and that upon receipt of such accounts said Auditor General deeming that said enumerators could have finished performance of such of their duties as were performable during the period previous to and including December 3rd, 1917, within a maximum period of fifteen days (every of said accounts calling for payment for a per od greater than fifteen days) said Auditor General paid said accounts direct to said enumerators, excepting in several special cases, as for fifteen days' service at four dollars per calendar day and further paid to each enumerator for services subsequent to December 3rd, 1917, and preceding polling day the sum of eight dollars in full and for services on polling day the sum of seven dollars, whereupon said enumerators pursuant to said Item 26 of said schedule addressed their several petitions to the Governor General in Council claiming further payment (*a*) pursuant to the terms of said Item 19 for full payment

DÉCISION DU CONSEIL DE LA TRÉSORERIE
Comptes d'Énumérateurs, Élection de 1917.

BUREAU DE L'AUDITEUR, 10 DÉCEMBRE 1918.

MONSIEUR,—J'ai devant moi l'arrêté du C.P. 2980, en date du 5 décembre 1918, indiquant qu'il a été passé par le Gouverneur en conseil en vertu de la Loi des élections fédérales, annexe 21, article 26. J'ai l'honneur d'attirer votre attention sur l'article 26 autorisant le Gouverneur en conseil d'agir dans les cas où l'application du tarif existant d'honoraires ou partie d'icelui serait irraisonnable ou injuste à cause du manque de dispositions applicables, ou par l'insuffisance d'honoraires prescrits ou autres raisons, en ajoutant des dispositions spéciales pour le paiement juste et raisonnable des officiers-rapporteurs et autres personnes employées à l'élection. Le cas présent n'est pas celui qui n'est pas prévu par le tarif des honoraires ou par l'insuffisance prévue de tels honoraires. Le tarif mentionné dans la loi a été suivi par moi pour les comptes en question et le même tarif est adopté et appliqué par le Gouverneur général en conseil dans l'arrêté susdit, et il paraît être suffisant et ne pas manquer de dispositions applicables. Puisqu'il en est ainsi, il me semble que l'autorité citée, savoir: article 26, n'est pas une justification pour passer cet arrêté en conseil.

Je suis, monsieur, votre obéissant serviteur,

J. FRASER, *A. G.*

Au Secrétaire d'Etat.

P.C. 2980.

COPIE certifiée d'un rapport du comité du Conseil privé approuvé par Son Excellence le Gouverneur en conseil le 5 décembre 1918.

Il a été soumis au comité du Conseil privé un rapport en date du 29 novembre 1918 venant du Secrétaire d'Etat concernant les item 19 et 26 de l'annexe 2 de la loi des Elections fédérales et représentant qu'à l'occasion des élections générales de 1917, les énumérateurs des districts électoraux de Victoria, Vancouver-Centre, Vancouver-Sud, et Burrard, dans la province de la Colombie-Britannique, après l'exécution de leurs devoirs comme tel, ont produit des comptes à leurs officiers-rapporteurs respectifs pour les dits districts électoraux, conformément, dans leur opinion, au dit item 19 de la dite annexe de la dite loi; que les dits comptes ont été envoyés par les dits officiers-rapporteurs à l'auditeur général du Canada, certifiés tel que requis par le dit item 19, et, dans quelques cas, corrigés suivant que les dits officiers-rapporteurs le jugeaient nécessaire; et que sur réception de ces comptes, le dit auditeur général, jugeant que les dits énumérateurs pouvaient avoir terminé la partie de leurs devoirs qu'il leur était possible de faire durant la période, s'étendant jusqu'à et y compris le 3 décembre 1917, et incluse dans la limite maximum de 15 jours, (chacun des dits comptes couvrant une période plus longue que quinze jours), a payé les dits comptes directement aux dits énumérateurs, à l'exception de plusieurs cas spéciaux, jusqu'au montant de quinze jours de service à quatre dollars par jour de calendrier, et a payé de plus à chacun des énumérateurs pour services rendus après le 3 décembre 1917 et avant le jour de la votation, la somme de huit dollars en paiement complet, et pour services rendus le jour de la votation la somme de sept dollars; tandis que les dits énumérateurs, se basant sur le dit item 26 de la dite annexe, ont envoyé plusieurs pétitions au Gouverneur général en conseil demandant d'être payés en outre, (a) conformément aux termes du dit item 19, de tout le montant réclamé pour le nombre total de

for the full number of days and services claimed or (*b*) for payment upon the basis of number of hours of service, six hours to constitute a day, or (*c*) for payment upon either of the immediately preceding bases of claim and, additionally, upon the same basis for all days of service subsequent to the third day of December, 1917, plus the seven dollars for services on polling day.

At the direction of the Secretary of State, William F. O'Connor, K.C., General Returning Officer for Canada, proceeded to British Columbia and there investigated into the justice of the claims of said enumerators and having returned reported to the Secretary of State that because of particular and peculiar conditions obtaining in the electoral districts mentioned the time consumed by the said enumerators had been actually and reasonably spent in the performance of said services, that the said enumerators had acted in all cases according to the express direction of the returning officers who, owing to the introduction into the Province of British Columbia for the first time of a new system of organization of polling divisions, a new franchise and a new system of making of lists within districts containing a large alien population, had considered it necessary from day to day to direct the enumerators in the conduct of their operations and to cause such enumerators to repeatedly cover the same ground searching out individual cases of reported inaccuracies and omissions of the eneumerators, so that in many if not in all cases very much more time had been consumed by the enumerators than a reasonable performance of their duties would have demanded if they had not been acting under such direction, in consequence whereof said General Returning Officer was of opinion (and the Secretary of State concurred) that said enumerators should be compensated for their services to the extent which the terms of said Item 19 to said Schedule Two would justify, and that payment as aforesaid would afford just and fair compensation.

Therefore, the Secretary of State recommends pursuant to said Item 26 that said Item 19 of said Schedule Two having been construed by said Auditor General as requiring or authorizing payment of said enumerators upon the basis hereinbefore referred to the application to said enumerators of part of the scale of fees (to wit said Item 19) provided by said Schedule Two to said Dominion Elections Act having produced unfairness and injustice, the Auditor General of Canada be authorized, notwithstanding any possible construction of said Item 19 of said Schedule Two, to pay unto said enumerators for their services as such previously to and including the third day of December, 1917, four dollars per calendar day of six or more hours service according to the number of days of service declared unto by said enumerators, severally, and certified by the respective returning officers as by said Item 19 of said Schedule Two required, and that for the subsequent services of enumerators in revising and certifying lists the amounts of eight dollars paid to them severally and for their services on polling day the sum of seven dollars paid to them severally be deemed sufficient.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Counvil.

DEPARTMENT OF JUSTICE, OTTAWA, 22nd January, 1919.

SIR,—In reply to your letter of the 28th ultimo with regard to the validity of Order in Council P.C. 2980, dated the 5th December, 1918, I beg to advise you as follows:

jours et les services rendus, ou (b) sur la base du nombre d'heures de service, six heures de travail formant une journée, ou (c) sur l'une ou l'autre de ces susdites bases, et en plus sur la même base pour tous les jours subséquents de travail après le troisième jour de décembre 1917, puis, pour le jour de la votation, de la somme de sept dollars.

A la demande du Secrétaire d'Etat, l'officier rapporteur général, William F. O'Connor, s'est rendu en Colombie-Britannique pour y faire enquête sur la valeur des réclamations des dits énumérateurs, et à son retour, il a fait rapport au Secrétaire d'Etat que, par suite des conditions particulières et spéciales qui existent dans les districts électoraux mentionnés, le temps mentionné par les dits énumérateurs avait été réellement et raisonnablement dépensé dans l'exécution des dits services, que les dits énumérateurs avaient agi dans tous les cas sur la demande expresse des officiers rapporteurs qui, à cause de l'application pour la première fois dans la province de la Colombie-Britannique d'un nouveau système d'organisation des divisions électorales, d'une nouvelle franchise électorale et d'un nouveau système de préparation des listes des électeurs dans des districts contenant une forte population étrangère, avaient cru nécessaire de diriger jour par jour le travail des énumérateurs, les obligeant à revenir plusieurs fois au même endroit à la recherche des cas isolés, signalés comme inexactitude ou omission de la part des énumérateurs, de sorte que dans plusieurs cas, sinon tous, les énumérateurs ont dépensé beaucoup plus de temps qu'il n'en aurait fallu raisonnablement pour l'accomplissement de leur devoir s'ils n'avaient pas été ainsi dirigés; c'est pourquoi le dit officier rapporteur général est d'opinion (opinion partagée par le Secrétaire d'Etat) que les dits énumérateurs doivent être dédommagés pour leurs services jusqu'à la limite permise par le dit item 19 de l'annexe 2, et qu'un paiement additionnel tel que décrit ci-haut formerait compensation juste et raisonnable.

En conséquence, le Secrétaire d'Etat recommande, en vertu du dit item 26, que le dit item 19 de la dite annexe 2, étant interprété par le dit auditeur général comme exigeant ou autorisant le paiement aux dits énumérateurs sur la base ci-dessus mentionnée, l'application aux dits énumérateurs de la partie de l'échelle des honoraires (c'est-à-dire le dit item 19) pourvue par la dite annexe 2 à la loi des Elections fédérales ayant produit un manque d'équité et de justice, l'auditeur général du Canada soit autorisé, nonobstant toute interprétation possible du dit item 19 de la dite annexe 2, de payer aux dits énumérateurs pour leurs services comme tels, jusqu'à et y compris le trois décembre 1917, quatre dollars par jour de calendrier d'une durée de six heures ou plus, d'après le nombre de jours de service déclarés par chacun des dits énumérateurs, et certifiés par leurs officiers rapporteurs respectifs, tel que requis par le dit item 19 de la dite annexe 2, et que pour les services subséquents des énumérateurs pour reviser et certifier les listes le montant de huit dollars soit payé à chacun séparément, et que pour les services rendus au jour de la votation la somme de sept dollars à chacun d'eux soit considérée suffisante.

Le comité concourt dans la recommandation précédente et soumet le tout pour approbation.

RODOLPHE BOUDREAU,

Greffier du Conseil privé.

MINISTÈRE DE LA JUSTICE, OTTAWA, le 22 janvier 1919.

MONSIEUR,—En réponse à votre lettre du 28 dernier au sujet de la validité de l'arrêté en Conseil C.P. 2980, en date du 5 décembre 1918, j'ai l'honneur de vous soumettre mon opinion comme suit:

It appears that the charges made by the enumerators in certain electoral districts in British Columbia at the last general election under Item 19 of Schedule Two of the Dominion Elections Act were disallowed in part by the Auditor General on the ground that the number of days charged for was excessive. The apparent object of the Order in Council of the 5th December is to provide a means whereby these enumerators may be paid on the basis of the full number of days charged for by them and certified by the returning officers, and it apparently proceeds upon the view that the Governor in Council has power under Item 26 of the schedule to authorize the Auditor General to make these payments without exercising his statutory functions. I am clearly of opinion that this view is erroneous. The object and effect of Item 26 is to authorize the Governor in Council to make special provision on cases where because of lack of an applicable provision or because of insufficiency of the fee provided or otherwise it appears that the application of said scale would be unfair or unjust. There is no suggestion here that the scale of fees does not contain an applicable provision, or that Item 19, which is the applicable provision, does not provide fair and just remuneration or does not otherwise meet the reasonable requirements of the case. Clearly, therefore, Item 26 has no application. The real question is not whether the existing scale of fees requires to be amended for the purpose of this case, but whether the Auditor General in the exercise of his statutory functions has proceeded reasonably or otherwise in disallowing a portion of the time charged for. I am of opinion, therefore, that the Order in Council in question has no effect, and that if it be the desire of the Government to have the ruling of the Auditor General reviewed the necessary action should be taken to have the matter dealt with by the Treasury Board under the provisions of Section 43 of the Consolidated Revenue and Audit Act.

I may add that the question whether there is parliamentary authority for these payments does not arise as it seems clear that this is contained in section 308 and Item 19 of the schedule.

I have the honour to be, sir, your obedient servant,

E. L. NEWCOMBE,
Deputy Minister of Justice.

DEPARTMENT OF FINANCE, February 4, 1919.

DEAR SIR,—Referring to your letter of the 10th December addressed to the Secretary of State with regard to the validity of the order in council of the 5th December on the subject of the payment of certain enumerators in Victoria and Vancouver in connection with the election of 1917, I beg to say that the matter was submitted by the Secretary of State to the Treasury Board for consideration, with the view of meeting your objections. I sent you, on the 3rd February, copy of the opinion of the Deputy Minister of Justice with regard to the validity of the order in conncil referred to.

The Board desire to have the matter adjusted at as early a date as possible, and propose to proceed under section 43 of the Audit Act.

I should be very much obliged if you would send me a report, in which I can join, of the facts of the case for the information of the Treasury Board in order that the matter may be definitely placed before them for decision.

Yours truly,

T. C. BOVILLE, *D. M. of Finance.*

The Assistant Auditor General.

Il appert que les frais demandés par les énumérateurs de certains districts électoraux de la Colombie-Britannique lors de la dernière élection générale, en vertu de l'item 19 de l'annexe 2 de la loi des Elections fédérales ont été en partie refusés par l'auditeur général pour la raison que le nombre de jours comptés est excessif. Le but apparent de l'arrêté en Conseil du 5 décembre est de trouver un moyen de faire payer les énumérateurs sur la base du nombre complet de jours comptés par eux et certifiés par les officiers rapporteurs, et il découle apparemment de l'idée que le Gouverneur en Conseil a le pouvoir en vertu de l'item 26 de l'annexe d'autoriser l'auditeur général de faire ces paiements sans se servir du droit que lui confère la loi. Je suis fortement d'opinion que cette idée est erronée. Le but et l'effet de l'item 26 est d'autoriser le Gouverneur en Conseil de faire des conventions spéciales pour les cas où, par suite du défaut de clause applicable, ou d'insuffisance de l'honoraire alloué, ou autrement, il appert que l'application de la dite échelle d'honoraires ne serait pas équitable ou juste. Il n'est pas suggéré ici que l'échelle d'honoraires ne contient pas de clause applicable, ni que l'item 19, la clause applicable, ne donne pas une rémunération équitable et juste ni qu'autrement elle ne rencontre pas les exigences raisonnables du cas. Il est donc clair que l'item 26 ne peut s'appliquer. La question réelle n'est pas de savoir si l'échelle actuelle d'honoraires doit être amendée pour les besoins du cas, mais si l'auditeur général, dans l'exercice de ses fonctions en vertu de la loi, a agi raisonnablement ou non en refusant de payer une partie du temps compté. Je suis d'opinion, donc, que l'arrêté en Conseil en question est sans effet, et que, si c'est le désir du gouvernement de faire changer la décision prise par l'auditeur général, le moyen pratique serait de soumettre le cas au conseil du Trésor en vertu de l'article 43 de la loi du Revenu consolidé et de l'Audition.

Je puis ajouter qu'il n'est pas question de savoir si ces paiements sont autorisés par le parlement, vu qu'il semble clair que ce cas est contenu dans l'article 308 et dans l'item 19 de l'annexe.

Documents ci-inclus retournés.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

E. L. NEWCOMBE, *sous-ministre de la Justice.*

MINISTÈRE DES FINANCES, 4 FÉVRIER 1919.

CHER MONSIEUR,—Au sujet de votre lettre du 10 décembre adressée au Secrétaire d'Etat concernant la validité de l'arrêté en conseil du 5 décembre à propos du paiement fait à certains énumérateurs de Victoria et Vancouver en rapport avec l'élection de 1917, j'ai l'honneur de vous informer que cette question a été soumise par le Secrétaire d'Etat à la considération du conseil du Trésor pour résoudre vos objections. Je vous ai envoyé, le 3 février, copie de l'opinion du sous-ministre de la Justice sur la validité de l'arrêté en conseil en cause.

Le conseil du Trésor désire régler cette question le plus tôt possible et propose de procéder en vertu de la section 43 de la Loi concernant l'audition.

Je vous serais très obligé si vous vouliez bien m'envoyer un rapport dans lequel je pourrais joindre les détails pour l'information du conseil du Trésor afin que cette question soit définitivement placée devant eux pour leur décision.

Bien à vous,

T. C. BOVILLE, *s.-m. des Finances.*

A l'assistant-Auditeur général.

February 14, 1919.

The undersigned Assistant Auditor General and Deputy Minister of Finance, in respect to the accounts and claims of the enumerators of the electoral districts of Victoria, Burrard, Vancouver South, and Vancouver Centre for the Dominion Election, 1917, have the honour to report that the facts of the case are set forth in the memorandum annexed hereto and in the order in council of December 5, 1918. (See page a—2).

E. D. SUTHERLAND, *Asst. A. G.*
T. C. BOVILLE, *D. M. of Finance.*

MEMORANDUM for the Treasury Board in respect to the accounts and claims of the Enumerators of the electoral districts of Victoria, Burrard, Vancouver South, and Vancouver Centre for the Dominion Election, 1917.

1. The accounts involved are those of the enumerators of the Electoral Districts of Victoria, Burrard, Vancouver South, and Vancouver Centre.

2. The number of accounts involved is 293, and the total sum of money approximately $5,000.

3. The authority for the appointment, the duties, and the pay of enumerators is the Dominion Elections Act.

4. Section 42 of the said Act makes provision for the appointment of enumerators. The enumerators were appointed under the provisions of subsec. (2) of section 42.

5. Sections 46 and 48 of the Act define the duties of these enumerators.

6. The Act does not give the returning officer any powers or direction, superintendence, instruction, or powers otherwise whatsoever with regard to the enumerators. His powers are confined to that of appointment and assignment under sec. 42.

7. The Act does not invest any official or body with authority to instruct, assist, or interfere with the enumerators.

8. Enumerators are independent officers, acting solely and exclusively under sections 46 and 48 of the Act. Enumerators *de jure* and within the scope of their employment as such, only can be recognized when dealing with their accounts.

9. These enumerators' work may be divided into four items, viz.: 1. Compiling a list of qualified voters, sec. 46 (1). 2. Writing the required number of copies of the compiled list, sec. 46 (1). 3. Revising the list, sec. 48. 4. Polling day service, sec. 48.

10. In the case under review we have only to consider the claims of the enumerators for services rendered under items referred to as numbers 1 and 2 in the next preceding paragraph hereto.

11. The remuneration provided by the Act in respect to these two branches of the work is covered by schedule 2, item 19 (*a*).

12. Section 48 provides in part that "each enumerator shall complete, date at his place of residence, and sign the copies of the voters' lists fifteen days before the polling day." The phrase "fifteen days before the polling day" has received various constructions and been acted upon in a variety of ways by the enumerators. The enumerators here in question construed, or accepted a construction, that they were not to sign and post their lists until the fifteenth day before election day and, coincident with that, claimed for every day from the date of their respective appointments up to and including the fifteenth day before election day. The enumerators of Victoria and Vancouver electoral districts received their appointment at much earlier dates than those of the other electoral

Les soussignés, l'Auditeur général et le sous-ministre des Finances, ont l'honneur de faire rapport que les faits de la cause concernant les comptes et les réclamations des énumérateurs des districts électoraux de Victoria, Burrard, Vancouver-sud et Vancouver-Centre pour l'élection fédérale de 1917 sont contenus dans le mémoire ci-annexé et dans l'arrêté en conseil du 5 décembre 1918. MÉMOIRE pour le conseil du Trésor au sujet des comptes et réclamations des énumérateurs des districts électoraux de Victoria, Burrard, Vancouver-Sud et Vancouver-Centre pour l'élection fédérale de 1917.

1. Les comptes inclus sont ceux des énumérateurs des districts électoraux de Victoria, Burrard, Vancouver-Sud et Vancouver-Centre.

2. Le nombre des comptes inclus est de 293 et le montant global est d'environ $5,000.

3. Les nominations, les devoirs et la solde des énumérateurs sont régis par la Loi des élections fédérales.

4. L'article 42 de la dite loi pourvoit à la nomination des énumérateurs. Les énumérateurs ont été nommés en conformité avec les dispositions du paragraphe (2) de l'article 42.

5. Les articles 46 et 48 définissent les devoirs de ces énumérateurs.

6. La loi ne donne à l'officier-rapporteur aucuns pouvoirs ni droits de diriger, surveiller, ordonner ou autres autorités quelconques sur les énumérateurs. Ses pouvoirs sont restreints à ceux de pouvoir nommer et classer en vertu de l'article 42.

7. La loi n'investit aucun officier ou corps d'employés du pouvoir de donner des instructions, d'assister les énumérateurs ou d'intervenir dans l'exercice de leurs fonctions.

8. Les énumérateurs sont des employés indépendants agisants seulement et exclusivement selon les articles 46 et 48 de la loi. Les énumérateurs *de jure* et dans les limites de leur juridiction ne peuvent être reconnus comme tels que dans l'accomplissement de leurs devoirs.

9. Le travail de ces énumérateurs peut se diviser sous quatre titres: 1: compilation de la liste des électeurs qualifiés, art. 46 (1). 2. Transcription du nombre requis de copies de la liste compilée, art. 46 (1). 3. Revision de la liste, art. 48. 4. Services le jour de la votation, art. 48.

10. Dans le cas en question, nous n'avons qu'à considérer les réclamations des énumérateurs pour services rendus sous les titres 1 et 2 du paragraphe précédent.

11. La rémunération prévue par la loi au sujet de ces deux divisions du travail est couverte par l'annexe 2, item 19 (a).

12. Il est une partie de l'article 48 qui dit : "chaque énumérateur devra compléter, dater du lieu de sa résidence et signer les copies des listes des électeurs quinze jours avant le jour de la votation". La phrase "quinze jours avant le jour de la votation a reçu diverses interprétations et a été appliquée de diverses manières par les énumérateurs dont il s'agit ici ont interprété ou ont accepté l'interprétation qu'ils ne devaient pas signer et afficher leurs listes avant le quinzième jour précédent le jour de la votation, et en conséquence ont réclamé pour chaque jour, à partir de la date de leur nomination respective jusqu'à et y compris le quinzième jour avant celui de la votation. Les énumérateurs des districts électoraux de Victoria et de Vancouver ont reçu leur nomination bien

districts in Canada, and the amount of their several accounts is only limited by the number of days between the dates of appointment and the fifteenth day before election day.

13. The Auditor General's interpretation of the contract of employment with any given enumerator, irrespective of what part of the country his polling subdivision be situate in, irrespective of what conditions prevailed in that subdivision, irrespective of what instructions were given him or from whatever source received, other than the true intent and meaning of the applicable sections of the Act, is, that he immediately upon appointment shall compile a list, make the number of copies of that list required by the Act, complete, date at his place of residence, sign, post up and deliver copies as required by the Act and consider that branch of the work then done, be it the twentieth day, the fifteenth day, or any other day before election day, so long as it be done not later than the fifteenth day before polling day.

To put this construction in other words: Each and every enumerator is to proceed to his statutory work and with diligence complete same on some day not later than the fifteenth day before election day. Then the measure of that man's remuneration will be $4 per day for the number of days necessarily required by him, working as a competent and reliable person (see sec. 42 (2), line 8) to complete the work he finds to do in his particular division. That is the basis upon which these enumerators have been paid. Any sum claimed over and above this is money not justly due.

14. The necessary amount of work in the different polling divisions is as varied as the names or ages of the enumerators. There must necessarily be no two polling subdivisions with exactly the same amount of work involved. There are doubtless many that approximate an equal amount, and many where the work is double and more than in others. Therefore, it is the Auditor General's submission that the only safe, fair and legal basis upon which the enumerators can be paid is upon a basis of amount of work done and that means statutory work necessarily required to be done.

15. There was work done in these electoral districts that was not required by statute, which is included in the time charged in the accounts. There is time charged in these accounts that was not devoted to work that could possibly have anything to do with the preparation of lists. In other words, there is time and work charged up in these accounts that has no explanation other than the accident of it occurring between the date of appointment and the fifteenth day before polling day.

16. One method of putting in time, clearly evidenced by the accounts, is in regard to the clerical work of writing the lists. This may be best illustrated by citing a concrete case. One man with a list of 232 names, and 7 copies, claims pay for 6½ days' work at $4 per day. Another man with a list of 321 names, and 7 copies, claims pay for 3 days at $4 per day. In order to meet this condition of affairs, which is general, the Auditor General considered it his duty to determine what would be a reasonable time in which a competent man, working diligently, could write the necessary number of copies of a list of a given number of names. A basis of allowance was determined by the examining officers and applied to the accounts.

17. A certificate of the returning officer forms part of each account. It is in form as follows:—

> "I hereby certify that I have carefully examined the above account and the annexed statement of services and disbursements; that the number of days claimed by the enumerator in the discharge of his duties

avant ceux des autres districts électoraux du Canada, et le montant de leurs comptes n'est limité que par le nombre de jours entre la date de leur nomination et celle du quinzième jour avant celui de la votation.

13. L'auditeur général interprète le contrat d'emploi d'un énumérateur donné, sans considération de la partie du pays ou est situé son bureau de votation, sans égard aux conditions existant dans cette subdivision, quelles que soient les instructions qui lui ont été données par qui que ce soit, instructions autres que l'intention véritable et la signification des articles applicables de la loi, comme suit: l'énumérateur doit immédiatement après sa nomination procéder à la compilation d'une liste des électeurs, faire le nombre de copies exigé par la loi, les compléter, les dater du lieu de sa résidence, les signer, afficher et délivrer des copies tel que requis par la loi, puis considérer comme terminée cette partie de son travail, que ce soit le vingtième jour, le quinzième ou tout autre jour avant celui de la votation, pourvu que ce ne soit pas plus tard que le quinzième jour avant ledit jour de la votation.

En d'autres termes, cette interprétation peut se résumer: Tous et chacun des énumérateurs doivent procéder à l'exécution de leur travail et le compléter avec diligence en un jour qui ne sera postérieur au quinzième jour avant celui de la votation. Alors la mesure de la rémunération de cet homme sera $4 par jour pour le nombre de jours nécessairement requis par lui alors qu'il travaille comme une personne compétente et fiable (art. 42 (2), ligne 8 pour terminer le travail qu'il trouve à faire dans la subdivision qui lui est assignée. C'est là la base sur laquelle les énumérateurs ont été payés. Toute somme réclamée en plus est de l'argent qui n'est pas justement dû.

14. Le montant nécessaire de travail dans les différentes divisions électorales est aussi varié que les noms et les âges des énumérateurs. Il n'y a pas deux subdivision qui exigeaient le même travail. Il en est sans doute qui sont rapprochées sous ce rapport, mais il en est plusieurs dont le travail a été double, et même plus, de celui des autres. L'auditeur général suggère donc que la seule base sûre, équitable et légale pour le paiement des énumérateurs est celle du montant fait, et cela signifie le travail statutaire nécessairement requis.

15. Dans ces districts électoraux, il s'est fait du travail qui n'était pas requis par la loi, et ce travail est inclus dans le temps compté sur les comptes. Il y a donc sur les comptes du temps qui n'a pas été consacré à du travail qui peut-être ne concernait aucunement la préparation des listes. En d'autres mots, il a été compté dans ces comptes du temps et du travail qui ne peuvent s'expliquer autrement que par la longueur accidentelle entre la date de la nomination et celle du quinzième jour avant le jour de la votation.

16. Une méthode de majorer le temps, clairement démontrée par les comptes se rencontre dans le travail de transcription des listes. Elle peut s'expliquer mieux par un exemple. Un homme ayant à faire une liste de 232 noms et 7 copies, réclame 6½ jours de travail à $4 par jour. Un autre dont la liste est de 321 noms et qui a 7 copies à faire demande le paiement de 3 jours à $4 par jour. Afin de bien se rendre compte de cet état de choses, qui est général, l'auditeur général a cru de son devoir de déterminer quel est le temps raisonnable qu'il faut à un homme compétent, travaillant avec diligence, pour écrire le nombre de copies nécessaires d'une liste d'un certain nombre de noms. Les officiers examinateurs ont déterminé une base d'allocation qui a été appliquée aux comptes.

17. Un certificat de l'officier-rapporteur forme partie de chaque compte. Sa formule est la suivante:

> "Je certifie par les présentes que j'ai soigneusement examiné le compte ci-dessus et la déclaration annexée de services et déboursés; que le nombre de jours réclamés par l'énumérateur dans l'exécution de ses devoirs est,

is, in my judgment, correct; and that the disbursements are fair and reasonable; and that the number of voters on the said list is . . . . . ."

Returning Officer.

The Auditor General claims that this certificate as such is practically of no assistance, inasmuch as the returning officer is often not in a position to check the work of his enumerators, has no authority or duty to do so, is not keen to save Government money at the expense of friends and acquaintances in his community, often has a grievance, fancied or real, with respect to his own account, and, consequently, signs the certificate as a matter of form. A comparison of the certificates with the details of the accounts shows conclusively the uselessness of these certificates.

18. For the aforestated reasons, and for others that present themselves from time to time as the examiners study the accounts, the Auditor General accepts the conclusions arrived at by the experienced officers in charge of these accounts, that the accounts here in question were excessive in the amounts claimed thereby. It then became necessary to determine to what extent they were excessive, and as it was a physical impossibility to investigate and determine the amount of work properly payable for in each of these hundreds of subdivisions, information was collected from the accounts of enumerators of other city electoral districts similarly situated, from confidential reports of persons competent to make report, and from thousands of letters from enumerators themselves, which made it appear that fifteen days' time in any of these subdivisions was sufficient in which to complete the necessary work. The Auditor General concedes that in paying each and every one of these enumerators for fifteen days' work he is overpaying some of them, but he sees no remedy for this without doing a possible injury to some others.

19. The Auditor General states that he had an officer make a special investigation in Victoria and Vancouver. That this officer has reported and recommended to the extent that some further payments should be made on some of these accounts, but has not been asked to work out the details, pending the result of the recent Order in Council authorizing further payments, but held invalid, and of the decision of the Treasury Board in this case. The Auditor General states that the report of his officer will not justify payments to the amount which Council proposed to authorize under the said Order in Council. That if payments were to be made based on such report, and were not identical with payments which may be authorized by the Treasury Board, confusion of accounts would result, and possibly the Auditor General find he had paid in excess of what would be authorized by the Board.

Treasury Board Minute, 15th February, 1919.—The attention of the Treasury Board was drawn to the Order in Council of the 5th December, 1918, in reference to the payment of the accounts of the enumerators of the electoral districts of Victoria, Burrard, Vancouver South and Vancouver Centre in the Province of British Columbia, in connection with the Dominion General Elections of 1917.

The Order in Council in question authorized payment to the enumerators therein referred to at specific rates of pay. The Auditor General in his communication of the 10th December, 1918, pointed out that the authority cited under the Order in Council of the 5th December, Item 26 of Schedule Two of the Dominion Elections Act was not regarded by him as authority for the passing of the Order in Council.

The matter was referred to the Department of Justice and under date of the 22nd January, 1919, the Deputy Minister of Justice gave the opinion that

d'après moi, correct; et que les déboursés sont justes et raisonnables; et que le nombre des électeurs sur la liste est de . . . . . .

Officier-rapporteur.

L'Auditeur général prétend que ce certificat, comme tel, est pratiquement d'aucune utilité, vu que souvent l'officier-rapporteur n'est pas en position de vérifier le travail de ses énumérateurs, n'a pas l'autorité ni le devoir de le faire, n'est pas porté à épargner l'argent du gouvernement au dépens des amis et connaissances de son village, a souvent un grief quelconque au sujet de son propre compte et par conséquent signe ce certificat simplement pour la forme. En comparant les certificats avec les détails des comptes on voit clairement l'inutilité de ces certificats.

18. Pour les raisons ci-dessus énumérées, et pour d'autres qui se présentent de temps en temps à mesure que les examinateurs étudient les comptes, l'auditeur général accepte les conclusions trouvées par des officiers expérimentés qui s'occupent de ces comptes, que les comptes en question sont faits pour des montants excessifs. Il devint alors nécessaire de déterminer jusqu'à quel point ils étaient excessifs, et comme il y avait impossibilité physique de chercher et déterminer le montant de travail dument payable dans chacune des centaines de subdivisions, on a pris des renseignements d'après les comptes des énumérateurs d'autres districts urbains d'une situation semblable, d'après des rapports confidentiels de personnes compétentes pour faire de tels rapports et de milliers de lettres venant des énumérateurs eux-mêmes, renseignements qui nous ont fait connaître qu'une période de quinze jours était amplement suffisante pour compléter le travail à faire dans aucune de ces subdivisions. L'Auditeur général avoue qu'en payant tous et chacun de ces énumérateurs pour une période de quinze jours de travail, il se trouve à en payer quelques-uns en trop, mais il ne voit aucun remède à cela, sans en léser d'autres.

19. L'Auditeur général dit qu'il a envoyé un officier faire une enquête spéciale à Victoria et Vancouver. Que cet officier a fait rapport et recommandé que des paiements additionnels soient faits sur quelques-uns de ces comptes, mais qu'on n'a pas demandé à cet officier de voir aux détails, en attendant le résultat du récent arrêté en Conseil autorisant des paiements additionnels, arrêté reconnu sans effet, et la décison du bureau du Trésor sur cette question. L'Auditeur général dit que d'après le rapport de son officier il n'est pas juste de payer le montant que le Conseil a autorisé par ledit arrêté en Conseil. Que si les paiements étaient basés sur ce rapport et n'étaient pas identiques à ceux que le conseil du Trésor a autorisés, il en résulterait de la confusion dans les comptes, et peut-être que l'auditeur général se trouverait à payer plus que le montant autorisé dans certains cas par le conseil du Trésor.

Minutes du conseil du Trésor, 15 février 1919.—L'attention du conseil du Trésor a été attiré sur l'arrêté en Conseil du 5 décembre 1918, relativement au paiement des comptes des énumérateurs des districts électoraux de Victoria, Burrard, Vancouver-Sud et Vancouver-Centre, dans la Colombie-Britannique, concernant les élections générales fédérales de 1917.

L'arrêté en conseil en question autorisait de payer les énumérateurs des districts ci-haut mentionnés, à un montant spécifique. L'Auditeur général, dans son exposé du dix décembre 1918, a signalé que l'autorité mentionnée en vertu de l'arrêté en conseil du 5 décembre, article 26 de l'annexe de la loi des élections fédérales, ne conférait pas, selon lui, l'autorisation de passer le dit arrêté en conseil

Le cas a été référé au ministère de la Justice, et le 22 janvier 1919, le sous-ministre de la Justice a émis l'opinion que ledit arrêté en conseil est sans effet, et

the Order in Council in question has no effect, and "that if it be the desire of "the Government to have the ruling of the Auditor General reviewed the "necessary action should be taken to have the matter dealt with by the Treasury "Board under the provisions of section 43 of the Consolidated Revenue and "Audit Act," and also "that the question whether there is parliamentary "authority for these payments does not arise as it seems clear that this is "contained in Section 308 and Item 19 of the schedule."

The report on the case prepared by the Auditor General and the Deputy Minister of Finance, under Section 43 of the Consolidated Revenue and Audit Act, is shown on page a—8.

The Board, after consideration of the subject are of the opinion that, in view of the special circumstances of the case and in view of the fact that the work which is the subject of the Order in Council was duly performed under the instructions of the proper officer, it would be in the public interest that the work performed by the enumerators in good faith should be paid for in accordance with the recommendation contained in the Order in Council of the 5th December, 1918, and they direct that cheques in payment be issued accordingly.

TREASURY BOARD CORRESPONDENCE.

Military Voters' Act 1917—Expenses of Scrutineers.

For Previous Correspondence on this Subject See Report 1916-17 page a—28.

AUDIT OFFICE, February 23, 1918.

SIR,—Referring to my letter of 6th instant in connection with the scrutineers under the Military Voters Act, 1917, I beg to call your attention to the fact that their services will probably be completed in a few days, and they will be applying for a settlement of their accounts.

Mr. J. F. Orde, one of the scrutineers, resides in the city of Ottawa. Under the order in council fixing the rate of living expenses at $25 per day he will probably have an account for about 112 days at $25 amounting to $2,800. Is it the intention of the Government to pay Mr. Orde this sum when, say, $5 per day might be a generous allowance for actual living expenses when living in his own home.

Under the circumstances I find it hard to believe that Parliament intended to authorize the Governor in Council to fix the actual living expenses at $2,800 for 112 days, when these actual expenses probably did not amount to $500.

I cannot get away from the fact that if this is paid Mr. Orde will receive $2,300 as remuneration for his services, which is contrary to both the letter and spirit of the Act as well as to the statement in Parliament of the Minister of Justice that no remuneration for services would be paid.

I shall be glad to get the opinion of the Treasury Board in the matter.

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Secretary of the Treasury Board.

(NOTE:—Claim was made and paid for 58 days at $25. See page N—59.)

" que si c'était l'intention du gouvernement de faire changer la décision de " l'Auditeur général, le moyen pratique serait de soumettre le cas au conseil " du Trésor, en vertu des dispositions de la section 43 de la Loi du revenu con- " solidé et de l'audition", et aussi, "il n'est pas question de savoir si ces paie- " ments sont autorisés par le parlement, vu qu'il semble clair que ce cas est " contenu dans la section 308 et dans l'article 19 de l'annexe.

Le rapport qui a été préparé, sur ce cas, par l'Auditeur général et le sous-ministre des Finances, en vertu de la section 43 de la Loi du revenu consolidé et de l'audition, est tel que démontré à la page a—8.

" Le conseil, après avoir considéré ce sujet, est d'avis qu'en vue des circons- " tances particulières entourant ce cas et en vue du fait que le travail qui fait " le sujet de cet arrêté en conseil a été dûment exécuté suivant les instructions " reçues de la personne compétente, qu'il est dans l'intérêt public que le travail " fait de bonne foi par les énumérateurs soit rémunéré conformément aux stipu- " lations contenues dans l'arrêté en conseil du 5 décembre 1918, et recommande, " qu'en conséquence des chèques soient émis pour ces paiements.

CORRESPONDANCE DU CONSEIL DU TRÉSOR.

Loi des Électeurs militaires de 1917—Dépenses de scrutateurs.

Pour correspondance précédente sur ce sujet voir le rapport de 1916-17, page a—28

BUREAU DE L'AUDITEUR, 23 février 1918.

MONSIEUR,—Relativement à ma lettre du 6 courant au sujet des scrutateurs en vertu de la Loi des électeurs militaires, 1917, j'ai l'honneur d'attirer votre attention sur le fait que leurs services prendront probablement fin dans quelques jours, et qu'ils demanderont le paiement de leurs comptes.

Monsieur J. F. Orde, l'un des scrutateurs, réside dans la cité d'Ottawa. Suivant l'arrêté ministériel fixant le tarif pour dépenses de subsistance à $25 par jour ce monsieur aura probablement un compte pour environ 112 jours à $25 soit un montant de $2,800. Est-ce l'intention du gouvernement de payer cette somme à M. Orde quand, on peut dire, $5 par jour serait une allocation généreuse pour frais de subsistance dans sa propre demeure.

Sous les circonstances je trouve difficile à croire que le Parlement a eu l'intention d'autoriser le Gouverneur en conseil à fixer les dépenses actuelles de subsistance à $2,800 pour 112 jours, quand les dépenses réelles ne dépassent probablement pas $500.

Je ne puis ignorer le fait que si ce montant est payé, M. Orde se trouvera recevoir $2,300 pour rémunération de ses services, ce qui est contraire à la lettre et à l'esprit de la loi ainsi qu'à la déclaration du ministre de la Justice en Chambre qu'aucune rémunération ne serait payée pour services rendus.

Je serais heureux d'avoir l'opinion du conseil du Trésor sur ce point.

Je demeure, monsieur, votre obéissant serviteur,

J. FRASER, *A.G.*

Payment of Retiring Gratuity without Necessary Authority.

AUDIT OFFICE, June 14, 1918.

SIR,—By Order-in-council of 25th May, 1918, P.C. 1286, a gratuity equal to three months' salary was granted to Col. R. H. Labatt on his retirement from the Board of Pension Commissioners.

In a letter dated June 1, 1918, to the Deputy Minister of Soldiers' Civil Re-establishment, this office objected to the payment of a gratuity in the absence of parliamentary authority.

A letter of the 8th inst. from the Department of Soldiers' Civil Re-establishment explains that payment has already been made.

Copies of the correspondence are enclosed herewith.

I would respectfully submit the matter to the Treasury Board for adjustment.

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Secretary of the Treasury Board.

AUDIT OFFICE, June 1, 1918.

SIR,—Order in council of the 25th May, 1918, P.C. 1286, authorizes the payment of a gratuity equal to three months' salary to Col. R. H. Labatt on his retirement from the Board of Pension Commissioners.

In the absence of special provision by Parliament, the payment of a gratuity to a retiring official is not legal.

Be good enough to arrange that, in this case, payment be withheld pending the required legislation.

I am, sir, your obedient servant,

E. D. SUTHERLAND *Asst. A.G*

The Deputy Minister, Soldiers' Civil Re-establishment.

SOLDIERS' CIVIL RE-ESTABLISHMENT, June 8, 1918.

SIR,—I have the honour, by direction of the Deputy Minister, to acknowledge the receipt of your letter of the 1st instant, regarding the payment of a gratuity to Colonel Labatt, on his retirement from the Board of Pension Commissioners. Immediately on receipt of your letter a copy was forwarded to the Board of Pension Commissioners, and the following reply has now been received:

> "I have the honour, by direction, to acknowledge receipt of your communication of the 4th instant, having reference to the gratuity of three months' salary which was authorized for Colonel Labatt by virtue of order in council P.C. 1286 of May 25, 1918.
>
> "The remarks of the Auditor General as quoted in your communication are noted, also the Minister's instruction that payment of this gratuity be withheld pending the necessary legislation to make the payment regular.

Paiement de gratification de retraite sans autorisation nécessaire.

BUREAU DE L'AUDITEUR, 14 juin 1918.

MONSIEUR,—Par un arrêté ministériel du 25 mai 1918, C.P. 1286, une gratification égale à trois mois de salaire a été accordée au col. R. H. Labatt à sa retraite du Bureau des commissaires des pensions.

Dans une lettre en date du 1er juin 1918 au sous-ministre du Rétablissement civil des soldats, notre bureau objectait au paiement d'une gratification en l'absence d'autorisation du Parlement.

Une lettre du ministère du Rétablissement Civil des soldats en date du 8 courant nous informe que le paiement a déjà été fait.

Copies de correspondance sont incluses dans la présente.

Je soumets respectueusement cette affaire au conseil du Trésor pour rectification.

Je demeure, monsieur, votre obéissant serviteur,

J. FRASER, *A.G.*

Au secrétaire du Conseil du Trésor.

BUREAU DE L'AUDITEUR, 1er juin 1918.

MONSIEUR,—L'arrêté en conseil du 25 mai 1918, C.P. 1286, autorise le paiement d'une gratification égale à trois mois de salaire au col. R. H. Labatt, à sa retraite du Bureau des commissaires des pensions.

En l'absence de disposition spéciale par le Parlement le paiement d'une gratification à un fonctionnaire retraitant n'est pas légal.

Soyez assez bon d'arranger cela, dans ce cas-ci le paiement sera différé en attendant la législation nécessaire.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *ass.-Auditeur général.*

Au sous-ministre, rétablissement civil des soldats.

RÉTABLISSEMENT CIVIL DES SOLDATS, 8 juin 1918.

MONSIEUR,—J'ai l'honneur, d'après instruction du sous-ministre, d'accuser réception de votre lettre du 1er courant, concernant le paiement d'une gratification au colonel Labatt, à l'occasion de sa retraite du Bureau des commissaires des pensions. Immédiatement après l'avoir reçue, copie en fut envoyée au Bureau des commissaires des pensions, et la réponse suivante vient d'être reçue:

> "J'ai l'honneur, d'après instruction, d'accuser réception de votre lettre du 4 courant, se rapportant à la gratification de trois mois de salaire, laquelle fut autorisée en faveur du colonel Labatt, par et en vertu d'un arrêté en Conseil, C.P., 1286 du 25 mai 1918.
>
> "Les remarques de l'Auditeur général, telles que citées dans votre lettre, sont notées ainsi que l'instruction du ministre, à l'effet que le paiement de cette gratification soit gardé en suspens jusqu'à législation requise pour rendre le paiement régulier.

"It is regretted exceedingly that the commissioners had taken it for granted that the passing of the aforesaid order in council was authority sufficient for payment of this amount, and a cheque for $1,250 went forward to Colonel Labatt under date of the 31st ult."

I am, sir, your obedient servant,

E. H. SCAMMELL, *Secretary.*

Grain fees imposed by Order in Council not credited to Receiver General.

AUDIT OFFICE, October 4, 1918.

SIR,—During the past fiscal year 1917–18 from July to November, inclusive, the sum of $7,560.53 was paid under your Letter of Credit from the War Vote, for travelling and other expenses incurred by the Board of Grain Supervisors, a body created by order in council of June 11, 1917, passed under authority of the War Measures Act; but this amount was subsequently refunded by cheque forwarded the department by the Secretary of the Board, so as the matter now stands there is no charge in the Public Accounts for the expenses of the Board.

Under an order in council of October 12, 1917, the board has been authorized to create a fund for the purpose of defraying the cost of carrying wheat in store and for any other purposes the Board may deem expedient, and in order to raise the necessary moneys for such fund the board has been empowered to require millers, exporters, and other class or classes of purchasers to pay the board such sums, respectively, not exceeding four cents per bushel as the board shall from time to time prescribe.

Apart from the refund of $7,560.53 which, I presume, was obtained from the fund thus acquired, I have not been furnished with any details either as to the amount collected or the disbursements made from it.

In this connection I beg to call your attention to section 35 of the Consolidated Revenue and Audit Act—Revised Statutes, chapter 24—which provides as follows:—

> "All public moneys, from whatever source of revenue derived, shall be paid to the credit of the account of the Minister of Finance and Receiver General through such officers, banks or persons, and in such manner as the said Minister, from time to time, directs and appoints."

It seems to me that the moneys obtained by the Board of Grain Supervisors by the imposition of fees under the authority of the Governor General in Council are subject to the requirements of this section, and should therefore be accounted for in accordance with the provisions of the Consolidated Revenue and Audit Act.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A. G.*

The Deputy Minister, Trade and Commerce.

"Il est excessivement regrettable que les commissaires aient cru, en accordant cette gratification, que l'arrêté en conseil ci-haut mentionné était une autorisation suffisante pour payer ce montant, et qu'un chèque de $1,250 ait été envoyé au colonel Labatt, le 31 du mois dernier."

Je demeure, monsieur, votre obéissant serviteur,

E. H. SCAMMELL, *secrétaire.*

Droits imposés sur les grains par arrêté en conseil, non crédités au Receveur général.

BUREAU DE L'AUDITEUR, 4 octobre 1918.

MONSIEUR,—Au cours du dernier exercice financier 1917-18, depuis juillet à novembre inclusivement, la somme de $7,560.53 a été payée en vertu de votre lettre de crédit, à même les crédits de guerre, pour dépenses de voyages et autres, encourues par la Commission de surveillance des grains, corps institué par arrêté en Conseil du 11 juin 1917, passé en vertu de la loi des mesures de guerre; mais ce montant a été subséquemment remboursé par chèque envoyé au département, par le secrétaire de la Commission, de sorte que, dans le cas présent, il n'y a aucune provision dans les comptes publics pour les dépenses de la Commission.

En vertu d'un arrêté en conseil du 12 octobre 1917, la Commission fut autorisée à créer un fonds dans le but de défrayer le coût du transport du blé dans les entrepôts, et pour toutes autres fins que la Commission peut juger à propos, et dans le but de prélever l'argent nécessaire pour tel fonds, la Commission a reçu le pouvoir d'ordonner aux meuniers, aux exportateurs, et autre classe ou classes d'acheteurs, de payer telles sommes, respectivement, n'excédant pas quatre cents par boisseau, selon que la Commission pourra prescrire de temps à autre.

A part du remboursement de $7,560.53, lequel, je présume, a été obtenu du fonds ainsi acquis, je n'ai reçu aucun détail, tant du montant perçu que des déboursés faits à même icelui.

A ce jujet, je désire attirer votre attention sur l'article 35 de la Loi du revenu consolidé et de l'Audition—Statuts révisés chapitre 24—lesquels pourvoient comme suit:—

> "Tous les deniers publics, quelle qu'en soit la source, sont versés au crédit du compte du ministre des Finances et du receveur général, par l'intermédiaire des fonctionnaires, banques ou personnes désignés, et de la manière prescrite au besoin par le Ministre.

Il me semble que les argents obtenus par la Commission de surveillance des grains, par suite de l'imposition de droits, en vertu de l'autorisation du Gouverneur général en conseil, sont sujets aux exigences de cet article, et devraient, en conséquence, être crédités conformément aux dispositions de la Loi du revenu consolidé et de l'Audition.

Je demeure, monsieur, votre obéissant serviteur.

E. D. SUTHERLAND, *assistant-Auditeur général.*

Au sous-ministre du Commerce.

AUDIT OFFICE, October 7, 1918.

SIR,—I enclose herewith for your information a copy of a letter sent by me to the Deputy Minister of Trade and Commerce calling attention to the requirements of the Audit Act in regard to the receipt of public moneys by the Board of Grain Supervisors.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *for A. G.*

The Deputy Minister of Finance.
Ottawa.

TRADE AND COMMERCE, October 15, 1918.

SIR,—I beg to acknowledge receipt of yours of the 4th instant, stating that on account of the refund of the sum of $7,560.53, paid by this department for travelling and other expenses of the Board of Grain Supervisors from July to November, 1917, there is no charge in the Public Accounts for the expenses of that board, and calling attention to section 35 of the Consolidated Revenue and Audit Act, under which it seems to you the moneys obtained by the Board of Grain Supervisors under authority of order in council of 12th October, 1917, for defraying carrying charges on wheat, are subject to the requirements of this section, and should be accounted for to the Receiver General.

In reply, I beg to state that the Board of Grain Supervisors was established by order in council of 11th June, 1917, under the War Measures Act, to provide means whereby Canadian wheat in excess of domestic requirements would be available for purchase by the Governments of the United Kingdom and of the Allied Powers, and also to control domestic requirements to prevent undue inflation or depreciation of grain prices.

The appointments to the board were honorary. No salaries were paid the members, who were allowed payment of their travelling and living expenses when so employed. At the inception of the board's operations no funds were available, and $10,000 was allocated from the War Appropriation to meet such expenses; the administration of which was delegated to this department. The board assumed its own expenses in November, 1917, by the direction of the Honourable the Minister, and up to that time there was expended by the department, in their behalf, the sum of $7,560.53, which subsequently was refunded.

With regard to the fund created to defray the cost of carrying wheat in store, I would state for your information, that the Board of Grain Supervisors arranged with the Lake Shippers Clearance Association to collect the moneys on wheat purchased by the Exporters to the Allied Governments and Canadian Millers: and with the Winnipeg Grain and Produce Clearing House Association, to disburse the fund for carrying charges on wheat.

The board agreed with the Wheat Export Company, Limited, the purchasing agents of the Allied Governments, that the residue of the Carrying Charges fund, after carrying charges and administration expenses were satisfied, was to be returned to the Wheat Export Company, and that the company should have the privilege of appointing an auditor at the expense of the board to ensure proper accounting of the fund.

BUREAU DE L'AUDITEUR, 7 octobre 1918.

MONSIEUR,—Afin de vous renseigner, j'inclus dans la présente copie d'une lettre que j'ai envoyée au sous-ministre du Commerce, attirant son attention sur les exigences de la Loi de l'audition, concernant la réception des deniers publics par la Commission de surveillance des grains.

Je demeure, monsieur, votre obéissant serviteur,

FREDERICK HAYTER, *pour l'Auditeur général.*

Au sous-ministre des Finances, Ottawa.

MINISTÈRE DU COMMERCE, le 15 octobre 1918.

MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre du 4 courant disant, au sujet du remboursement de la somme de $7,560.53 payée par ce ministère pour les frais de voyage et autres dépenses faites par la Commission de surveillance des grains de juillet à novembre 1917, qu'il n'y a pas d'item dans les comptes publics pour les dépenses de cette commission, et alléguant l'article 35 de la loi du Revenu consolidé et de l'Audition, d'après lequel il vous semble que les sommes perçues par la Commission de surveillance des grains sous l'autorité de l'arrêté en Conseil du 12 octobre 1917, pour défrayer les frais de transport du blé, sont sujettes aux conditions imposées par cet article et doivent être portées au compte du receveur général.

En réponse, je dois vous dire que la Commission de surveillance des grains a été établie par un arrêté en Conseil du 11 juin 1917, en vertu de la Loi des Mesures de guerre, pour trouver le moyen de rendre le surplus du blé canadien requis pour les besoins domestiques, disponible pour être acheté par les gouvernements du Royaume-Uni et des puissances alliées, et aussi de contrôler les besoins domestiques de manière à empêcher une hausse ou une baisse injustifiées des prix du grain.

Les nominations des membres de cette commission sont faites à titre honorifique. Aucun salaire ne leur est payé mais ils reçoivent le paiement de leurs frais de voyage et de subsistance lorsqu'ils travaillent pour la commission. Au début des opérations de la commission, il n'y avait pas de fonds, et une allocation de $10,000 fut accordée pour rencontrer ces dépenses, prise sur les crédits de guerre; l'administration de cette somme a été remise à ce ministère. La commission a pris charge de ses dépenses en novembre 1917, sur le conseil de l'honorable ministre, et jusqu'à ce temps il a été dépensé par ce ministère au bénéfice de la commission une somme de $7,560.53, qui a été remboursée plus tard.

Quant au fonds créé pour défrayer le coût de transport du grain pour l'emmagasiner, je dois vous dire que la Commission de surveillance des grains a fait une convention avec la Lake Shippers Clearance Association pour percevoir les montants dus sur ie blé acheté par les exportateurs pour les gouvernements alliés et par les meuniers canadiens; et avec la Winnipeg Grain and Produce Clearing House Association pour fournir le fonds des frais de transport du blé.

La commission a convenu avec la Wheat Export Company, Limited, les agents acheteurs pour les gouvernements alliés, que le solde du fonds des frais de transport, après le paiement de ces frais et des dépenses d'administration, serait retourné à la Wheat Export Company, et que la compagnie aurait le privilège de nommer un auditeur aux frais de la commission pour voir à l'application équitable de ce fonds.

The wheat purchased had previously been subject to such fees for inspection, weighing, etc., as provided for under the provisions of the Canadian Grain Act, and had satisfied all requirements which the Canadian Government imposed. After purchase, the wheat passed beyond control of the Canadian Government, and became the property of the purchasers, the United Kingdom and the Allied Governments.

The carrying charges commenced after purchase, and from that date are regarded as solely the concern of the United Kingdom and the Allies, and not subject to the requirements of the Consolidated Revenue and Audit Act of Canada.

I enclose herewith a copy of the Financial Statement of the Board of Grain Supervisors to 31st July, 1918, just received, which shows that the operations of the Board have been most economically administered.

Yours truly,

F. C. T. O'HARA, *D. M.*

The Assistant Auditor General.

FINANCIAL STATEMENT, BOARD OF GRAIN SUPERVISORS FOR CANADA.

The following is a financial statement of the Board of Grain Supervisors for Canada from the date of its creation, July, 1917, until July 31, 1918.

The statement has been audited on behalf of the Imperial and Dominion authorities.

The board has received a total of approximately six million dollars. Of this total is returned to the Imperial authorities, two and a half million dollars. The reason of this refund is that the board taxed wheat exported four cents per bushel, while it taxed wheat consumed in Canada only two and a half cents per bushel.

Owing to the rapidity with which the wheat was shipped out by the Board in response to appeals from the Allied Governments, the sum resulting from the four cents assessment was not required for carrying charges on street wheat, consequently the Board returned to the Imperial authorities two and a half million dollars.

It will be noted that the total administrative expenses of the board for the twelve months amounted to $46,737. This sum is small because the members of the board do not accept salaries for their services. It will also be noted that the interest upon the unused balances amounted to $43,122, so that the net cost of the board for the twelve months is only a little over $3,000.

It will also be noted that the board begins the coming year with a surplus of over a million dollars, which will be used for the carrying of street wheat during the coming year.

ROBERT MAGILL,

Chairman, Board of Grain Supervisors for Canada

August 23, 1918.

Le blé acheté avait auparavant été sujet à des droits d'inspection, de pesée, etc., tel que pourvu par les clauses de la loi d'Inspection des grains, et était reconnu comme étant suivant les conditions imposées par le gouvernement canadien. Après l'achat, le blé échappait au contrôle du gouvernement canadien et devenait la propriété des acheteurs, le Royaume-Uni et les gouvernements alliés.

Les frais de transport commençaient après l'achat, et, de la date de celui-ci, tombaient à la charge du Royaume-Uni et des alliés, échappant ainsi aux conditions imposées par la loi du Revenu consolidé et de l'Audition du Canada.

Je vous envoie ci-inclus une copie de l'état financier de la Commission de surveillance des grains à la date du 31 juillet 1918, état que je viens de recevoir, et qui montre que les opérations de la commission ont été conduites avec beaucoup d'économie.

Bien à vous,

F. C. T. O'HARA, *sous-ministre.*

A l'ass.-Auditeur général.

ÉTAT FINANCIER DE LA COMMISSION DE SURVEILLANCE DES GRAINS DU CANADA.

Voici un état financier de la Commission de surveillance des grains du Canada depuis la date de sa créat.on, juillet 1917 au 31 juillet 1918.

Cet état a été vérifié pour le bénéfice des autorités impériales et fédérales.

La commission a reçu un total de près six millions de dollars. Sur ce total, deux millions et demi ont été retournés aux autorités impériales. La raison de ce remboursement est que la commission a imposé une taxe de quatre cents par boisseau sur le blé exporté, tandis que le blé consommé en Canada n'était taxé que de deux cents et demi par boisseau.

Par suite de la rapidité avec laquelle le blé a été expédié par la commission pour répondre aux demandes des gouvernements alliés, la somme provenant de la taxe de quatre cents n'a pas été dépensée toute pour les frais de transport du blé non coté et en conséquence, la commission a retourné aux autorités impériales la somme de deux millions et demi.

Il est bon de remarquer que les frais d'administration de la commission se sont montés à $46,737 pour les douze mois. Cette somme n'est pas considérable parce que les membres ne reçoivent pas de salaire pour leurs services. On remarquera aussi que l'intérêt sur les soldes non employés s'élèvent à $43,122, de sorte que le coût net des douze mois est d'un peu plus de $3,000.

A noter de plus que la commission commence l'année avec un surplus d'un million de dollars, somme qui sera employée au transport du blé non coté au cours de l'année prochaine.

ROBERT MAGILL,

Président de la C. de S. des grains du Canada.

AUDIT OFFICE, October 30, 1918.

SIR,—I have the honour to enclose herewith, for submission to the Treasury Board, copy of a letter from the Department of Trade and Commerce, under date 15th instant, sent in reply to a letter from this office of the 4th instant, a copy of which is also enclosed.

As you are aware, an order in council of June 11, 1917, passed under the authority of the War Measures Act, created a board, to be known as the Board of Grain Supervisors, for the purpose of controlling the purchases of the grain of Canada in excess of domestic requirements, in the interest of His Majesty's Government of the United Kingdom and of the Allied Forces, and for the distribution of the grain needed for domestic use.

A subsequent order in council, under date October 12, 1917, empowered the Board to collect from millers, exporters, etc., a fee not to exceed four cents a bushel, so as to create a fund for the purpose of defraying the cost of carrying wheat in store or for any other purpose which the board might deem expedient.

Up to July 31, 1918, the board had collected for this fund the large sum of $5,987,883.28, including $43,122.92 bank interest.

A summary of the receipts and expenditure prepared by the board has been sent me, of which a copy is enclosed herewith.

In my letter of the 4th instant I called the attention of the department to the provision in the Consolidated Revenue and Audit Act (R.S. chapter 24, section

BUREAU DE L'AUDITEUR, 30 octobre 1918.

MONSIEUR,—J'ai l'honneur d'inclure dans la présente, pour être soumise au conseil du Trésor, copie d'une lettre du ministère du Commerce, en date du 15 courant, en réponse à une lettre de ce bureau du 4 de ce mois, dont copie est aussi incluse.

Comme vous le savez, un arrêté en conseil, en date du 11 juin 1917, passé en vertu de la Loi des Mesures de guerre, a créé une commission connue sous le nom de Commission de surveillance des grains, dans le but de contrôler l'achat de l'excédent des grains requis pour la consommation en Canada, et ce dans l'intérêt du gouvernement du royaume-uni de Sa Majesté et des forces alliées et pour la distribution des grains nécessaires pour usage domestique.

Un arrêté en conseil subséquent, en date du 12 octobre 1917, autorise la Commission à percevoir des minotiers, des exportateurs, etc., un droit n'excédant pas quatre cents le boisseau, afin de créer un fonds pour défrayer les frais de transport en magasin ou pour toutes autres fins que la Commission jugera opportunes.

Jusqu'au 31 juillet 1918 la Commission a perçu pour ce fonds, la somme considérable de $5,987,883.27, y compris $43,122.92 d'intérêt par la banque.

Un résumé des recettes et déboursés préparé par la Commission m'a été envoyé et je vous en inclus une copie dans la présente. Dans ma lettre du 4 courant j'attirais l'attention du ministère sur la disposition de la Loi du revenu consolidé

35) under which all public moneys from whatever source of revenue derived shall be deposited to the credit of the account of the Minister of Finance and Receiver General, as in my opinion any moneys collected or imposed under the authority of an Act of Parliament or an order in council having statutory force are public moneys, and unless specially exempted by competent authority are subject to the provisions of the Consolidated Revenue and Audit Act.

The board, it will be seen from the correspondence, has not felt obliged to treat the fund at their disposal as composed of public moneys, but instead has deposited the fees collected, presumably to the credit of the board, and has made all arrangements for its disbursement absolutely free from parliamentary or executive control.

I am not satisfied that the Governor in Council, in empowering the board to create this fund by the imposition of fees within a certain limit, intended that its administration should be placed beyond the law respecting the disbursement and audit of public moneys, and I shall be obliged if you will bring the matter to the notice of the Treasury Board at your early convenience.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A. G.*

The Deputy Minister of Finance.

et de l'audition (S.R. ch. 24, article 35) en vertu de laquelle tous les deniers publics reçus de quelque provenance, que ce soit doivent être déposés au crédit du compte du ministre des Finances et du receveur général, comme dans mon opinion, tout argent perçu ou imposé en vertu d'une loi du Parlement ou d'un arrêté ministériel ayant force de loi est denier public, et qu'à moins d'une exemption spéciale par l'autorité compétente cet argent est soumis aux dispositions de la Loi du revenu consolidé et de l'audition.

La Commission, comme l'on voit par la correspondance, ne s'est pas cru obligée d'agir avec les fonds à leur disposition comme des argents publics, mais au contraire elle a déposé les droits perçus, probablement au crédit de la Commission, et elle a pris des arrangements pour leur remboursement absolument libre de tout contrôle par le Parlement ou l'exécutif.

Je ne suis pas convaincu que le Gouverneur en conseil en autorisant la Commission à créer ce fonds par l'imposition de droits dans une limite fixée voulait que son administration fut placée au-dessus de la loi en ce qui concerne la dépense et l'audition des deniers publics, et je vous serais obligé si vous vouliez bien porter cette affaire à la connaissance du conseil du Trésor aussitôt que vous le pourrez.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND,

Au sous-ministre des Finances. *Assistant-Auditeur général.*

AUDIT OFFICE, October 31, 1918.

SIR,—I am in receipt of your memorandum informing me of the transfer of Mr. C. W. Baxter from the Outside to the Inside Service of the Agriculture Department as a clerk in Subdivision "A" of the First Division at a salary of $3,200.

I do not find that the salary of this position has been fixed at $3,200, either by the Supply Bill or by order in council. Until it has been so fixed no appointment or transfer can be made thereto.

I am, sir, your obedient servant,

SIR,—I have to acknowledge receipt of your letter of the 21st ultimo, and beg to inform you that the position of Fruit Commissioner became vacant through the death of Mr. Johnson, the former incumbent of the office, who was receiving a salary of $3,200 per annum, and it was presumed that the transfer could be made in accordance with the Act

AUDIT OFFICE, November 5, 1918.

SIR,—I am in receipt of yours of the 2nd instant in reference to the salary of the fruit commissioner in the Agriculture Department.

When this position was created by Order in Council of the 9th April, 1914, the salary was fixed at $3,000. Unless the salary of the position has since been changed to $3,200, other than by granting statutory increases, I do not see my way clear to pass the pay-list for Mr. Baxter at more than $3,000.

BUREAU DE L'AUDITEUR, le 31 octobre 1918.

MONSIEUR,—J'ai reçu votre mémoire m'informant de la permutation de M. C. W. Baxter du service extérieur au service intérieur du ministère de l'Agriculture, comme commis dans la subdivision "A" de la première division avec salaire de $3,200.

Je ne vois pas que le salaire de cette position ait été fixé à $3,200, ni dans le bill des subsides, ni par arrêté en conseil. A moins que ce salaire n'ait été ainsi fixé, aucune nomination ni permutation ne peuvent se faire.

MONSIEUR,—J'ai reçu votre lettre du 22 dernier, et je dois vous dire que la position de commissaire des fruits est devenue vacante par la mort de M. Johnson, le titulaire antérieur de cette position, dont le salaire était de $3,200 par année, et l'on a présumé que la permutation pouvait se faire en conformité de la loi.

BUREAU DE L'AUDITEUR, le 5 novembre 1918.

MONSIEUR,—J'ai reçu votre lettre du 2 courant au sujet du salaire du commissaire des fruits au ministère de l'Agriculture.

Lorsque cette position a été créée par arrêté en conseil du 9 avril 1914, le salaire fut fixé à $3,000. A moins que le salaire de cette position n'ait été depuis porté au chiffre de $3,200, autrement que par l'augmentation statutaire annuelle, je ne vois pas de possibilité d'accepter le bordereau pour un salaire de plus de $3,000 pour M. Baxter.

SIR,—I am in receipt of your certificate of the 21st ultimo, transferring Mr. C. W. Baxter from the Outside to the Inside Service of the Agriculture Department to the position of Fruit Commissioner at a salary of $3,200.

Please state when the salary of this position was fixed at $3,200. In my letter of the 15th ultimo, in reference to the transfer of Mr. Burns to the Supreme Court, objection was taken to his being transferred to a position in a different subdivision and at a different salary from that paid to the previous occupant of the position, unless the organization was changed accordingly by order in council. It was pointed out that "under section 8 of the Civil Service Amendment Act of 1908, the organization of a department shall be determined by order in council. and shall not be changed except by order in council. In section 9 of the Act of 1918 the organization of the Inside Service as prepared by the Civil Service Commission shall be submitted for the approval of the

MONSIEUR,—Au sujet de l'argument porté dans votre lettre du 5 courant concernant la nomination de M. Baxter comme commissaire des fruits à un salaire de $3,200, j'ai reçu instruction de vous informer que les commissaires ont reconsidéré cette question et ont approuvé la nomination de cet homme à un salaire de $3,000. Un nouveau certificat à ce propos sera émis aujourd'hui.

Le Bureau recommande que l'arrêté en conseil C.P. 1/974 approuvé le 8 avril 1914, et autorisant la nomination d'un officier dans la subdivision "A" de la première division comme commissaire des fruits au ministère de l'Agriculture, avec un salaire de $3,000 par année, soit rescindé de la date du 5 août 1918.

MÉMOIRE POUR L'AUDITEUR GÉNÉRAL.—Un certificat amendé a été émis par la Commission du Service civil pour la permutation de M. C. W. Baxter du service extérieur du ministère de l'Agriculture à la position de commissaire des fruits dans le service intérieur du même ministère, avec un salaire de $3,200 par année, commençant le 1er octobre 1918. Ce mémoire annule celui du 12 novembre 1918.

E. SAUNDERS, *pour le secrétaire.*

BUREAU DE L'AUDITEUR, le 3 février 1919.

MONSIEUR—J'ai reçu votre certificat du 21 dernier, transférant M. C. W. Baxter du service extérieur au service intérieur du ministère de l'Agriculture, à la position de commissaire des fruits avec un salaire de $3,200.

Veuillez me dire à quelle date le salaire de cette position a été fixé à $3,200. Dans ma lettre du 15 dernier, je faisais objection à la permutation de M. Burns à la cour Suprême, à cause que c'était une position dans une subdivision différente et avec un salaire différent de ce qu'on accordait à son prédécesseur, à moins que l'organisation n'ait été changée en conséquence par arrêté en conseil. Il a été démontré "qu'en vertu de la section 8 de la loi d'amendements du S. C. 1908, l'organisation d'un ministère sera déterminée par arrêté en conseil et ne sera pas changée, si ce n'est par arrêté en conseil. Dans la section 9 de la loi de 1918, l'organisation du service intérieur tel que préparé par la commission du S. C. doit être soumise à l'approbation du Gouverneur en conseil, et aucun changement ne peut être fait à cette organisation à moins d'être approuvé par le Gouverneur en conseil". Depuis

Governor in Council and no change shall be made in that organization until approved by the Governor in Council." Since that letter was sent, an amending certificate has been received placing Mr. Burns in the same subdivision as that of his predecessor in office and at the minimum salary of that subdivision. For the same reason I consider that until the salary of the fruit commissioner is fixed in accordance with the Act at $3,200 no appointment can be made at that salary. Unless the salary is so established, I do not see how Mr. Baxter can be transferred at more than the minimum salary of 1A of the old classification, or if the position be filled by appointment, to 1B of the new classification at $2,900, with an addition of $200 under section 11.

Your certificate does not state his classification. I have declined to certify the department's pay-list for Mr. Baxter at $3,200.

I am sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A.G.*

The Secretary, Civil Service Commission.

AUDIT OFFICE, February 3, 1919.

SIR,—I enclose, herewith, a copy of a letter that has been sent to the Civil Service Commission in reference to the transfer of Mr. Baxter to the Inside Service of your department at a salary of $3,200.

This letter will explain why your supplementary pay-list was amended by deducting the amount claimed for Mr. Baxter.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A. G.*

The Deputy Minister of Agriculture.

CIVIL SERVICE COMMISSION, February 6, 1919.

SIR,—Replying to your letter of the 3rd instant, regarding the salary to be paid Mr. C. W. Baxter as Fruit Commissioner in the Inside Service of the Department of Agriculture, I beg to say that, as far as the Civil Service Commission is aware, the salary of this position has not been fixed at $3,200, except that this is the salary which was provided for the last encumbent of the position, and the salary which the Department desires to pay to Mr. Baxter. The Civil Service Commission issued its certificate for this transfer at a salary of $3,200, in view of the ruling of the Department of Justice that transfers were not restricted to the rank and salary previously held by the person so transferred, and I am directed to say that, if the Auditor General's Office considers this ruling to be at fault, the matter should be taken up either with the Department of Agriculture or the Department of Justice.

I am, sir, your obedient servant,

W. FORAN, *Sec.*

The Assistant Auditor General.

que cette lettre a été envoyée, j'ai reçu un certificat en amendement plaçant M. Burns dans la même subdivision que celle de son prédécesseur et au salaire minimum de cette subdivision.

Pour la même raison, je considère que tant que le salaire du commissaire des fruits ne sera pas fixé conformément à la loi au montant de $3,200, aucune nomination ne peut être faite comportant un tel salaire. A moins que le salaire ne soit ainsi établi, je ne vois pas comment M. Baxter puisse être transféré à un salaire plus élevé que le salaire minimum de 1A de la vieille classification, ou si la position est remplie par nomination, à 1B de la nouvelle classification à $2,900, avec en plus un montant de $200 en vertu de la section 11.

Votre certificat ne donne pas la classification du titulaire.

J'ai refusé de certifier le bordereau du ministère portant une somme de $3,200 pour M. Baxter.

MONSIEUR,—Je vous envoie ci-inclus copie d'une lettre qui a été reçue par la Commission du Service civil au sujet de la permutation de M. Baxter au service intérieur de votre ministère avec un salaire de $3,200.

Cette lettre vous expliquera pourquoi votre bordereau supplémentaire a été amendé en déduisant le montant réclamé par M. Baxter.

COMMISSION DU SERVICE CIVIL, 6 février 1919.

MONSIEUR,—En réponse à votre lettre du 3 courant, au sujet du salaire à être payé à M. C. W. Baxter, commissaire des fruits dans le service intérieur du ministère de l'Agriculture, j'ai l'honneur de vous informer, en autant que la Commission du Service civil est concernée, que le salaire de cette position n'a pas été fixé à $3,200, mais que c'était celui accordé à son prédécesseur qui remplissait cette fonction, et le ministère désire payer ce salaire à M. Baxter. La Commission du Service civil a émis son certificat pour cette permutation au salaire de $3,200, à cause de la décision du ministère de la Justice, déclarant que ces permutations ne sont pas soumises au rang et au salaire précédemment attribué à la personne ainsi permutée, je suis chargé de dire que si le bureau de l'Auditeur général croit cette décision en défaut, le cas devrait être porté à la connaissance du ministère de l'Agriculture ou du ministère de la Justice.

CIVIL SERVICE COMMISSION, February 17, 1919.

SIR—With further reference to the case of Mr. Baxter; I presume that this matter may now be considered to be finally settled in view of the opinion of the Justice Department which was forwarded to you in my letter of the 14th instant.

I am, sir, your obedient servant,

W. FORAN, *Sec.*

The Assistant Auditor General.

AUDIT OFFICE, February 18, 1919.

SIR,—I am in receipt of yours of yesterday stating that you consider that the opinion of the Deputy Minister of Justice, as expressed in his letter to you of the 12th instant, meets my objection to the appointment of C. W. Baxter at a salary of $3,200.

It meets my objection, of November, 20, to his certificate of transfer being issued minus the statement that it also covers an increase of salary. But it does not meet a different objection of October 31 last and of the 3rd instant to his salary being fixed at $3,200 until so established in accordance with the Civil Service Act.

In this recent opinion of the Justice Department, a statement is made which would seem to bear out my contention. "A vacancy connotes a position to which a specified rank and salary are incident provided for in the organization of the Civil Service as established in accordance with the directions contained in section 9 of the Act of 1918."

The salary of $3,200 has not yet been fixed in accordance with section 9. Under the previous Act the organization could be changed by the Governor in Council. It now requires action by both the Civil Service Commission and the Governor in Council. If an Order in Council is passed fixing the salary of Fruit Commissioner at $3,200, no further objection can be raised.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A. G.*

The Secretary, Civil Service Commission.

AUDIT OFFICE, December 7, 1918.

SIR,—I am in receipt of a memorandum from the commission certifying to the transfer of A. M. W. Carter from the Library of Parliament to the Outside Service of the Department of Agriculture at Winnipeg as a clerk in subdivision "B" of the Second Division.

As there is no such organization in the Outside Service, Mr. Carter will not be able to retain his status as a 2B clerk.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A. G.*

The Secretary, Civil Service Commission.

COMMISSION DU SERVICE CIVIL, le 17 février 1919.

MONSIEUR,—Revenant de nouveau au cas de M. Baxter, je présume que cette question doit être considérée comme réglée d'une manière finale par l'opinion du ministère de la Justice, dont copie vous a été envoyée avec ma lettre du 14 courant.

Je demeure, monsieur, votre obéissant sérviteur,

W. FORAN, *secrétaire.*

A l'ass.-Auditeur général.

BUREAU DE L'AUDITEUR, le 18 février 1919.

MONSIEUR,—J'ai reçu votre lettre d'hier disant que vous considérez l'opinion du ministère de la Justice telle que donnée dans une lettre à vous adressée le 12 courant, comme renversant mon objection à la nomination de C. W. Baxter, avec salaire de $3,200.

Cette opinion renverse mon objection du 20 novembre au sujet de l'émission du certificat de permutation sans la déclaration que le certificat couvre aussi une augmentation de salaire. Mais elle ne rencontre pas une autre objection faite en date du 31 octobre dernier et du 3 courant que son salaire ne doit pas être fixé à $3,200 avant d'être établi conformément à la loi du Service civil.

Dans l'opinion récente du ministère de la Justice, il y a une déclaration qui appuie ma prétention. "Une vacance implique une position ayant un rang et un salaire spécifique prévus dans l'organisation du service civil telle qu'établie conformément aux termes contenus dans l'article 9 de la loi de 1918."

Le salaire de $3,200 n'a pas encore été fixé conformément à l'article 9. D'après la loi antérieure, l'organisation pouvait être changée par le Gouverneur en conseil. Il faut maintenant l'action conjoite de la Commission du Service civil et du Gouverneur en conseil. S'il y avait un arrêté en conseil fixant le salaire du commissaire des fruits à $3,200, aucune objection ne pourrait être soulevée.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *assis.-A.G.*

Au secrétaire de la C. S. C.

BUREAU DE L'AUDITEUR, le 7 décembre 1918.

MONSIEUR,—J'ai reçu un mémoire de la Commission certifiant la permutation de A. M. W. Carter de la bibliothèque du parlement au service extérieur du ministère de l'Agriculture, à Winnipeg, comme commis dans la subdivision "B" de la seconde division.

Vu qu'il n'y a pas de telle organisation dans le service extérieur, M. Carter ne pourra pas garder cette classification comme commis de la classe 2B.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *ass.-Auditeur général.*

Au secrétaire de la Commission S.C.

AUDIT OFFICE, December 31, 1918

SIR,—I am in receipt of a certificate from the Civil Service Commission approving of the transfer of Mr. C. B. Burns to the Justice Department as an officer in grade "D" of the 1st Division at a salary of $2,050.

In an opinion given by the Deputy Minister of Justice, dated December 21, in regard to section 17 of the Civil Service Act of 1918, it is implied that the old classification must be maintained if the clerk transferred was employed under antecedent legislation. Mr. Burns should therefore, be still classified under the classification of the Act of 1908.

In that opinion it is also stated that section 17 enables the commission to transfer an officer from one position to another at the rank and salary attached to such latter position.

What position is Mr. Burns to occupy, and when was the rank and salary attached thereto established as indicated? Was it so established by the Governor in Council?

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A. G.*

The Secretary, Civil Service Commission.

CIVIL SERVICE COMMISSION, January 8, 1919.

SIR,—Referring to your letter of the 31st ultimo, in connection with the transfer of Mr. C. B. Burns, I enclose, herewith, a copy of a letter received from the Deputy Minister of Justice, in reply to the commission's request for that department's opinion.

I am, sir, your obedient servant,

W. FORAN, *Sec.*

The Assistant Auditor General.

JUSTICE DEPT., OTTAWA, January 6, 1919.

SIR,—Referring to your letter of the 2nd instant, enclosing copy of letter from the Assistant Auditor General with regard to the recent transfer of Mr. Burns, in which he refers to my letter to you of the 21st ultimo, I may say that while it is provided by section 43, sub-section 3 of the Civil Service Act, 1918, that until the Inside Service is reorganized under the provisions of section 9 the classification and salaries theretofore prescribed shall continue in force with respect to officers, clerks, and employees appointed before the date of the Act, I do not think that this provision is intended to prevent a transfer, or in the case of a transfer, to prevent the fixing of the salary of the position to which the transfer is made at a rate less than that enjoyed by the previous holder of that position, so long at all events as the salary of the transferee is not diminished by the transfer, and in the present case Mr. Burns receives somewhat more in his new position than he formerly did.

BUREAU DE L'AUDITEUR, le 31 décembre 1918.

MONSIEUR,—Je viens de recevoir un certificat de la Commission du Service civil approuvant la permutation de M. C. B. Burns au ministère de la Justice, comme fonctionnaire du grade "D" de la première division, au salaire de $2,050.

D'après l'opinion du sous-ministre de la Justice, en date du 21 décembre, relativement à la section 17 de la loi du Service civil de 1918, il est entendu que l'ancienne classification doit rester en vigueur si le commis transféré était employé en vertu d'une législation précédente. Mr. Burns devrait donc être encore considéré comme classifié en vertu de la loi de 1908.

Dans cette opinion, il est également établi que la section 17 donne pouvoir à la Commission de transférer un fonctionnaire d'une position à une autre, au rang et salaire attaché à telle dernière position.

Quelle position M. Burns occupera-t-il, et à quelle date le rang et le salaire qui s'y rapporte a-t-il été fixé, tel qu'il est dit? A-t-il été ainsi fixé par le Gouverneur en conseil?

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *ass.-A. G.*

Au secrétaire de la Commission du S.C.

COMMISSION DU SERVICE CIVIL, le 8 janvier 1919.

MONSIEUR,—Référant à votre lettre du 31 décembre dernier, relativement à la permutation de M C. B. Burns, je vous inclus, dans la présente, copie d'une lettre reçue du sous-ministre de la Justice, en réponse à la demande de la Commission pour avoir l'opinion de ce ministère.

Je demeure, monsieur, votre obéissant serviteur,

W. FORAN, *secrétaire.*

A l'assis.-Auditeur général.

MINISTÈRE DE LA JUSTICE, OTTAWA, 6 janvier 1911.

MONSIEUR,—Référant à votre lettre datée du deuxième jour du mois courant, contenant copie d'une lettre de l'assistant-Auditeur général, concernant la permutation récente de M. C. B. Burns, dans laquelle lettre il réfère à celle que je vous adressai le 21e jour du mois dernier, je dois dire, bien qu'il soit pourvu par la section 43, sous-section 3 de la loi du Service civil, 1918, que d'ici à ce que le Service intérieur soit réorganisé en vertu des dispositions de la section 9, la classification, et les salaires antérieurement fixés devront rester en vigueur en ce qui est des fonctionnaires, commis et employés nommés avant la passation de cette loi. Je ne crois pas que cette disposition ait pour but d'empêcher une permutation, ou dans le cas d'une permutation, d'empêcher la fixation du salaire de la position à laquelle la permutation est faite, à un taux moindre que recevait celui qui occupait antérieurement cette position, à tout évènement, en autant que le salaire du transféré n'est pas diminué par la permutation, et dans le cas présent M. Burns reçoit, en quelque sorte, plus dans sa nouvelle position qu'il ne recevait précédemment.

The minimum salary of $2,050 was, I may say, fixed, not by the Governor in Council, but by the department, and I understand with the approval of the commission, as evidenced by their certificate, and I think this was a perfectly competent proceeding under the statute.

I am, sir, your obedient servant,

E. L. NEWCOMBE, *D. M. of Justice.*

The Sec., Civil Service Commission,

AUDIT OFFICE, January 15, 1919.

SIR,—I am in receipt of yours of the 8th instant, enclosing a copy of an opinion of the Deputy Minister of Justice, *re* the transfer of Mr. C. B. Burns.

The last clause of section 43 of the Civil Service Act provides that until the Inside Service is reorganized the previous classification and salaries shall continue in force with respect to all employees appointed before the 24th of May last. Mr. Burns was appointed to the Civil Service prior to the 24th of May last, and it would seem reasonable to assume from the wording of the section that the old classification should still apply to him as it does to those who have since that date been promoted. A distinction is drawn throughout the Act between transfers, promotions, and appointments. This constitutes clearly a transfer, and there appears to be no provision in the Act which permits any one other than a new appointee to be classified under the new classification.

Under section 8 of the Civil Service Amendment Act of 1908, the organization of a department shall be determined by order in Council and shall not be changed except by order in council. In scetion 9 of the Act of 1918, the organization of the Inside Service as prepared by the Civil Service Commission shall be submitted for the approval of the Governor in Council, and no change shall be made in that organization until approved by the Governor in Council.

In view of these two governing Acts which have been in force since 1908, I would like to be informed under what authority it is competent for the department, with the approval of the commission, to fix the salary of the position.

Mr. Burns' predecessor in office was graded in subdivision "B" of the First Division. That grading has not since been changed by council, and unless so changed, the minimum salary of that division should be the salary of the position.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A. G.*

The Secretary, Civil Service Commission.

Please cancel the commission's memorandum to you of December 28, 1918.

E. SAUNDERS, *for Secretary.*

Le salaire minimum de $2,050 a été fixé, je puis dire, non par le Gouverneur en conseil, mais par le ministère, et je conprends, avec l'approbation de la Commission, ainsi qu'il appert par son certificat, et je crois que cette procédure a été parfaitement conforme au statut.

Je demeure, monsieur, votre obéissant serviteur,

E. L. NEWCOMBE, *sous-ministre de la Justice.*

Au secrétaire de la Commission du Service Civil.

BUREAU DE L'AUDITEUR, le 15 janvier 1919.

MONSIEUR,—Je viens de recevoir la vôtre du 8 courant, contenant copie d'une opinion du sous-ministre de la Justice, *re* la permutation de M. C. B. Burns.

La dernière clause de la section 43 de la loi du Service civil stipule que jusqu'à ce que le service intérieur soit réorganisé, la classification antérieure et les salaires devront continuer d'être en vigueur pour tous les employés nommés avant le 24e jour de mai dernier. M. Burns est entré dans le Service civil avant le 24 de mai dernier, et il semblerait raisonnable du supposer, d'après la teneure de la section, que l'ancienne classification devrait encore s'appliquer à lui aussi bien qu'à ceux qui ont été promus depuis cette date. Il est fait une distinction dans la loi, entre les permutations, les promotions et les nominations. Le cas actuel constitue clairement une permutation, et il n'appert pas qu'il y ait dans la loi aucune disposition qui permette à qui que soit, si ce n'est à un nouvel employé, d'être classé en vertu de la nouvelle classification.

En vertu de la section 8 des amendements à la loi du Service cicil de 1908, l'organisation d'un département devra être déterminé par arrêté en conseil et ne devra être changé que par arrêté en conseil. Dans la section 9 de la loi de 1918, l'organisation du Service intérieur telle que préparée par la Commission du Service civil devra être soumise à l'approbation du gouverneur en conseil, et aucun changement n'y devra être fait sans l'approbation du Gouverneur en conseil.

Vu que ces deux lois d'administration ont été en vigueur depuis 1908, j'aimerais savoir en vertu de quelle autorité le ministère est compétent, avec l'assentiment de la Commission, à fixer le salaire de la position.

Le prédecesseur de M. Burns était classé dans la subdivision "B" de la première division. Cette classification n'a pas depuis été changée, et à moins qu'elle ne le soit, le salaire minimum de cette division devra rester celui de la position.

Je demeure, monsieur, votre obéissant serviteur,

E. S. SUTHERLAND, *assis.-A. G.*

Au secrétaire de la Commission du Service civil.

COMMISSION DU SERVICE CIVIL, le 30 janvier 1919.

Mémoire pour l'Auditeur général.—Ci-jointe une copie d'un certificat amendé émis par la Commission du Service civil pour la permutation de M. Clement Bancroft Burns du ministère de l'Intérieur au ministère de la Justice. S'il vous plaît annuler le mémoire que la Commission vous adressait le 28 décembre 1918.

CERTIFICATE OF TRANSFER.

Now this is to certify that the said Civil Service Commission hereby authorizes the said transfer of the said Clement Bancroft Burns from the Department of the Interior to the position of joint (English) librarian in the Supreme Court of Canada Branch of the Department of Justice, with the rank of an officer in Grade "B" of the First Division, at a salary of $2,100 per annum, to date from the 1st January, 1919.

By order of the commission,

W. J. ROCHE, *Chairman.*

Countersigned,

W. FORAN, *Sec.*

Dated at Ottawa this 30th day of January, 1919.

Salary on Appointment.

AUDIT OFFICE, December 7, 1918.

SIR,—Alex. Gould was appointed a 3B clerk in the Department of Militia and Defence on 1st May, 1918, at the minimum salary of his class.

On the 27th ultimo a further certificate was issued authorizing the addition of $100 to his salary from 1st October, 1918. Why was the addition not made to his salary from the date of his appointment? Section 11 of the Civil Service Act states that such addition may be made upon appointment or at any time during the period of probation. As I interpret it, the necessary action to increase the salary may be taken by the commission before the end of the probationary term, but that the increase should take effect from the date of the appointment.

As this is the first occasion on which such increase is dated subsequent to the date of appointment, it is advisable that this point be considered. Please state whether you agree with my interpretation.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A.G.*

The Secretary, C. S. Commission.

CIVIL SERVICE COMMISSION, December 10, 1918.

DEAR SIR,—Referring to your letter of the 7th instant, in connection with an increase in salary of $100 for Mr. Alex. Gould, a clerk in subdivision "B" of the Third Division, in the Department of Militia and Defence, the commissioners are of opinion that action may be taken under section 11 during the probationary period and the increased salary may date from any time during said period. There is nothing in section 11 to compel the increased salary to date from the date of appointment. I think the matter as to when the increase should date from rests entirely with the department.

Yours truly,

W. FORAN, *Sec.*

The Asst. Auditor General.

CERTIFCAT DE PERMUTATION.

Ceci est pour certifier que la dite Commission du Service civil autorise par les présentes la dite permutation du dit Clement Bancroft Burns du ministère de l'Intérieur à la position de bibliothècaire adjoint (Anglais) à la Cour Suprême du Canada, division du ministère de la Justice, avec le rang de fonctionnaire dans le grade "B" de la première division, aux appointements de $2,100 par an du 1er janvier 1919

Par ordre de la Commission,

Contresigné, W. J. ROCHE, *président.*

Appointements lors de la nomination.

BUREAU DE L'AUDITEUR, 7 décembre 1918.

MONSIEUR,—Alex. Gould a été nommé commis de la classe 3–B dans le ministère de la Milice et Défense le 1er mai 1918 au salaire minimum de sa classe.

Le 27 dernier, un autre certificat a été émis autorisant un ajouté de $100 à son salaire à compter du 1er october 1918. Pourquoi l'ajouté à son salaire, ne compte-t-il pas du jour de sa nomination? La section 11 de la loi du Service Civil statue que tel ajouté peut être fait lors de la nomination ou en tout temps durant la période de stage. Je comprends que l'augmentation de salaire peut être faite par la Commission avant la fin du terme de stage, mais que l'augmentation doit prendre effet de la date de la nomination.

Comme c'est la première fois qu'une telle augmentation est datée postérieurement à la date de la nomination, il est à propos que ce point soit considéré. S'il vous plaît m'informer si vous êtes d'accord avec mon interprétation.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *assis.-A. G.*

Au secrétaire de la Commission du Service civil.

COMMISSION DU SERVICE CIVIL, 10 décembre 1918.

CHER MONSIEUR,—En réponse à votre honorée lettre du 7 courant au sujet de l'augmentation de salaire de $100 à M. Alex. Gould, un commis de la subdivision "B" de la troisième division, au ministère de la Milice et Défense, les commissaires sont d'opinion qu'ils peuvent agir en vertu de la section 11 durant la période de stage et l'augmentation peut commencer en aucun temps durant la dite période. Il n'y a rien dans la section 11 pour forcer l'augmentation de salaire à compter de la nomination. Je crois que la fixation de la date de l'augmentation appartient absolument à votre ministère.

Bien à vous,

W. FORAN, *secrétaire.*

A l'ass.-Auditeur général.

AUDIT, OFFICE December 16, 1918.

DEAR SIR.—In further reference to the question of the proper date for granting the additional salary allowable under section 11 of the Civil Service Act, and your letter of the 10th instant, I do not think that the date of the increase rests with the department concerned. That section reads in part as follows: "The salary on appointment shall be the minimum salary....but a further sum may be added to the said salary". The "said salary" is, as quoted, the "salary on appointment", and it does not appear to me as if there was any option in the matter. It is the issuance of the certificate by the Commission that may take place at any time during the period of probation.

A clerk on appointment has certain qualifications which entitle him to a salary above the minimum, but the department is not always in a position to then recommend that a larger salary be paid. When the department does become aware of that fact, it would seem reasonable that the clerk should receive from the date of assuming the duties the salary recommended and approved by the commission as belonging thereto.

If you still disagree with this interpretation, I would suggest that the point be referred to the Justice Department.

Yours truly,

E. D. SUTHERLAND, *Asst. A. G.*

The Secretary, Civil Service Commission.

CIVIL SERVICE COMMISSION, January 14, 1919.

SIR:—Referring to your letter of the 16th ultimo, *re* section 11 of the Civil Service Act, 1918, I enclose, herewith, copy of letter the commission has received from the Department of Justice in answer to its enquiries regarding this section.

JUSTICE DEPARTMENT, OTTAWA, January 10, 1919.

SIR,—Referring to your letter of the 17th ultimo, submitting copies of correspondence with the Auditor General's Branch, with a request for my advice on the question raised as to whether an increase of salary granted, under the authority of section 11 of the Civil Service Act, 1918, during the period of probation should take effect from the date of appointment or merely from the date of the commission's certificate of approval, I am disposed to think, seeing that the broad purpose of the section is to regulate "the salary on appointment," that the implicit intention is that in the absence of any expression to the contrary any increase of such salary authorized by this provision should take effect from the date of appointment as well in the case where it is granted during the period of probation as in the case where it is

BUREAU DE L'AUDITEUR, 16 décembre 1918.

CHER MONSIEUR,—Comme ajouté à la question de la date à fixer pour l'augmentation de salaire permise en vertu de la section 11 de la loi du Service civil, et en réponse à votre lettre du 10 courant, je ne crois pas que la date de l'augmentation doit être fixée par le ministère. Cette section se lit en partie comme suit: "Le salaire lors de la nomination devra être le salaire minimum .. mais un montant additionnel pourra être ajouté au dit salaire". Le "dit salaire" est tel que cité, le «salaire lors de la nomination» et je ne vois pas qu'il y ait aucune option dans la matière. C'est l'émission du certificat par la Commission qui peut avoir lieu en aucun temps durant la période de stage.

Lors de la nomination d'un commis il peut mériter un salaire au-dessus du minimum mais le ministère n'est pas toujours en position alors de recommander de payer un salaire plus élevé. Il semble raisonnable, quand le ministère est convaincu du mérite, que le commis recoive le salaire recommandé et approuvé par la commission comme lui appartenant dès le début.

Si vous différez encore sur cette interprétation, je suggérerais que ce point soit référé au ministère de la Justice.

Votre tout dévoué,

MONSIEUR,—En réponse à votre lettre du 16 dernier, *re* section 11 de la loi du Service civil, 1918, je vous inclus, dans la présente, copie d'une lettre que la Commission a reçu du ministère de la Justice en réponse à sa demande touchant cette section.

MINISTÈRE DE LA JUSTICE, Ottawa, le 10 janvier 1919.

MONSIEUR,—Au sujet de votre lettre du 17 dernier, soumettant une copie de la correspondance avec le bureau de l'Auditeur général et une demande d'opinion sur la question débattue à propos de l'augmentation de salaire accordée en vertu de la clause 11 de la loi du Service civil 1918, durant la période de probation, pour savoir si elle doit prendre effet de la date de la nomination ou simplement de la date du certificat d'approbation par la Commission, je suis disposé à croire, en face du sens large que cette clause comporte quant aux mots "le salaire lors de la nomination", que l'intention implicite est qu'en l'absence de toute expression contraire, toute augmentation de salaire autorisée par cette clause doit prendre effet de la date de la nomination aussi bien dans le cas où elle a été accordée durant la période de probation que dans le cas où elle est comptée lors de la nomination, mais je pense que la commission, sur le rapport du sous-

Transfers.

AUDIT OFFICE, November 20, 1918.

SIR,—I am in receipt of your notification of the transfer of C. W. Baxter from the Outside to the Inside Service of the Agriculture Department as a clerk in Division 1A at $3,000. As Mr. Baxter was receiving a salary in the Outside Service of only $1,900, this constitutes not only a transfer but an increase in salary of $1,100. In the first place, I do not consider that section 17 should be used to cover the filling of a professional and technical position where the salary is above the minimum of the division in which the position is classified. Section 15 is the logical section to use. It would be just as consistent to fill a vacancy in Division 2A of the Inside Service by a transfer from Division 2B. This would be a promotion, while the other is a technical appointment. Besides, I am not satisfied that it is legal to grant increases of salary to a clerk when transferred. Section 17 does not state that transfers must be made without increase of salary, yet taken with other sections it may be so assumed. Section 16 mentions increase of salary, section 17 does not. It is not possible to transfer a 1B clerk of the Inside Service, who had passed the Civil Service competitive examination, to Division 1A at $3,000, and it would not be reasonable to assume that a clerk of the Outside Service who never passed any examination possessed superior advantages to him.

Please furnish me with the certificate of the commission authorizing Mr. Baxter's transfer, and state his age if it is not shown on the certificate.

CIVIL SERVICE COMMISSION, December 21, 1918.

SIR,—Referring to your letter of the 20th ultimo, in connection with the transfer of Mr. C. W. Baxter from the Outside Service of the Dpeartment of Agriculture to the position of Fruit Commissioner in the Inside Service, I am directed to inform you that the Civil Service Act, 1918, as originally drafted, provided that transfers must be made without change in the rank and salary, as had formerly been the custom, and that this provision was deliberately discarded by Parliament during the course of discussion in the House. From the omission of this clause, it appears obvious that Parliament intended that a change in the rank and salary might be made in connection with transfers, but

ministre, en accordant l'augmentation durant la période de probation, peut fixer n'importe quel temps dans cette période dont devra partir telle augmentation.

Permutations.

Bureau de l'Auditeur, le 20 novembre 1918.

Monsieur,—J'ai reçu votre avis de la permutation de C. W. Baxter du service extérieur au service intérieur du ministère de l'Agriculture comme commis dans la division 1A, à $3,000. Vu que M. Baxter ne reçoit dans le service extérieur qu'un salaire de $1,900, ceci constitue non seulement une permutation, mais une augmentation de salaire de $1,100. En premier lieu, je ne crois pas que la section 17 puisse servir pour remplir une position professionnelle et technique dont le salaire est au-dessus du minimum de la division dans laquelle la position est classifiée. La section 15 est celle qui doit s'appliquer logiquement. Il serait tout aussi bon de remplir une vacance dans la division 2A du service intérieur par une permutation de la division 2B. Cela serait une promotion, tandis que l'autre est une nomination technique. De plus, je ne crois pas qu'il soit légal d'accorder des augmentations de salaire à un commis lors de sa permutation. La section 17 ne dit pas que les permutations doivent être faites sans augmentation de salaire, mais, prise avec d'autres sections, c'est ce que l'on peut en déduire. La section 16 mentionne l'augmentation de salaire, ce qui n'est pas dit dans la clause 17. Il n'est pas possible de transférer un commis 1B du service intérieur, qui aurait passé ses examens de concours du service civil, à la division 1A à $3,000, et il ne serait pas raisonnable de supposer qu'un commis du service extérieur qui n'aurait jamais passé d'examen puisse posséder des qualifications supérieures.

Veuillez me fournir le certificat de la Commission autorisant la permutation de M. Baxter, et me dire son âge, si celui-ci n'est pas mentionné dans le certificat.

Monsieur,—Au sujet de votre lettre du 20 dernier concernant la permutation de M. C. W. Baxter du service extérieur du ministère de l'Agriculture à la position de commissaire des fruits dans le service intérieur, j'ai reçu instruction de vous dire que la loi du Service civil, tel que premièrement rédigée, pourvoyait à ce que les permutations fussent faites sans changement dans la classification et le salaire du promu, comme c'était alors la coutume, et que cette clause a été délibérément mise de côté par le Parlement dans le cours de la discussion devant la chambre. Par suite de l'omission de cette clause, il paraît clair que le parlement voulait rendre possible un changement dans

in order to clear up the matter, the commission is submitting the question to the Department of Justice for a ruling, a copy of which will be forwarded to you as soon as received.

I am enclosing, herewith, as requested, a copy of Mr. Baxter's certificate of transfer. His age is forty-three years, the date of birth being given as the 27th October, 1875.

May I also take this opportunity of questioning another statement in your letter, although it has no bearing on the case, namely, that Mr. Baxter was receiving a salary in the Outside Service of only $1,900. The department stated his salary to the commission as $2,400 per annum.

SIR,—In your letter of the 21st ultimo *re* the transfer of Mr. C. W. Baxter, my statement that he was receiving a salary of only $1,900 in the Outside Service of that department was questioned.

According to the pay-lists submitted to this office, Mr. Baxter's maximum salary in the Agriculture Department was $1,900. He was granted leave of absence about a year ago and was employed by the Food Board at a salary of $2,400, but he still retained his position in the department.

JUSTICE DEPT., December 21, 1918.

SIR,—In reference to your letter of the 14th instant, desiring to be advised whether the commission has the power under the Civil Service Act, 1918, to transfer an officer, clerk or employee in the Civil Service from one position to another at the rank and salary attached to such latter position, irrespective of the previous rank and salary of the person so transferred, I observe that section 17, chapter 12, 1918, which deals with the subject of transfers, does not contain any provision similar in terms to that of subsection 2 of section 50, chapter 15, R.S.C., which required that a transfer should be made without increase of salary of the person transferred.

la classification et le salaire lors des permutations, mais afin de bien élucider cette question, la commission va la soumettre au ministère de la Justice pour avoir une décision, et une copie vous en sera envoyée aussitôt que reçue.

Je vous envoie, ci-inclus, tel que demandé, une copie du certificat de permutation de M. Baxter. Il est âgé de quarante-trois ans, la date de sa naissance étant le 27 octobre 1875.

Puis-je profiter de cette occasion pour mettre en doute une autre déclaration faite dans votre lettre, bien qu'elle n'ait aucune portée directe sur la question débattue, savoir, que M. Baxter recevait un salaire de $1,900 dans le service extérieur. Le ministère a porté son salaire comme étant de $2,400 par année dans sa déclaration à la Commission.

BUREAU DE L'AUDITEUR, le 7 janvier 1919.

MONSIEUR,—Dans votre lettre du 21 dernier au sujet de la permutation de M. C. W. Baxter, vous avez mis en doute ma déclaration que celui-ci recevait un salaire de $1,900 seulement dans le service extérieur de votre ministère.

D'après les bordereaux de paie soumis à ce bureau, M. Baxter recevait comme salaire maximum au ministère de l'Agriculture la somme de $1,900. Il a eu la permission de s'absenter il y a environ un an et a été employé par la Commission des vivres à un salaire de $2,400, mais il a gardé sa position au ministère.

COMMISSION DU SERVICE CIVIL, le 26 décembre 1918.

MONSIEUR,—Au sujet de la correspondance récente concernant la permutation de MM. S. J. Willoughby et C. W. Baxter, je vous envoie ci-inclus copie d'une lettre que le Commission a reçue du ministère de la Justice.

Bien à vous,

WM. FORAN, *secrétaire.*

A l'assistant-Auditeur général.

MINISTÈRE DE LA JUSTICE, 21 décembre 1918.

MONSIEUR,—Relativement à votre lettre du 14 courant demandant à connaître si la Commission a le pouvoir en vertu de la loi du Service civil, 1918, de transférer un officier, commis ou employé dans le service civil d'une position à une autre au rang et au salaire attachés à cette dernière position, sans égard pour le rang et le salaire antérieurs de la personne ainsi transférée, je remarque que la section 17, c. 12, 1918, qui traite des permutations, ne contient pas de clause semblable à celles qui formaient la sous-section 50, c. 15, S.R.C., d'après lesquelles toute permutation devait se faire sans augmentation de salaire de la personne transférée.

On consideration, I am of the opinion that section 17 of the Civil Service Act, 1918, enables the commission to transfer an officer, clerk or employee in the Civil Service, who is eligible for transfer, from one position to another at the rank and salary attached to such latter position, irrespective of the previous rank and salary of the person so transferred, subject, nevertheless, in any case, where the transfer involves a promotion from one division or subdivision to another to the limitation as to salary prescribed by section 12; and until the Inside and Outside Services are reorganized in accordance with the provisions of section 9 and 52 (1), respectively, the question whether or not a transfer in any particular case involves a promotion must, by virtue of the provision contained in section 43 (3) and of section 52 (1), be determined in the case of the Inside as well as the Outside Service by reference to the classifications and salaries prescribed and paid under the antecedent legislation.

I am, sir, your obedient servant,

E. L. NEWCOMBE, *D. M. Justice.*

The Secretary, Civil Service Commission.

AUDIT OFFICE, February 3, 1919.

SIR,—I am in receipt of a certificate from the Civil Service Commission transferring Mr. C. B. Burns from the Interior Department to the Supreme Court, with the rank of subdivision " B " of the First Division and at a salary of $2,100.

No further objection is being raised to paying this salary to Mr. Burns, but it brings up another question which has already been raised with the commission in another case, and in which no satisfactory conclusion has been reached. Mr. Burns was a 2B clerk at $1,600. By this transfer, so called, he is placed in 1B with an increase of salary of $500, thus constituting an increase of salary as well as promotion. In another case the commission filled a technical position by a transfer from the Outside Service at a salary of $300 above the minimum of the subdivision, and at an increase of $1,300.

I called attention to the fact that section 15 dealt with professional and technical appointments, section 16 with promotions and increases, and section 17 with transfers, and that they were treating these three sections as one and calling them transfers.

I enclose herewith copies of two letters written by me dealing with this question, one of them having reference to your letter of the 21st December. No reply has yet been received to mine of the 31st December. I would be glad to have your opinion on the points raised therein. Apart from the legal aspect of the matter there is the question of the propriety of practically ignoring two sections of the Act, or incorporating them in a third.

If it is permissible under the Act to transfer a clerk from 2B in one department to 1B in another, would it not be possible under the same authority to transfer a clerk from one division to another in the same department without calling it a promotion?

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A. G.*

The Deputy Minister of Justice.

Après étude faite, je suis d'opinion que la section 17 de la loi du Service civil, 1918, permet à la Commission de transférer un officier, commis ou employé dans le service civil dont la permutation est possible, d'une position à une autre au rang et au salaire attaché à la dernière position, sans égard pour le rang et le salaire antérieurs de la personne ainsi transférée, sujet, néanmoins, dans tous les cas, lorsque la permutation comporte une promotion d'une division ou subdivision à une autre, à la limite prescrite pour le salaire dans la section 12; et jusqu'à ce que les services extérieur et intérieur soient réorganisés conformément aux clauses des sections 9 et 52 (1), respectivement, la question de savoir si oui ou non une permutation comporte une promotion dans un cas particulier, doit, en vertu de la clause contenue dans la section 43 (3) et de la section 52 (1), être décidée, dans le cas du service intérieur aussi bien que pour le service extérieur, en référant aux classifications et salaires prescrits et payés par la législation antérieure.

Je demeure, monsieur, votre obéissant serviteur,

E. L. NEWCOMBE, *sous-min. de la Justice.*

Au secrétaire de la Commission Service civil.

BUREAU DE L'AUDITEUR, le 3 février 1919.

MONSIEUR,—J'ai reçu un certificat de la Commission du Service civil transférant M. C. B. Burns du ministère de l'Intérieur à la cour Suprême, avec le rang de la subdivision "B" de la première division, à un salaire de $2,100.

Il n'a pas été soulevé d'autre objection au paiement du salaire de M. Burns, mais il survint une autre question qui a déjà été soulevée devant la commission pour un autre cas et à laquelle il n'a pas été apporté de solution. M. Burns était commis 2B à $1,600. Par cette permutation, ou prétendue telle, il est placé dans 1B avec une augmentation de salaire de $500, ce qui constitue une augmentation de salaire aussi bien qu'une promotion. Dans un autre cas, la Commission a rempli une position technique par une permutation du service extérieur à un salaire de $300 au-dessus du minimum de la subdivision, et avec augmentation de $1,300.

J'ai attiré l'attention sur le fait que la section 15 traite des nominations professionnelles et techniques, la section 16 des promotions et augmentations, et la section 17 des permutations, et que l'on semble traiter ces trois sections comme une seule qui renferme des permutations.

Je vous envois ci-inclus copies de deux lettres écrites par moi sur cette question et dont l'une se rapporte à votre lettre du 21 décembre. Je n'ai pas encore reçu de réponse à ma lettre du 31 décembre. Je serais bien content d'avoir votre opinion sur les questions soulevées dans ces lettres.

A part le côté légal de la question, il y a le fait d'ignorer pratiquement deux sections de la loi, ou de les incorporer dans une troisième.

S'il est permis en vertu de la loi de transférer un commis 2B d'un ministère à 1B dans un autre, ne serait-il pas possible en vertu de la même clause de transférer un commis d'une division à une autre dans le même ministère sans appeler cela une promotion.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *assis.-A. G.*

Au sous-ministre de la Justice.

AUDIT OFFICE, December 31, 1918.

SIR,—I am in receipt of yours of the 26th instant, enclosing a copy of a legal opinion from the Justice Department in regard to the question of transfers.

If you will refer again to my letter of the 17th instant *re* the transfer of Mr. Willoughby, you will observe that I did not question the legality of a transfer carrying with it a promotion or increase of salary. As stated in that letter, section 17 deals with transfers and section 16 with promotions and increases. From your certificate it would appear that all these could be done under section 17. In my opinion the one obvious reason for leaving out the provision in the Act of 1908 which required that a transfer should be made without increase of salary, was because of the incorporation in the Act of 1918 of this part of section 16 referring to increases. What was requested in my letter was that your certificate state separately your approval of both actions.

Was a statement of my objection to treating this transfer and increase as both coming within section 17 submitted to the Justice Department? If not I would like that the points specially emphasized in my letter should be considered by them.

Besides the legal interpretation of the Act there is the practical working of it, and I consider it would be advisable, at least from the standpoint of this office, that transfers, promotions, and increases be treated separately.

I am, sir, your obedient servant,
E. D. SUTHERLAND, *Asst. A. G.*

The Secretary, Civil Service Commission.

AUDIT OFFICE, December 17, 1918.

SIR,—As to the question of granting an increase of salary on transfer, you are correct in stating that the Act of 1918 does not say that it shall be without any increase in salary. Neither does it say that an increase may be given. Section 17 deals with transfers only. Section 16 deals with promotions and increases. In authorizing a transfer which carries with it a promotion or increase, I have to request that your certificate state separately that the commissioners approve of the transfer and also the promotion to a certain grade or of the increase of salary to a certain amount. Such duplicate action is taken by you in the appointment of clerks above the minimum and I think it would be advisable to follow similar procedure in the case of transfers.

I am, sir, your obedient servant,

E. D.SUTHERLAND, *Asst. A. G.*

The Secretary, Civil Service Commission.

DEPT. OF JUSTICE, February 12, 1919.

SIR,—Referring to your letter of the 3rd inst. in referrence to the authority of the Civil Service Commission under section 17 of the Civil Service Act, 1918, to make transfers involving promotions or increases of salary, I have the honour to enclose herewith copy of a letter of the 12th instant which I have

BUREAU DE L'AUDITEUR, 31 décembre 1918.

MONSIEUR,—Je viens de recevoir la vôtre du 26 courant, contenant copie d'une opinion légale venant du ministère de la Justice relativement à la question des permutations.

Si vous référez de nouveau à ma lettre du 17 courant, *re* la permutation de M. Willoughby, vous remarquerez que je ne conteste pas la légalité d'une permutation comportant une promotion ou une augmentation de salaire. Comme il est dit dans cette lettre, la section 17 traite des permutations, et la section 16, des promotions et des augmentations. D'après votre certificat, il apparaîtrait que tous ces changements pourraient être faits en vertu de la section 17. Dans mon opinion, la seule raison apparente pour mettre de côté la disposition contenue dans la loi de 1908 qui exige qu'une permutation doit être faite sans augmentation de salaire est, par le fait de l'insertion dans la loi de 1918, de cette partie de la section 16 qui se rapporte aux augmentations. Je demandais dans ma lettre que votre certificat établisse séparément votre approbation de l'un et de l'autre cas.

Le ministère de la Justice a-t-il reçu un exposé de mon objection à considérer cette permutation et cette augmentation comme relevant toutes deux de la section 17 ? Sinon, j'aimerais que ces deux points sur lesquels j'appuie spécialement dans ma lettre, leur fussent soumis.

En outre de l'interprétation légale de la loi, il y a son application pratique, et je considère qu'il serait désirable, au moins pour l'utilité de ce bureau, que les permutations, les promotions et les augmentations fussent traitées séparément.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *assis.-A. G.*

Au secrétaire de la Commission du Service civil.

BUREAU DE L'AUDITEUR, 17 décembre 1918.

MONSIEUR,—Quant à la question d'accorder une augmentation de salaire sur permutation, vous avez raison de dire que la loi de 1918, ne stipule pas que cette permutation devra être sans aucune augmentation de salaire. Elle ne dit pas non plus, qu'une augmentation pourra être donnée. La section 17 ne traite que des permutations. La section 16 traite des promotions et des augmentations. En autorisant une permutation, qui comporte en elle-même une promotion ou une augmentation, je dois demander que votre certificat établisse séparément que les commissaires approuvent la permutation ainsi que la promotion à une certaine classe, ou l'augmentation de salaire jusqu'à un certain montant. Vous avez recours à ce double procédé pour la nomination des commis au-dessous du minimum, et je crois qu'il serait désirable de suivre pareille procédure dans le cas des permutations.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *assis.-A.G.*

Au secrétaire de la Commission du Service civil.

MINISTÈRE DE LA JUSTICE, le 12 février 1919.

MONSIEUR,—Au sujet de votre lettre du 3 courant, concernant l'autorité que possède la Commission du Service civil en vertu de l'article 17 de la loi du Service civil, 1918, de faire des permutations comportant promotions ou augmentations de salaires, j'ai l'honneur de vous envoyer ci-inclus copie d'une lettre

addressed to the Secretary of the Civil Service Commission in reply to his letter of the 2nd ultimo drawing my attention to the exceptions urged in your letter to him of the 17th December last against the view that a transfer, authorized in accordance with the terms of section 17, may be effective to confer on the person transferred a promotion or increase of salary. This letter appears to answer the main point raised in your letter of the 3rd inst.

I may add, in reference to your suggestion that the interpretation acted upon by the Commission in the case of Mr. Burns practically ignores sections 15 and 16 of the Act, that I do not assent to this view for the reasons indicated in my letter of the 12th inst. to Mr. Foran.

In the last paragraph of your letter you ask:

"If it is permissible under the Act to transfer a clerk from 2-B in one department to 1-B in another department, would it not be possible under the same authority to transfer a clerk from one division to another in the same department without calling it a promotion?"

It is only necessary to observe, as to this, that the authority of the Commission under section 17 in regard to transfers, does not extend to authorizing a transfer from one position to another in the same department.

I am, sir, your obedient servant,

E. L. NEWCOMBE, *D. M. of Justice.*

The Assistant Auditor General.

JUSTICE DEPT., February 12, 1919.

SIR,—I have the honour to reply to your letter of the 2nd ultimo drawing my attention to the objections urged by the Auditor General against my opinion of the 21st December last in reference to the authority of the Commission, under section 17 of the Civil Service Act, 1918, to authorize a transfer which may incidentally involve a promotion or increase of salary for the person transferred.

The Auditor General points out that section 17, while it does not provide that a transfer shall be without any increase in salary, does not authorize an increase to be given. The section deals, he says, with transfers only, while section 16, on the other hand, deals with promotions and increases of salary. Upon these premises be bases a request that the Commission in authorizing a transfer which carries with it a promotion or increase of salary, should state in terms in their certificate that the Commissioners approve of the transfer and also the promotion to a specified grade or of the increase of salary to a specified amount.

I see no reason to alter or modify the opinion which I have already expressed. Section 17 authorizes the filling of a "vacancy" in a department by a transfer from the Inside to the Outside Service, or *vice versa,* in the same department or in different departments or in different branches of the Civil Service, upon the recommendation of the deputy head or heads concerned, as the case may be, with the approval of the head or heads of the department or departments affected and of the Commission."

My opinion of the 21st December last proceeded upon the view that "a vacancy" in the sense of section 17 connotes a position to which a specified rank and salary are incident, provided for in the organization of the Civil Service, as established in accordance with the directions contained in sections 9 and 52

du 12 courant que j'adressai au secrétaire de la commission du Service civil, en réponse à sa lettre du 2 du mois dernier, attirant mon attention sur les exceptions mentionnées dans la lettre que vous lui avez adressée le 17 décembre dernier s'opposant à ce qu'une permutation, autorisée conformément aux termes de l'article 17, puisse servir à conférer à la personne transférée une promotion ou une augmentation de salaire. Cette lettre paraît répondre au point principal soulevé dans votre lettre du 3 courant.

Je puis ajouter au sujet de votre suggestion que l'interprétation appliquée par la commission dans le cas de M. Burns ignore pratiquement les articles 15 et 16 de la loi, que je ne partage pas cette opinion pour les raisons indiquées dans ma lettre du 12 courant à M. Foran.

Dans le dernier paragraphe de votre lettre, vous demandez:

"S'il est permis en vertu de la loi de transférer un commis de la classe 2-B d'un ministère à la classe 1-B d'un autre ministère, ne serait-il pas possible en vertu de la même autorité de transférer un commis d'une division dans une autre du même ministère sans appeler cela une promotion?"

A ce propos, je n'ai qu'à faire remarquer que l'autorité de la commission au sujet des permutations en vertu de l'article 17 ne s'étend pas de manière à permettre une permutation d'une position à une autre dans le même ministère.

Je demeure, monsieur, votre obéissant serviteur,

E. L. NEWCOMBE, *sous-ministre de la Justice.*

A l'asssitant-Auditeur général.

MINISTÈRE DE LA JUSTICE, le 12 février 1919.

MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre du 2 du mois dernier attirant mon attention sur les objections soulevées par l'Auditeur général contre mon opinion du 21 décembre dernier concernant l'autorité que possède la commission, en vertu de l'article 17 de la loi du Service civil, de permettre une permutation qui peut incidemment inclure une promotion ou une augmentation de salaire pour la personne transférée.

L'Auditeur général démontre que l'article 17, tout en ne spécifiant pas de faire une permutation sans augmentation de salaire, n'autorise pas de donner une augmentation. L'article, dit-il, ne traite que des permutations, tandis que l'article 16, d'un côté, parle des promotions et augmentations de salaires. Sur ces prémisses, il base sa prétention que la commission en autorisant une permutation qui comporte une promotion ou une augmentation de salaire, devrait spécifiquement déclarer dans son certificat que les commissaires approuvent la permutation et aussi la promotion au grade spécifié ou l'augmentation de salaire au montant spécifié.

Je ne vois pas de raison de changer ou de modifier l'opinion que j'ai déjà exprimée. L'article 17 donne l'autorisation de remplir une "vacance" dans un ministère par une permutation du service intérieur au service extérieur, ou *vice versa*, dans le même ministère ou dans différentes divisions du service civil, sur la recommendation du sous-ministre ou des sous-ministres concernés, suivant le cas, avec l'approbation du chef ou des chefs du ministère ou des ministères affectés et de la commission."

Mon opinion du 21 décembre dernier découlait du point de vue que le terme "vacance", au sens de l'article 17, implique une position à laquelle sont attachés un grade et un salaire, prévue dans l'organisation du service civil, telle qu'établie con-

of the Civil Service Act, 1918; or, pending the reorganization of the Service under this Act, as established under the antecedent legislation; that a transfer authorized in accordance with the terms of section 17 will be effective to entitle the person transferred to the rank and salary of the position to which he is transferred, and may consequently involve, according to the circumstances of each case, a promotion or increase of salary for the person transferred. In any case where the transfer involves a promotion from one division or subdivision or grade to another, it is subject, as I pointed out in my letter of the 21st December last, to the limitation as to salary prescribed by section 12.

I am, sir, your obedient servant,

E. L. NEWCOMBE, *D. M. of Justice.*

The Secretary, Civil Service Commission.

AUDIT OFFICE, February 17, 1919.

SIR,—In your letter of the 12th instant, *re* transfers, you state that the authority of the Commission under section 17, does not extend to authorizing a transfer from one position to another in the same Department. Does section 17 permit the transfer of a clerk from the Inside Service of one Department to the Inside Service of another?

An exchange of positions may be made between two employees serving in different Departments, irrespective of whether Inside or Outside Service. Also a vacancy in a Department may be filled by a transfer from the Inside to the Outside Service or *vice versa*, but there appears to be no provision for transfers within either Services.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A. G.*

The Deputy Minister, of Justice.

(NOTE—No reply received on date of publication of Report.)

AUDIT OFFICE, February 17, 1919.

SIR,—I am in receipt of a copy of an opinion from the Deputy Minister of Justice, stating that he does not agree with my contention that the Commission in authorizing a transfer which carries with it a promotion or increase of salary, should state also that they approve of the promotion or increase of salary.

Apart from the legal aspects of the question, I would suggest that it would be advisable both from the standpoint of the Civil Service Commission and also of this Office which is closely connected with the Commission in regard to all changes in the Service, that the information above referred to should be included in the certificates.

It is important that the Commission should have accurate information on which to base their certificates. Recently there have been three transfers in which the information supplied to the Commission by the Departments,

formément aux termes des articles 9 et 52 de la loi du Service civil 1918; ou, en attendant la réorganisation du service en vertu de cette loi, telle qu'établie par la législation antérieure; qu'une permutation autorisée conformément aux termes de l'article 17 aura l'effet de conférer à la personne transférée le rang et le salaire de la position à laquelle elle est transférée, et peut par conséquent comprendre, suivant les circonstances de chaque cas, une promotion d'une division ou subdivision ou d'un grade à un autre, sujette, comme je l'ai dit dans ma lettre du 21 décembre dernier, à la limite prescrite pour le salaire dans l'article 12.

Je demeure, monsieur, votre obéissant serviteur,

E. L. NEWCOMBE, *sous-ministre de la Justice.*

Le secrétaire, Commission du Service civil.

BUREAU DE L'AUDITEUR, le 17 février 1919.

MONSIEUR,—Dans votre lettre du 12 courant au sujet des permutations, vous dites que l'autorité possédée par la commission en vertu de l'article 17 ne s'étend pas jusqu'à autoriser une permutation d'une position à une autre dans le même ministère. Est-ce que l'article 17 permet la permutation d'un commis du service intérieur d'un ministère au service intérieur d'un autre?

Un échange de positions peut être faite entre deux employés travaillant dans des ministères différents, que ce soit dans le service intérieur ou le service extérieur . Aussi une vacance dans un ministère peut être remplie par une permutation du service intérieur au service extérieur, ou *vice versa*, mais il ne paraît pas y avoir de clause pour les permutations dans l'un ou l'autre de ces services.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *assis.-A.G.*

Au sous-ministre de la Justice.

(Note.—Aucune réponse n'avait été reçue à la date de la publication du rapport.)

BUREAU DE L'AUDITEUR, le 17 février 1919.

MONSIEUR,—J'ai reçu une copie de l'opinion du sous-ministre de la Justice disant qu'il ne s'accorde pas avec moi pour dire que la commission, en autorisant une permutation qui comporte une promotion ou une augmentation de salaire devrait dire aussi que les commissaires approuvent la promotion ou l'augmentation de salaire.

A part le côté légal de la question je suggérerais comme procédure utile et pour la Commission du Service civil et pour le bureau de l'Auditeur, qui, au sujet de tous les changements dans le service est si étroitement lié à celui de la Commission, que le renseignement ci-dessus mentionné soit inclu dans les certificats.

Il est important que la commission possède des renseignements précis comme base de ses certificats. Récemment, il a été fait trois permutations pour lesquelles les renseignements fournis à la commission par les ministères étaient inexacts; et il peut se présenter d'autres cas dont nous n'avons pas connaissance.

has been incorrect; and there may be other cases of which we have no knowledge. On account of the handling of the pay lists this Office is in the best position to say whether that information is correct.

I have to request that the Commission again consider the advisability of furnishing this Office, when issuing the certificate of transfer, with the additional information that this transfer carries with it a promotion from a certain subdivision or an increase of salary from such an amount, where such conditions apply.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A. G.*

The Secretary, Civil Service Commission.

CIVIL SERVICE COMMISSION, February 20, 1919.

SIR,—I have your letter of the 17th instant with further reference to the question of a transfer which carries with it a promotion or increase of salary, and I am to state that while the Commissioners do not see the necessity of issuing a transfer certificate under both Sections 16 and 17 of the Civil Service Act, this office will be very glad to meet your wishes by furnishing you with the additional information required, when issuing a certificate of transfer.

I am, sir, your obedient servant,

W. FORAN, *Sec.*

The Asst. Auditor General.

Antedating Promotions.

AUDIT OFFICE, November 16, 1918.

SIR,—I am in receipt of your notification that the commissioners had approved of the changing of the date of the promotions of Messrs. Grattan, Gunton, Hill, and Lye from April 1, 1918, to June 1, 1917.

Under section 13 of the Civil Service Act, 1918, a clerk must serve a probationary term of six or twelve months, and only after he has served this probationary period can he be deemed to be permanently appointed. As these clerks were appointed on June 1, 1917, it does not appear clear to me how they can be considered eligible for promotion from the same date.

In addition, section 19 states that no payment shall be made for services in one fiscal year out of money voted for another. For that reason I will not be able to certify payment of any increases of salary to them from any date prior to the present fiscal year.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A. G.*

The Secretary, Civil Service Commission.

Le bureau de l'Auditeur est le plus en mesure de dire si les renseignements sont exacts ou non en ce qui concerne les chiffres des bordereaux de paie.

J'ai l'honneur de demander que la commission étudie encore une fois la plausibilité de fournir à ce bureau, en émettant un certificat de permutation, le renseignement additionnel que cette permutation comporte une promotion pour une certaine subdivision ou une augmentation de salaire pour un montant donné, suivant le cas.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *assis.-A.G.*

Au secrétaire de la Commission du Service civil.

COMMISSION DU SERVICE CIVIL, le 20 février 1919.

MONSIEUR,—J'ai reçu votre lettre du 17 courant avec nouvelle mention de la question des permutations comportant promotion ou augmentation de salaire, et j'ai l'honneur de vous dire que malgré que les commissaires ne voient pas la nécessité d'émettre un certificat en vertu des articles 16 et 17 de la loi du Service civil, ce bureau sera heureux de se rendre à vos désirs en vous fournissant le renseignement demandé, lors de l'émission d'un certificat de permutation.

Je demeure, monsieur, votre obéissant serviteur,

W. FORAN, *secrétaire.*

A l'assis.-Auditeur général.

Promotions antidatées.

BUREAU DE L'AUDITEUR, 16 novembre 1918.

MONSIEUR,—Je viens de recevoir votre avis que les commissaires ont approuvé le changement de la date des promotions de messieurs Grattan, Gunton, Hill et Lye, du 1er avril 1918 au 1er juin 1917.

En vertu de la section 13 de la loi du Service civil, 1918, un commis doit faire une période de stage de six ou douze mois, et il ne peut être considéré comme permanent qu'après avoir fait tel stage. Vu que ces commis furent nommés le 1er juin 1917, je ne vois pas bien comment ils pourraient être considérés comme éligibles à une promotion remontant à pareille date.

En outre, la section 19 stipule qu'aucun paiement ne doit être fait pour des services rendus dans un exercice financier à même les crédits votés pour un autre exercice financier. Pour cette raison, il me sera impossible de certifier le paiement d'aucune augmentation de salaire à ceux nommés à aucune date antérieure au présent exercice.

Je demeure, monsieur, votre obéissant serviteur.

E. D. SUTHERLAND, *assis.-A. G.*

Au secrétaire de la Commission du Service civil.

CIVIL SERVICE COMMISSION, November 26, 1918.

DEAR SIR,—Replying to your letter of the 16th instant with reference to the change made by the commission in the date of the promotions of Messrs. Gunton, Grattan, Hill, and Lye, in the Department of Trade and Commerce, I am now directed to lay the facts before you, as follows:—

The above-mentioned officers were appointed on the 1st June, 1917, under the regime of the Civil Service Commission composed of Messrs. Adam Shortt and M. G. LaRochelle. The commission held that the public analysts in the Department of Inland Revenue should be appointed permanently in subdivision "B" of the Second Division, at an initial salary of $1,300 per annum, and if their services proved satisfactory, promoted on the expiration of one year to subdivision "A" of the Second Division.

In October, 1917, the personnel of the Civil Service Commission changed and the new commissioners agreed to the appointment of the public analysts in subdivision "A" of the Second Division. Under this ruling, Mr. L. E. Johnston, who had been employed in a temporary capacity since July, 1917, was appointed permanently in January, 1918, in subdivision "A" of the Second Division at an initial salary of $1,600 per annum, thus giving him precedence over Messrs. Gunton, Grattan, Hill, and Lye, who were actually his seniors in the office.

In order to overcome this difficulty the Department of Trade and Commerce, on the recommendation of the Chief Analyst, made application to the commission for the change in the date of the promotion of these gentlemen in order to give them proper seniority in the office, and this change was agreed to by the Civil Service Commission for the reasons stated, although it was pointed out to the department that the arrears of salary, prior to the present fiscal year, could not be certified unless provided for in supplementary estimates.

Upon receipt of your letter of the 16th instant the matter was again taken up by the commissioners, and I am now directed to ask whether, in your opinion, it would be competent for the commission to cancel the certificates appointing Messrs. Gunton, Grattan, Hill, and Lye to subdivision "B" of the Second Division, at a salary of $1,300 per annum from the 1st June, 1917, and to issue new certificates appointing them from the same date to subdivision "A" of the Second Division at a salary of $1,600 per annum, provision for the additional salary to be made in supplementary estimates. It appears to the commission that these clerks are being unjustly treated, if obliged to retain their present status, and that the above would be the only way to overcome the difficulty.

Yours truly,

W. FORAN, *Sec.*

The Assistant Auditor General.

AUDIT OFFICE, November 28, 1918.

SIR,—In reply to yours of the 26th instant, in reference to the promotion of Messrs. Gunton, Grattan, Hill, and Lye, there can be no objection to the suggested action by the commission if it is supplemented by the necessary provision in the Supply Bill.

An item to read somewhat as follows will cover the requirements: "To provide for the appointment of Messrs. Gunton, Gratton, Hill, and Lye as clerks in Division 2A from 1st June, 1917."

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A. G.*

The Secretary, Civil Service Commission.

COMMISSION DU SERVICE CIVIL, 26 novembre 1918.

CHER MONSIEUR,—En réponse à votre lettre du 16 courant relativement au changement fait par la Commission, de la date des promotions de messieurs Gunton, Grattan, Hill et Lye, du ministère du Commerce, j'ai reçu instruction de vous soumettre les faits suivants:—

Les fonctionnaires ci-dessus mentionnés ont été nommés le 1er juin 1917, alors que la Commission du Service civil était composée de messieurs Adam Shortt et M. G. LaRochelle. La Commission avait décidé que les analystes publics du ministère du Revenu de l'intérieur seraient nommés permanents dans la subdivision «B» de la deuxième division, au salaire initial de $1,300 par année, et si leurs services étaient jugés satisfaisants, qu'ils seraient promus, à la fin d'une année, à la subdivision «A» de la deuxième division.

En octobre 1917, le personnel de la Commission du Service civil a été changé, et les nouveaux commissaires ont consenti à la nomination d'analystes publics dans la subdivision «A» de la deuxième division. En vertu de cette décision, M. L. E. Johnston, qui était employé comme temporaire depuis juillet 1917, fut nommé permanent en janvier 1918, dans la subdivision «A» de la deuxième division, au salaire initial de $1,600 par année, lui donnant ainsi préséance sur messieurs Gunton, Grattan, Hill et Lye, qui étaient alors ses doyens dans le bureau.

Dans le but d'obvier à cette difficulté, le ministère du Commerce, sur recommendation de l'analyste en chef, a fait demande à la Commission de changer la date de la promotion de ces messieurs, dans le but de leur donner le rang de séniorité dans le bureau, et ce changement a été accepté par la Commission du Service civil, pour les raisons mentionnées, bien que le ministère fût averti que les arrérages de salaire antérieurs au présent exercice financier ne pouvaient être certifiés, à moins d'être votés dans les crédits supplémentaires.

Sur réception de votre lettre du 16 courant, le cas fut reconsidéré par les commissaires, et j'ai reçu instruction de demander, si dans votre opinion, la Commission a la compétence voulue pour annuler les certificats nommant messieurs Gunton, Grattan, Hill et Lye dans la subdivision «B» de la deuxième division, au salaire de $1,300 par année, à compter du 1er juin 1917, et pour émettre de nouveaux certificats les nommant depuis telle date dans la subdivision «A» de la deuxième division, au salaire de $1,600 par année, si des crédits supplémentaires étaient votés pour salaire additionnel. Il semble à la Commission que ces commis sont injustement traités, s'ils sont obligés de rester dans l'état actuel, et que ce qui est dit ci-dessus serait le seul moyen d'obvier à la difficulté.

Bien à vous,

A l'assis.-Auditeur général. W. FORAN, *secrétaire.*

BUREAU DE L'AUDITEUR, 28 novembre 1918.

MONSIEUR,—En réponse à votre faveur du 26 courant au sujet de la promotion de messieurs Gunton, Grattan, Hill et Lye, il n'y a aucune objection au but suggéré par la Commission s'il est appuyé par les dispositions nécessaires du bill des subsides.

Un item se lisant à peu près comme suit couvrirait les exigences: "Pour subvenir aux appointements de messieurs Gunton, Grattan, Hill et Lye comme commis dans la division 2A depuis le premier juin 1917."

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *assis.-A. G.*

Appointments and Promotions.

AUDIT OFFICE, October 15, 1918.

SIR,—I am in receipt of your notification certifying that the commissioners had approved of the promotion of E. H. Scammell to the position of Assistant Deputy Minister and Secretary of the Department of Soldiers' Civil Re-Establishment.

Under what section of the Civil Service Act is this promotion made? Section 16 provides for promotions, but applies only to those who hold positions under the Civil Service Act. Mr. Scammell held no position under that Act, but was employed under the War Appropriation Act.

Please furnish me with a copy of the certificate issued to that department.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A. G.*

The Secretary, Civil Service Commission.

CIVIL SERVICE COMMISSION, October 16, 1918.

SIR,—Replying to your letter of the 15th instant, I am enclosing, herewith, a copy of the certificate which was issued by the commission for the promotion of E. H. Scammell to the position of Assistant Deputy Minister and Secretary of the Department of Soldiers' Civil Re-Establishment. I find on looking up the file that the commissioners approved of Mr. Scammell's promotion under the provisions of section 16 of the Civil Service Act, 1918, but I quite agree with your contention that Mr. Scammell had no status under the Civil Service Act, and could not, therefore, be promoted. In my opinion, the only procedure which could be followed would be to make an appointment under the provisions of section 15 of the Act to the newly created Department of Soldiers' Civil Re-Establishment, which now forms part of the regular Civil Service. I shall be glad to re-open the matter with the commissioners, if you so desire.

I am, sir, your obedient servant,

W. FORAN, *Sec.*

The Asst. Auditor General.

AUDIT OFFICE, October 18, 1918.

SIR,—I consider it advisable that a proper certificate be issued in the case of the appointment of the Assistant Deputy Minister of the Soldiers' Civil Re-Establishment.

I am, sir, Your obedient servant,

The Secretary, Civil Service Commission.

Nominations et Promotions.

BUREAU DE L'AUDITEUR, 15 octobre 1918.

MONSIEUR,—J'accuse réception de votre avis certifiant que les commissaires ont approuvé la promotion de E. H. Scammell à la position d'assistant sous-ministre et secrétaire du ministère du Rétablissement des Soldats dans la vie civile.

En vertu de quelle section de la loi du Service civil cette promotion est-elle faite? La section 16 pourvoit aux promotions, mais elle s'applique seulement à ceux qui remplissent des fonctions selon la loi du Service civil. M. Scammell n'occupe aucune fonction en vertu de cette loi, mais il était employé en vertu de la loi d'Appropriations de guerre.

S'il vous plaît me fournir une copie du certificat émis à ce ministère.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *assis.-A. G.*

Au secrétaire de la Commission du Service civil.

COMMISSION DU SERVICE CIVIL, 16 octobre 1918.

MONSIEUR,—En réponse à votre honorée lettre du 15 courant, je vous inclus dans la présente, une copie du certificat émis par la Commission pour la promotion de E. H. Scammell à la position d'assistant sous-ministre et secrétaire du ministère du Rétablissement des soldats dans la vie civile. Je trouve en examinant le dossier que les commissaires ont approuvé la promotion de M. Scammell en vertu des dispositions de la section 16 de la loi du Service civil, 1918; mais je concours avec vous dans votre interprétation que M. Scammell n'a pas de droits en vertu de la loi du service civil, et ne peut pas, en conséquence, être promu. Suivant moi, la seule procédure à suivre serait de faire une nomination en vertu des dispositions de la section 15 de la loi pour le nouveau ministère créé pour le Rétablissement des soldats dans la vie civile, qui fait maintenant parti du Service civil régulier. Je serai heureux de rappeler cette affaire devant les commissaires si vous le désirez.

Je demeure, monsieur, votre obéissant serviteur,

W. FORAN, *secrétaire.*

A l'assis.-Auditeur général.

BUREAU DE L'AUDITEUR, 18 octobre 1918.

MONSIEUR,—Je considère qu'il serait préférable qu'un certificat régulier fut émis dans le cas de la nomination de l'assistant sous-ministre du Rétablissement des soldats dans la vie civile.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *assis.-A. G.*

AUDIT OFFICE, December 28, 1918.

SIR,—I am in receipt of a certificate from the Civil Service Commission appointing Mr. J. C. Wood, as accountant at the Welland canal, with the rank of grade "E" of the First Division.

This classification applies only to the Inside Service, and I do not see how the position of accountant at the Welland canal can be considered as in the Inside Service as defined by the Civil Service Act.

I am, sir, your obedient servant,

WM. KEARNS, for *Asst. A. G.*

The Secretary, Civil Service Commission.

CIVIL SERVICE COMMISSION, December 30, 1918.

SIR,—Replying to your letter of the 28th December, with reference to the certificate appointing Mr. J. C. Wood, as accountant in the Welland canal, I am instructed to say that until the classification of the Outside Service has been finally prepared and approved by council, it is not the intention to classify permanent positions in the Outside Service in terms of the grading set forth in the Civil Service Act, 1918. An amended certificate in the case of Mr. Wood will therefore be prepared and a copy furnished you in due course.

Yours truly,

W. FORAN, *Sec.*

The Auditor General.

AUDIT OFFICE, February 3, 1919.

SIR,—Certain appointments have been made by the commission at salaries in excess of those at which the positions were advertised. The position of an artist in the Exhibits and Publicity Branch of the Department of Trade and Commerce was advertised at an initial salary of $1,300 per annum. The position was filled by the appointment thereto of E. S. Turnbull at a salary of $1,400. Under what section of the Act is he appointed at a salary in excess of that at which the position was advertised?

The position of still photographer in the Department of Trade and Commerce was advertised at an initial salary of $1,200. It has been announced in the *Canada Gazette* that the position has been filled by the appointment of W. S. Carter at a salary of $1,600, although no certificate has been received at this office covering the appointment.

Please state in this case also the authority for appointing him at a salary other than that at which the position was advertised.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A. G.*

The Secretary, Civil Service Commission.

BUREAU DE L'AUDITEUR, 28 décembre 1918.

MONSIEUR,—Je reçois un certificat de la Commission du Service civil nommant M. J. C. Wood, comme comptable au canal Welland dans le grade "E" de la première division.

Cette classification ne s'applique qu'au service intérieur et je ne vois pas que la position de comptable au canal Welland puisse être considérée du service intérieur tel que défini par la loi du Service civil.

Je demeure, monsieur, votre obéissant serviteur,

WM. KEARNS, *pour l'assis. A. G.*

Au secrétaire de la Commission du Service civil.

COMMISSION DU SERVICE CIVIL, 30 décembre 1918.

MONSIEUR,—En réponse à votre honorée lettre du 28 décembre au sujet du certificat nommant M. J. C. Wood, comptable au canal Welland, j'ai reçu instruction de vous dire que, jusqu'à ce que la classification du service extérieur ait été définitivement préparée et approuvée par le conseil, on n'a pas l'intention de classifier les emplois permanents du service extérieur aux termes des grades établis par la loi du Service civil, 1918. Un certificat amendé dans le cas de M. Wood va être préparé et une copie vous sera fournie en temps opportun.

Bien à vous,

W. FORAN, *secrétaire.*

A l'Auditeur général.

BUREAU DE L'AUDITEUR, 3 février 1919.

MONSIEUR,—Certaines nominations ont été faites par la Commission à des salaires plus élevés que ceux annoncés pour ces positions. L'emploi d'un artiste pour la division des spécimens et de la publicité au ministère du Commerce a été annoncé au salaire initial de $1,300 par an. La position a été remplie par la nomination de E. S. Turnbull au salaire de $1,400. En vertu de quelle section de la loi a-t-il été nommé à un salaire excédant celui annoncé?

La position de photographe au ministère du Commerce a été annoncée au salaire initial de $1,200. Il a été annoncé dans la *Gazette du Canada*, que la position a été remplie par la nomination de W. S. Carter au salaire de $1,600, bien qu'aucun certificat ait été reçu à ce bureau mentionnant cette nomination.

S'il vous plaît à ce sujet indiquer aussi en vertu de quelle autorité il lui a été accordé un salaire autre que celui annoncé pour cette position.

Je demeure, monsieur, votre obéissant serviteur,

E. S. SUTHERLAND, *assis.-A. G.*

Le secrétaire, Commission du Service civil.

CIVIL SERVICE COMMISSION, February 6, 1919.

SIR,—Replying to your letter of the 3rd instant, with reference to the appointment of Messrs. E. S. Turnbull and W. S. Carter, the following statements may be made.

After the position of artist in the Exhibits and Publicity Branch of the Department of Trade and Commerce had been advertised, it was realised that the salary of $1,300 which was offered by the department could not possibly be compassed by any classification of the position in one of the new grades, even with the maximum addition to the minimum salary ($200) provided for by section 11. The Civil Service Commission therefore communicated with the Department, and explained that the appointment must be made at either $1,200 in Grade F or $1,400 in Grade E of the First Division, and upon the recommendation of the Department Mr. Turnbull was appointed to the latter grade.

As regards Mr. Carter, I may say that the position of Still Photographer in the Department of Trade and Commerce was advertised on the 12th September at a salary of $1,200. It was found that a suitable man could not be secured for this amount, and on the 31st October the position was re-advertised at $1,600. Mr. Carter's appointment was made as a result of this second advertisement.

The Commissioners admit that it is not often advisable to make an appointment at a salary in excess of that at which the position was advertised, but they find nothing in the Act to prevent such action if recommended by the Department. I am therefore directed to ask for your reason for questioning the above-mentioned appointments.

I am, sir, your obedient servant,

W. FORAN, *Sec.*

The Assistant Auditor General.

AUDIT OFFICE, February 10. 1919.

SIR,—In reply to yours of the 6th instant, *re* the appointment of Messrs. Turnbull and Carter, I have to state that the question was raised by me, because these appointments did not appear to me to have been made in compliance with the Civil Service Act.

Under the Act, "appointments to positions in the Civil Service shall be by competitive examination." The advertisement of the position filled by the appointment of Mr. Turnbull, was advertised in accordance with the Act at $1,300 but the position of $1,400 was never so advertised and in that respect was not in reality a competitive examination for that position. Had the position been advertised as subsequently filled at $1,400 a larger list of competitors might have been secured with the possibility of a better selection.

Payment of Mr. Turnbull's salary has been made in accordance with your certificate, but I do not think that it was in a legal sense strictly in accord with the Act.

Your statement in regard to Mr. Carter's position, I find to be correct.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A. G.*

The Secretary, Civil Service Commission.

COMMISSION DU SERVICE CIVIL, le 6 février 1919.

MONSIEUR,—En réponse à votre lettre du 3 courant, au sujet de la nomination de MM. E. S. Turnbull et W. S. Carter, j'ai l'honneur de vous faire la déclaration suivante:

Après la publication des annonces demandant un photographe pour les exhibits du service de la Publicité du ministère du Commerce, on s'est aperçu que le salaire de $1,300 offert par le ministère ne pouvait être placé par aucune classification dans l'un des nouveaux grades, même avec l'addition maximum au salaire minimum ($200) pourvue dans l'article 11. C'est pourquoi la Commission du Service civil s'est mise en communication avec le ministère, et a expliqué que la nomination devait être faite soit à $1,200 dans le grade F, ou à $1,400 dans le grade E de la première division; et sur la recommandation du ministère, M. Turnbull a été nommé à ce dernier grade.

En ce qui concerne M. Carter, je puis dire que la position de photographe au ministère du Commerce, a été annoncée vacante le 12 septembre avec salaire de $1,200. On a trouvé qu'il serait impossible d'avoir un homme compétent pour ce salaire, et le 31 octobre la position a été de nouveau annoncée avec salaire de $1,600. La nomination de M. Carter a été faite comme résultat de cette deuxième annonce.

Les commissaires admettent qu'il n'est pas souvent désirable de faire une nomination avec salaire excédant celui spécifié dans l'annonce, mais ils ne trouvent rien dans la loi pour les empêcher d'agir ainsi sur la recommandation du ministère. C'est pourquoi j'ai reçu instruction de vous demander les raisons que vous avez de vous informer des nominations ci-haut mentionnées.

Je demeure, monsieur, votre obéissant serviteur,

W. FORAN, *secrétaire.*

A l'assistant-A.-G.

BUREAU DE L'AUDITEUR, le 10 février 1919.

MONSIEUR,—En réponse à la vôtre du 6 courant, *re* la nomination de MM. Turnbull et Carter, je dois vous dire que la question a été soulevée par moi parce que ces nominations ne me paraissent pas avoir été faites en conformité avec la loi du Service civil.

D'après la loi, "les nominations dans le service civil doivent être faites par examen de concours". L'annonce de la position remplie par M. Turnbull a été faite en conformité avec la loi à $1,300, mais la position à $1,400 n'a jamais été annoncée comme telle, et sous ce rapport il n'y a pas eu en réalité d'examen de concours pour cette position Si la position avait été annoncée telle qu'elle a été remplie plus tard à $1,400 il y aurait eu plus de candidats et peut-être que le choix eut été meilleur.

Le paiement du salaire de M. Turnbull a été fait en conformité avec votre certificat, mais je ne pense pas que cela soit légal au sens trict de la loi.

Je trouve satisfaisante votre déclaration à propos de la position de M. Carter.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *assis.-A.G.*

Au secrétaire de la Commission du Service civil.

Payments in addition to Regular Salary.

CIVIL SERVICE COMMISSION, January 2, 1919.

This is to certify that the commissioners have approved of Mr. J. L. K. Laflamme being paid $50 per month by the Bureau of Public Information, to which bureau he has been loaned by the Post Office Department, in addition to the salary he is still drawing from the Post Office Department, to date from the 1st October, 1918.

W. FORAN, *Sec.*

The Auditor General.

AUDIT OFFICE, January 7, 1919.

SIR,—I am in receipt of your certificate approving of the payment of $50 per month by the Bureau of Public Information to Mr. J. L. K. Laflamme, in addition to the salary drawn by him from the Post Office Department.

As Mr. Laflamme is being paid a salary of $2,700 as a clerk in the Post Office Department, I am of the opinion that under section 22 of the Civil Service Act, no additional salary shall be paid him for any additional services he may perform unless such additional salary has been specially approved by Parliament.

If it is considered that this additional salary is covered by the exception stated in this section, please furnish me with a copy of the opinion of the deputy head concurred in by the commission that the aggregate salaries do not exceed reasonable compensation for all the duties so performed.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A. G.*

The Secretary, Civil Service Commission.

CIVIL SERVICE COMMISSION, January 11, 1919.

SIR,—Referring to your letter of the 7th instant, I enclose, herewith, copy of the declaration *re* Mr. J. L. K. Laflamme which the commission has received from the Department of Public Information.

I am, sir, your obedient servant,

W. FORAN, *Sec.*

The Asst. Auditor General.

OTTAWA, ONT., January 10, 1919.

Declaration re Mr. J. L. K. Laflamme.

With regard to the payment to J. L. K. Laflamme, loaned to this department by the Post Office Department, of $50 per month in addition to the $2,700 per year paid him by the latter, I am of opinion that the aggregate salaries do not exceed reasonable compensation for the work performed by him. The aggregate salaries represent the amount paid Mr. Laflamme as Private Secretary

Paiement en plus du salaire régulier.

COMMISSION DU SERVICE CIVIL, 2 janvier 1919.

Ceci est pour certifier que les commissaires ont approuvé le paiement de $50 par mois à M. J. L. K. Laflamme, par le bureau de Renseignements Publics, pour ses services prêtés par le ministère des Postes, en plus du salaire qu'il reçoit encore du ministère des Postes, depuis le premier octobre 1918 jusqu'a cette date.

W. FORAN, *secrétaire.*

L'Auditeur général.

BUREAU DE L'AUDITEUR, 7 janvier 1919.

MONSIEUR,—J'accuse réception de votre certificat approuvant le paiement de $50 par mois fait par le bureau de Renseignements Publics à M. J. L. K. Laflamme, en plus du salaire retiré par lui du ministère des Postes.

Vu qu'on paye à M. Laflamme un salaire de $2,700 comme commis au ministère des Postes, je suis d'opinion qu'en vertu de la section 22 de la loi du Service civil, aucun salaire additionnel ne peut lui être payé pour aucun service supplémentaire qu'il peut rendre à moins que telle augmentation de salaire n'ait été spécialement approuvée par le Parlement.

Si on considère que cette augmentation de salaire est permise par l'exception mentionnée dans cette section, vous voudrez bien me fournir une copie de l'opinion donnée par le sous-chef, et adoptée par la Commission, que les salaires réunis n'excèdent pas la compensation raisonnable pour tous les devoirs ainsi remplis.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *assis.-A.G.*

Le secrétaire, Commission du Service civil.

COMMISSION DU SERVICE CIVIL, 11 janvier 1919.

MONSIEUR,—Référant à votre honorée du 7 courant, je vous inclus dans la présente une copie de la déclaration du service de Renseignements Publics, reçue par la Commission au sujet de M. J. L. K. Laflamme.

Je demeure, monsieur, votre obéissant serviteur,

W. FORAN, *secrétaire.*

L'ass.-Auditeur général.

OTTAWA, ONT., le 10 janvier 1919.

Déclaration au sujet de M. J. L. K. Laflamme.

Au sujet du paiement à J. L. K. Laflamme, dont les services ont été prêtés à ce département par le ministère des Postes, d'une somme de $50 par mois en sus des $2,700 par année qu'il reçoit de ce dernier, je suis d'opinion que la somme totale des appointements ne dépasse pas une compensation raisonnable pour le travail qu'il fait. Le total des appointements représente le montant payé

to the Postmaster General. Mr. Laflamme's work in this department includes the editing of the French edition of the Canadian Official Bulletin, preparation of daily digests (in English) of the French Canadian press, general translation work, and certain outside assignments in connection with news gathering for the Official Record. Mr. Laflamme's duties require him to do a very considerable amount of night work in addition to regular office hours.

M. E. NICHOLS, *Director, Public Information.*

AUDIT OFFICE, January 7, 1919.

SIR,—Mr. J. L. K. Laflamme is being paid as a 1B Clerk in your Department at a salary of $2,700. I am in receipt to-day of a certificate from the Civil Service Commission approving of his being paid from 1st October last, an additional $50 per month by the Public Information Bureau, to which he had been loaned by your department. Under section 22 of the Civil Service Act, such additional salary may not be paid without the special authority of Parliament, unless the deputy head is of the opinion that such aggregate salaries do not exceed reasonable compensation. Please furnish me with a copy of your opinion to that effect.

I am informed that Mr. Laflamme has been absent from your department for some time. If this is correct, please state the date on which he was granted leave and furnish me with a copy of the order in council granting same.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A. G.*

The Deputy Postmaster General.

POST OFFICE DEPARTMENT, January 20, 1919.

SIR,—I beg to acknowledge your letter of the 7th instant, stating that you are in receipt of a certificate from the Civil Service Commission, approving of Mr. J. L. K. Laflamme being paid from the 1st of October last an additional $50 per month by the Public Information Bureau, to which he has been loaned by this department. You state that, under section 22 of the Civil Service Act, an additional salary may not be paid without the special authority of Parliament unless the deputy head is of the opinion that such aggregate salaries do not exceed reasonable compensation.

In reply I beg to say that Mr. Laflamme was, on the 1st of October last, loaned to the Bureau of Public Information, and has since that date been engaged entirely with duties appertaining to that office, although he draws his salary from this department. I am, therefore, not in a position to say whether the proposed aggregate salaries would exceed reasonable compensation for Mr. Laflamme's services, and am of the opinion that this information should be obtained from the Director of Public Information.

As regards your enquiry, I may say that Mr. Laflamme was granted four months' leave of absence from the 30th of May last, on account of ill health.

à M. Laflamme comme secrétaire privé du Directeur général des Postes. Le travail de M. Laflamme dans ce département comprend le travail d'édition de la version française du Bulletin officiel canadien, la préparation de résumés quotidiens (en anglais) de la presse canadienne-française, le travail général de traduction et certains travaux à l'extérieur dans le but de recueillir des renseignements pour le Bulletin officiel. Les devoirs assignés à M. Laflamme nécessitent de sa part un montant considérable de travail de nuit en sus des heures régulières de bureau.

M. E. NICHOLS, *directeur de l'Information.*

BUREAU DE L'AUDITEUR, le 7 janvier 1919.

MONSIEUR,—On paie à M. J. L. K. Laflamme, comme commis 1B de votre ministère, des appointements de $2,700 par année. Je reçois aujourd'hui un certificat de la Commission du Service civil approuvant un paiement de $50 par mois par le service de l'Information de la date du premier octobre dernier, au même M. Laflamme, dont les services ont été prêtés par votre ministère. En vertu de la section 22 de la loi du Service civil, ces appointements additionnels ne peuvent être payés sans une autorisation spéciale du parlement, à moins que le sous-ministre ne soit d'opinion que le total des appointements ne dépasse pas une compensation raisonnable. Veuillez me donner votre opinion à ce sujet.

Je suis informé que M. Laflamme a été absent de votre ministère pendant quelque temps. S'il en est ainsi, veuillez me dire à quelle date il a eu la permission de s'absenter et me donner une copie de l'arrêté en conseil accordant cette permission.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *assis.-A. G.*

Au sous-ministre des Postes.

MINISTÈRE DES POSTES, OTTAWA, le 20 janvier 1919.

MONSIEUR,—J'accuse réception de votre lettre du 7 courant, disant que vous avez reçu un certificat de la Commission du Service civil approuvant le paiement additionnel à M. J. K. L. Laflamme, de $50 par mois, par le service de l'Information, auquel ses services ont été prêtés par ce ministère à partir du premier octobre dernier. Vous dites qu'en vertu de la section 22 de la loi du Service civil, aucun appointement additionnel ne peut être payé sans une autorisation spéciale du parlement, à moins que le sous-ministre ne soit d'opinion que le total des appointements payés ne dépasse pas une compensation raisonnable.

En réponse, je dois vous dire que les services de M. Laflamme ont été prêtés au premier octobre dernier au service de l'Information et qu'il a été depuis occupé entièrement aux devoirs qui relèvent de ce bureau, bien qu'il retire ses appointements ordinaires de ce ministère. Je ne suis donc pas en position de dire si le total proposé des appointements dépasse une compensation raisonnable pour les services de M. Laflamme, et je suis d'opinion qu'il faudrait avoir ce renseignement du directeur de l'Information.

Pour votre autre demande de renseignement, je puis vous dire que M. Laflamme a eu la permission de s'absenter pendant quatre mois à partir du 30 mai, pour raison de mauvaise santé, sous deux arrêtés en conseil dont vous trouverez copies ci-incluses. A l'expiration de cette période, ses services ont été prêtés au service de l'Information, mais il continue à retirer ses appointements de ce ministère.

At the expiration of that leave, he was loaned to the Bureau of Public Information, but he still continues to draw his salary from this department.

I may add that while Mr. Laflamme was with this department, he was private secretary to the Postmaster General, and was in consequence entitled to the private secretary's special allowance of $600 a year, which is provided in the estimates, but it has not, of course, been possible to pay this amount to Mr. Laflamme since he ceased to perform the duties of private secretary.

Sincerely yours,

R. M. COULTER, *D. P. M. G.*

The Auditor General.

AUDIT OFFICE, January 20, 1919.

SIR,—I have received from the Civil Service Commission a certificate giving their approval to the payment of $50 a month to Mr. J. L. K. Laflamme by the Bureau of Public Information (to which he has been loaned by the Post Office Department) in addition to his departmental salary of $2,700 a year, to take effect from the 1st October, 1918; also a copy of your declaration that the combined amounts do not exceed reasonable compensation for Mr. Laflamme's services.

My reading of the latter part of section 22, Civil Service Act, 1918, leads me to think that it does not sanction a payment of this nature.

The section distinctly forbids a payment additional to an employee's salary, without the special authority of Parliament, bŭt contains the following proviso:—

> "Provided, however, that nothing in this section is intended to prohibit the payment to any officer, clerk or employee of a separate annual salary from each of two or more departments or distinct branches of the civil service in respect of separate duties performed for each of such departments or branches respectively, if one of such salaries is not sufficient to compensate him for his whole time, and if the aggregate salaries do not, in the opinion of the deputy head, concurred in by the Commission, exceed reasonable compensation for the discharge of all the duties so performed;"

This clause contemplates continuous, not temporary, employment, and provides that an officer whose duties in one department are not onerous enough to demand all his time, may devote the rest of it to another department, and draw a separate salary.

This frequently happens to be the case in small places where a man can act in a dual capacity—say, for instance, in the Customs and Inland Revenue Departments—with economy to the Government.

Mr. Laflamme is presumably performing no duties for the Post Office Department.

Does your certificate mean that the combined payment does not exceed reasonable compensation for the work he performs for your office alone?

There have been cases where a man of one department has been loaned to another but his salary has been assumed by the one for which he has been working temporarily. If Mr. Laflamme is devoting all his time to your work, I can see no reason why more than three-fourths of his salary should be charged to the Post Office Department. Your office should assume the whole obligation.

The additional payment of $50 a month can, in my opinion, be legalized only by the special authority of Parliament.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A. G.*

The Director of Public Information.

Je puis ajouter que pendant que M. Laflamme était au service de ce ministère, c'était à titre de secrétaire privé du ministre des Postes, et qu'il avait par conséquent droit de retirer l'allocation spéciale de $600 par année, mais il n'a pas été possible de payer ce montant à M. Laflamme, vu qu'il a cessé de remplir les devoirs de secrétaire privé.

Bien à vous,

R. M. COULTER, *sous-ministre des Postes.*

A l'Auditeur général.

BUREAU DE L'AUDITEUR, le 20 janvier 1919.

MONSIEUR,—J'ai reçu de la Commission du Service civil un certificat approuvant le paiement de $50 par mois à M. J. K. L. Laflamme, par le service de l'Information (auquel ses services ont été prêtés par le ministère des Postes) en sus de ses appointements ordinaires de $2,700 par année, de la date du premier octobre 1918; aussi une copie de votre déclaration que les montants combinés ne dépassent pas une compensation raisonnable pour les services de M. Laflamme.

Mon interprétation de la dernière partie de la section 22 de la loi du Service civil, 1918, me porte à croire qu'elle ne sanctionne pas un paiement de cette nature.

Cette section défend formellement tout paiement additionnel au salaire d'un employé sans l'autorisation spéciale du parlement, mais contient le proviso suivant:—

"Néanmoins, rien dans le présent article n'a pour objet d'interdire le paiement à un fonctionnaire, commis ou employé, d'appointements distincts annuels par deux ou plusieurs ministères ou branches distinctes du Service civil, pour des fonctions séparées remplies pour chacun de ces ministères ou de ces branches respectivement, si l'un de ces traitements ne suffit pas à l'indemniser de son temps tout entier, et si le total des appointements ne dépasse pas dans l'opinion du sous-chef, avec l'agrément de la Commission, une indemnité raisonnable pour l'accomplissement de toutes les fonctions ainsi remplies."

Cette clause est destinée à couvrir un travail continue, et non temporaire, et pourvoit à ce qu'un officier dont les devoirs sous un ministère ne sont pas suffisants pour exiger tout son temps, puisse consacrer le reste de ce temps au bénéfice d'un autre ministère et retirer un traitement séparé.

Ce cas se présente souvent pour les petites positions où un homme peut agir sous deux fonctions, par exemple, pour les ministères des Douanes et du Revenu de l'Intérieur, avec économie pour le gouvernement.

On présume que M. Laflamme ne fait actuellement aucun travail pour le ministère des Postes.

Est-ce que votre certificat signifie que le paiement combiné n'excède pas une compensation raisonnable pour le travail fait dans votre bureau seulement? Il s'est présenté des cas où un homme sous un ministère a consacré ses services au profit d'un autre ministère, mais ses appointements ont été mis à charge du ministère pour lequel il était appelé à travailler temporairement. Si M. Laflamme consacre tout son temps au travail de votre bureau, je ne vois pas de raison pour que les trois quarts de ses appointements soient payés par le ministère des Postes. Votre bureau doit en prendre totalement la responsabilité.

Le paiement additionnel de $50 par mois ne peut, dans mon opinion, être légalisé que par une autorisation spéciale du parlement.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *assis.-A. G.*

Au directeur de l'Information.

AUDIT OFFICE, January 20, 1919.

SIR,—I have your certificate dated 2nd January, of the commissioners' approval to the payment of $50 a month to Mr. J. L. K. Laflamme of the Post Office Department, by the Bureau of Public Information to which he has been loaned, dating from the 1st October, 1918; also the copy of the declaration of Mr. Nichols, Director of Public Information, that the combined salaries do not exceed reasonable compensation for the work performed by him.

I enclose for your information copy of a letter I have sent to Mr. Nichols, in which I express the view that the action taken in this matter is not in accord with section 22, Civil Service Act, 1918.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A. G.*

The Secretary, Civil Service Commission.

DEPARTMENT OF PUBLIC INFORMATION, January 28, 1919.

DEAR SIR,—I have taken careful note of your letter of the 20th inst., in which you question the propriety of a payment of $50 a month to Mr. J. L. K. Laflamme by this department in addition to the salary of $2,700 a year he receives from the Post Office Department.

The section you quote would appear to justify your questioning of the payment of this amount, provided employment for an indefinite period may be properly termed temporary employment, and provided also that the various duties performed by Mr. Laflamme may not be regarded as " distinct branches of the Civil Service."

Mr. Laflamme came to this department to edit the French edition of the Canadian Official Record, and such other duties as might be assigned to him. There was an understanding that this department would make good the $50 a month which he forfeited by reason of the transfer. In making that arrangement I was satisfied, as I am now, that the combined amounts do not exceed reasonable compensation for his services.

The editing of the Canadian Official Record (French edition) is in itself an important and exacting duty. Mr. Laflamme does a considerable part of the translation himself. In addition, he prepares, in English, a summary of the French Canadian Press for the Daily Digest of News and opinion prepared daily for the use of the members of the Cabinet, by the Reference Branch of this department. He translates for the French press the publicity prepared by this department for the National War Savings Committee, and attends to French correspondence of the department.

These numerous duties require Mr. Laflamme to return to the office almost every night. Mr. Laflamme asks me to submit for your consideration his understanding that an analogous case is to be found in the Inland Revenue Department, where it has been the practice, for reasons of economy to pay men from different branches as, for instance, an inspector of weights and measures paid as such an additional salary as food inspector or preventive officer.

BUREAU DE L'AUDITEUR, le 20 janvier 1919.

MONSIEUR,—J'ai reçu votre certificat du 2 janvier donnant l'approbation des commissaires au sujet du paiement de $50 par mois à M. J. L. K. Laflamme, par le service de l'Information auquel ses services ont été prêtés de la date du premier octobre 1918; aussi copie de la déclaration de M. Nichols, directeur de l'Information, que les appointements combinés ne dépassent pas une compensation raisonnable pour le travail fourni par lui.

Je vous envoie ci-inclus copie d'une lettre que j'ai expédiée à M. Nichols, dans laquelle j'exprime l'opinion que le procédé suivi n'est pas en conformité de l'article 22 de la loi du Service civil, 1918.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *assis.-A. G.*

Au secrétaire de la Commission du Service civil.

SERVICE DE L'INFORMATION, le 28 janvier 1919.

CHER MONSIEUR,—J'ai étudié attentivement votre lettre du 20 courant dans laquelle vous mettez en doute la légalité d'un paiement de $50 par mois à M. J. L. K. Laflamme, par ce service, en sus de ses appointements de $2,700 par année qu'il reçoit du ministère des Postes.

L'article que vous citez paraît justifier votre objection au paiement de ce montant, pourvu qu'un emploi pour une période indéfinie puisse proprement être appelé temporaire, et pourvu aussi que les divers devoirs accomplis par M. Laflamme ne puissent être regardés comme "des services distincts du Service civil".

M. Laflamme est venu à ce service, pour éditer la version française du Bulletin officiel canadien, et accomplir tous les autres devoirs qui peuvent lui être assignés. Il est entendu dans ce service, qu'une somme de $50 par mois lui est garantie parce qu'il perd cette somme par le fait d'être transféré. En faisant cette convention, je me suis assuré, et je le suis encore, que le total ne dépasse pas une compensation raisonnable pour ses services.

L'édition du Bulletin officiel canadien (version française) est à elle seule un travail important et ardu. M. Laflamme fait lui-même une partie considérable de la traduction. De plus, il prépare quotidiennement, en anglais, pour l'usage des membres du cabinet, un résumé de l'opinion de la presse canadienne française sur différents sujets, que leur soumet tous les jours, le bureau de renseignements de ce service. Il traduit pour la presse française la matière à livrer à la publicité par ce service, pour le compte du comité national d'épargnes de guerre, et s'occupe de la correspondance française de ce département.

Ces nombreux devoirs obligent M. Laflamme de revenir au bureau presque tous les soirs. M. Laflamme demande de soumettre à votre considération ce qu'il croit être un cas analogue dans la pratique suivie au Revenu de l'Intérieur, où, pour des raisons d'économie, on paie des hommes dans divers services, par exemple, un inspecteur des poids et mesures reçoit un traitement additionnel comme inspecteur de produits alimentaires ou comme douanier.

I am not in a position to interpret the technical features of the case, but would reaffirm my opinion that on equitable considerations Mr. Laflamme is entitled to an extra $50 a month from this department.

Yours faithfully,

M. E. NICHOLLS, *Director*.

The Assistant Auditor General.

AUDIT OFFICE, January 31, 1919.

DEAR SIR,—I have to acknowledge your letter of 28th inst., on the subject of payment to Mr. Laflamme, Post Office Department, of an additional $50 a month by your department.

You appear to be in error in thinking that Mr. Laflamme was forfeiting $50 a month by the transfer.

He was granted four months' sick leave (June to September), and during that period had not been paid as private secretary to the Postmaster General, and was replaced in that position by Miss Lusignan on the 1st June.

I do not consider Mr. Laflamme's case at all analagous, as he suggests, to that of a man performing separate duties for different departments or branches of the Civil Service, as specified in the " exception " to section 22, which makes special provision for such cases.

My view is that " in the absence of special authority of Parliament," the payment to Mr. Laflamme by your Department is a violation of section 22.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A. G.*

The Director of Public Information.

DEPARTMENT OF PUBLIC INFORMATION, January 31, 1919.

DEAR SIR,—I was certainly under the impression that Mr. Laflamme receivèd the salary of a private secretary to the time of the transfer to this department. In view of your statement to the contrary, and in the light of your opinion that the payment is contrary to the Act, I will submit the matter again to the Civil Service Commission and request that our application for the extra payment of $50 per month be withdrawn. I shall also ask Mr. Laflamme to refund the amount he has already drawn from this department.

Yours truly,

M. E. NICHOLLS, *Director*.

The Assistant Auditor General.

Je ne suis pas en mesure d'interpréter les particularités techniques de ce cas, mais je veux réaffirmer mon opinion qu'en tout équité M. Laflamme a droit à ce montant additionnel de $50 par mois payé par ce service.

Sincèrement à vous,

M. E. NICHOLS, *directeur.*

A l'assistant-Auditeur général.

Bureau de l'Auditeur, le 31 janvier 1919.

Cher monsieur,—J'accuse réception de votre lettre du 28 courant au sujet du paiement à M. Laflamme du ministère des Postes, d'une somme supplémentaire de $50 par mois par votre service.

Vous me paraissez être dans l'erreur en pensant que M. Laflamme perd $50 par mois en étant transféré.

Il lui a été accordé un congé pour cause de maladie (juin à septembre), et durant cette période, il n'a pas été payé comme secrétaire privé du ministre des Postes, et il a été remplacé dans cette position par Mlle Lusignan, le premier juin.

Je ne crois pas que le cas de M. Laflamme soit du tout semblable à ce qu'il représente, c'est-à-dire, celui d'un homme faisant différents travaux pour différents départements ou divisions du Service civil, tel que spécifié dans l'exception à l'article 22, qui contient une clause spéciale pour ces cas.

Mon opinion est que "en l'absence d'une autorisation spéciale du parlement", le paiement fait à M. Laflamme par votre service est une violation de l'article 22.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *assis.-A. G.*

Au directeur de l'Information.

Service de Renseignements publics, 31 janvier 1919.

Cher monsieur,—J'étais certainement sous l'impression que M. Laflamme recevait le salaire d'un secrétaire particulier au moment de sa permutation à ce service. En face de votre déclaration du contraire et appuyé de votre opinion que le paiement est contraire à la loi, j'exposerai de nouveau le fait à la Commission du Service civil et soumettrai que notre demande pour le paiement additionnel de $50 par mois soit retiré. Je ne manquerai pas de demander aussi à M. Laflamme de rembourser le montant déjà retiré de ce service.

Tout à vous,

M. E. NICHOLS, *directeur.*

A l'Auditeur général.

AUDIT OFFICE, February 1, 1919.

SIR,—I enclose herewith copy of a letter from the Director of Public Information in reference to the additional allowance paid by you to Mr. J. L. K. Laflamme.

I have to direct that no further payments of this allowance be made, and that a refund be obtained of the amounts already paid.

I am, sir, your obedient servant,

E. D.SUTHERLAND, *Asst. A. G.*

The Clerk of the Privy Council, Ottawa.

Payments for Overtime.

AUDIT OFFICE, February 2, 1918.

SIR,—With reference to an order in council of September 11, 1917, authorizing a separate branch of the Department of Justice asked for by the Minister as necessary to the proper administration of the War Measures Act, there is a provision empowering the Minister to make tentative appointments and arrangements, including stipulations for salaries, subject to the sanction of the Governor in Council, as these appointments, stipulations, etc., may be submitted for approval.

Will you please let me know if an order in council has been obtained approving the tentative appointments and the salary stipulations so far made by the Minister in connection with the account branch established for the purpose of administering the Military Service Act.

I find from the cheques and vouchers sent me from this branch that payments have been made for overtime, and I should like to have the necessary authority for payments of this nature.

I am, sir, your obedient servant,

J. FRASER, *A. G.*

The Deputy Minister of Justice.

AUDIT OFFICE, September 30, 1918.

SIR,—I beg to bring to your notice the practice which prevailed in the Central Appeal Court at Ottawa in connection with the Military Service Act of allowing overtime to certain members of the clerical staff during the past fiscal year, and to enquire if payments of this nature have been made under authority of the Department of Justice.

Will you please let me know also if the remuneration paid in each instance, whether in the case of the clerks or lawyers employed professionally, has been authorized or approved by the department.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A. G.*

The Deputy Minister of Justice.

BUREAU DE L'AUDITEUR, 1er février 1919.

MONSIEUR,—Je vous inclus, dans la présente, une copie d'une lettre du directeur du bureau de Renseignements au sujet de l'allocation additionnelle payée par vous à M. J. L. K. Laflamme.

Je dois vous informer qu'aucun autre paiement sera fait sur cette allocation, et que le remboursement devra être fait pour les montants déjà payés.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *assis.-A. G.*

Le greffier du Conseil privé.

Rémunérations pour temps supplémentaire.

BUREAU DE L'AUDITEUR, 2 février 1918.

MONSIEUR,—Au sujet d'un arrêté ministériel du 11 septembre 1917, autorisant, à la demande du ministre, une division séparée du ministère de la Justice comme nécessaire à la bonne administration de la loi des mesures de guerre, il y a une disposition autorisant le ministre à faire des nominations et conventions d'essai, y compris des stipulations pour salaires, sujettes à la sanction du Gouverneur en conseil, vu que ces nominations, stipulations, etc., doivent être soumises pour approbation.

Voulez-vous me laisser savoir si un arrêté ministériel a été passé approuvant les nominations et les salaires de probation arrêtés par le ministre en en ce qui concerne le bureau de comptabilité établi dans le but d'administrer la loi du Service militaire.

Je vois par les chèques et pièces justificatives qui m'ont été envoyés par ce bureau, que des paiements ont été faits pour temps supplémentaire, et je désirerais avoir l'autorité nécessaire pour les paiements de cette nature.

Je demeure, monsieur, votre obéissant serviteur,

J. FRASER, *A. G.*

Le sous-ministre de la Justice.

BUREAU DE L'AUDITEUR, 30 septembre 1918.

MONSIEUR,—J'ai l'honneur d'attirer votre attention sur la pratique suivie à la cour d'Appel centrale à Ottawa au sujet de la loi du Service militaire, d'accorder du temps supplémentaire à certains préposés aux écritures durant le dernier exercice, et de vous demander si des paiements de cette nature ont été faits sous l'autorité du ministère de la Justice.

Voulez-vous s'il vous plaît me laisser savoir aussi si la rémunération payée dans chaque cas, soit pour greffiers ou pour avocats employés professionnellement, a été autorisée ou approuvée par le ministère.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *assis.-A. G.*

Le sous-ministre de la Justice.

DEPARTMENT OF JUSTICE, October 4, 1918.

SIR,—Referring to your letter of 30th ultimo, I am not aware of any provision or practice for allowing overtime at the office of the Central Appeal Judge. I understand that he has been permitted to organize and administer his own staff, and that payments were issued here upon the certificate of the judge or the judge's clerk, acting under his direction.

I am, sir, your obedient servant,

E. L. NEWCOMBE, *D. M. Justice.*

The Auditor General.

AUDIT OFFICE, October 8, 1918.

SIR,—I beg to inform you that as soon as I became aware of the fact, I called Mr. Newcombe's attention to several payments for overtime made to the clerical staff in the office of the Central Appeal Judge during the past fiscal year.

Mr. Newcombe, Deputy Minister of Justice, has written me in reply that he is " not aware of any provision or practice for allowing overtime at the office of the Central Appeal Judge."

In the absence therefore of the necessary authority for payments of this nature, will you please cause to be refunded the amounts so far paid, and also give such instructions as will ensure the disallowance of similar claims in the future.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A. G.*

The Director Military Service Branch, Justice Department.

AUDIT OFFICE, October 8, 1918.

SIR,—I beg to acknowledge the receipt of your letter of the 4th instant with reference to certain matters in connection with the office of the Central Appeal Judge to which I called your attention by letter of the 30th ultimo.

With reference to the organization and administration of the judge's staff, I desire to bring to your notice an order in council dated September 11, 1917, authorizing the Minister of Justice to make tentative appointments and arrangements, including stipulations for salaries subject to the sanction of the Governor in Council as these appointments, etc., may be from time to time reported for approval.

I called your attention to this order in council on February 2, 1918, but I have not been informed of any further order of the Governor in Council on the lines contemplated in the order of September 11, 1917.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A. G.*

The Deputy Minister of Justice.

MINISTÈRE DE LA JUSTICE, LE 4 octobre 1918.

MONSIEUR,—En réponse à votre lettre du 30 dernier, je ne connais pas de disposition ou de précédent permettant d'accorder du temps supplémentaire au bureau du juge de la cour d'Appel centrale. Il appert qu'il lui a été permis d'organiser et administrer son propre bureau, et que les paiements ont été émis ici sur le certificat du juge ou du greffier du juge, agissant sous sa direction.

Je demeure, monsieur, votre obéissant serviteur,

E. L. NEWCOMBE, *sous-min. de la Justice.*

L'Auditeur général.

BUREAU DE L'AUDITEUR, 8 octobre 1918.

MONSIEUR,— J'ai l'honneur de vous informer qu'aussitôt que j'ai connu les faits, j'ai attiré l'attention de M. Newcombe sur plusieurs paiements faits durant le dernier exercice pour temps supplémentaire au personnel préposé aux écritures au bureau du juge de la cour d'Appel centrale.

M. Newcombe, sous-ministre de la Justice, m'a écrit en réponse "qu'il ne connaît pas de disposition ou de précédent permettant d'accorder du temps supplémentaire au bureau du juge de la cour d'Appel centrale."

Par conséquent, en l'absence d'autorité nécessaire pour les paiements de cette nature, veuillez donc s'il vous plaît faire rembourser les montants ainsi payés, et aussi donner telles instructions assurant à l'avenir le refus de semblables réclamations.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *assis.-A. G.*

Le directeur de la division du Service militaire, min. de la Justice.

BUREAU DE L'AUDITEUR, 8 octobre 1918.

MONSIEUR,—J'ai l'honneur d'accuser réception de votre honorée lettre du 4 courant au sujet de certaines affaires en rapport avec le bureau du juge de la cour d'Appel centrale sur lesquelles j'attirais votre attention par lettre du 30 du mois dernier.

Au sujet de l'organisation et de l'administration du personnel du juge, je désire porter à votre connaissance un arrêté ministériel en date du 11 septembre 1917, autorisant le ministre de la Justice à faire des nominations et arrangements de probation, comprenant des stipulations pour salaires, sujettes à la sanction du Gouverneur en conseil, vu que ces nominations, etc., doivent être de temps à autre soumises pour approbation.

J'ai attiré votre attention sur cet arrêté ministériel du 2 février 1918, mais je n'ai pas été avisé d'aucun autre arrêté du Gouverneur en conseil touchant l'arrêté du 11 septembre 1917.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *assis.-A. G.*

Le sous-ministre de la Justice.

DEPARTMENT OF JUSTICE, November 22, 1918.

SIR,—Referring to your letter of 8th instant addressed to the Director of the Military Service Branch of this department which Colonel Machin has referred to me with regards to payments of overtime of the clerical staff in the office of the Central Appeal Judge, I may say that there will be no recurrence of such payments. I know that at times during the past year there was great pressure of work in the office of the Central Appeal Judge and, in order to expedite, as the speedy disposition of these cases was of the utmost importance, I understand that some members of the staff were, under the judge's direction, required to work overtime, and I have no doubt that the expenditure involved in this was in the public interest. The operations of the Central Appeal Judge's office, I may say, were necessarily carried on under his direction, and it is impossible, so far as I can see, to obtain any refund; moreover, it would be unjust to the employees who put in the overtime to break the stipulated conditions, and I am afraid, therefore, that I cannot do anything to rectify the situation in the manner which you suggest.

I am, sir, your obedient servant,

E. L. NEWCOMBE, *D. M. J.*

The Asst. Auditor General.

Interpretation of "Civil Service", "Inside Service" and "Outside Service".

AUDIT OFFICE, August 23, 1918.

SIR,—I have received a copy of an order in council of 19th inst., putting into effect the recommendations of a Sub-committee of Council regarding increases to certain postal employees, and removing the provisions contained in vote 419, "Provisional Allowance," of last session as to permanency of employment, restricting the allowance to married men, etc., and the deduction of any permanent increase of salary received since the 1st April, 1918.

I observe that the opinion of the sub-committee with regard to the application of the postal employees for a permanent increase in salary rates is expressed as follows: "The establishment of salary schedules or the amendment of existing salary schedules has always been regarded as a function of Parliament. Any action of this character by order in council would be without precedent and, in the opinion of your committee, unwarranted."

This question naturally presents itself: Was not the imposition of the conditions attached to this vote a function of Parliament?

I should be glad to have your opinion whether payments, which are in contravention of the specific conditions of the Appropriation Act, can legally be made by the authority of this order in council.

The action of Council is taken under the War Measures Act, 1914, and they advise that all additional expenditure that will be incurred in excess of the amount provided by vote 419 ($3,000,000) be charged to the War Appropriation.

As the War Measures Act is the authority, should not all expenditure, and not merely any in excess of this vote, be charged to the War Appropriation?

MINISTÈRE DE LA JUSTICE, 22 novembre 1918.

MONSIEUR,—En réponse à votre lettre du 8 courant adressée au directeur de la division du Service militaire de ce ministère, que le colonel Machin m'a signalé au sujet des paiements pour temps supplémentaire du personnel préposé aux écritures au bureau du juge de la cour d'Appel centrale, je dois dire qu'il ne se repètera plus de pareils paiements. Je sais qu'en certains temps durant l'an dernier il y avait encombrement de travail à ce bureau du juge de la cour d'Appel centrale et pour expédier promptement ces causes de la plus grande importance, je comprends que quelques membres du personnel, sous la direction du juge, ont été requis de travailler un temps supplémentaire, et je n'ai aucun doute que la dépense encourue de ce fait l'a été dans l'intérêt public. Les opérations du bureau du juge de la cour d'Appel centrale, je dois dire, étaient nécessairement dirigées par lui, et il est impossible, en autant que je puis voir, d'obtenir aucun remboursement; de plus, il serait injuste pour les employés qui ont fourni ce temps supplémentaire si les conditions fixées n'étaient pas observées, et je crains, dans les circonstances, de ne pouvoir rien faire pour rectifier la situation dans le sens que vous suggérez.

Je demeure, monsieur, votre obéissant serviteur,

E. L. NEWCOMBE, *sous-min. de la Justice.*

L'assis.-Auditeur général.

Interprétation des mots "Service civil", service intérieur" et "service extérieur.

BUREAU DE L'AUDITEUR, le 23 août 1918.

MONSIEUR,—J'ai reçu une copie d'un arrêté en conseil du 19 courant, sanctionnant la recommandation d'un sous-comité du Conseil concernant les augmentations payables à certains employés des Postes, et enlevant les prévisions contenues dans le crédit 419 "Allocation provisoire", de la dernière session, concernant la permanence d'emploi, restreignant l'application de l'allocation aux hommes mariés, etc., et la déduction de toute augmentation permanente de salaire reçue depuis le premier avril 1918.

Je remarque que l'opinion du sous-comité au sujet de la demande des employés des Postes d'une augmentation permanente de salaire est exprimée comme suit: "L'établissement de l'échelle de salaires ou l'amendement des échelles actuelles de salaires a toujours été regardée comme un attribut du parlement. Tout acte de ce caractère par arrêté en conseil serait sans précédent, et, dans l'opinion de votre comité, injustifiable."

Naturellement, la question suivante se présente: Est-ce que l'imposition des conditions attachées à ce crédit n'est pas un attribut du parlement?

Je serais content d'avoir votre opinion, savoir: si les paiements qui sont en contravention avec les conditions spécifiques de la loi des Crédits, peuvent légalement être faits sous l'autorité de cet arrêté en conseil.

L'acte du Conseil est fait sous l'empire de la loi des Mesures de guerre 1914, et le Conseil émet l'avis que toute la dépense encourue en sus du montant pourvu par le crédit 419 ($3,000,000) soit imputée aux crédits de guerre.

Vu que la loi des Mesures de guerre est l'autorité invoquée, est-ce que toutes les dépenses, et non pas seulement le surplus sur le crédit, ne devraient pas être imputées aux crédits de guerre.

Are clerks and messengers employed in the departments at Ottawa and paid from the War Appropriation to be considered members of the Outside Service, and now entitled to share in this allowance?

An early answer would be much appreciated, as already pay-lists for payments under this order in council are being sent here to be certified.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A. G.*

The Deputy Minister of Justice.

JUSTICE DEPT., August 30, 1918.

SIR,—Referring to your letter of 23rd instant, submitting copy of the order in council of 19th instant providing for special allowances for employees of the Post Office Department, and submitting some questions as to the authority of the Government to make these provisions, it would appear that the object was to authorize allowances in excess of those which Parliament had provided. The item of the Supply Bill to which you refer may of course be regarded as authority for the payments in contemplation, in so far as they are within the letter of the appropriation, but beyond that the Government has legislative authority under the War Measures Act, 1914, to enact by order in council such regulations as may in the opinion of the Government be deemed necessary or advisable by reason of the war. It is upon this motive, as I understand, that the present order in council proceeds, and it may, in the opinion of the Minister of Justice, be regarded as competent authority to sanction such of the payments for which it provides as are in excess of the limitations of the Supply Bill. In the result, therefore, such of the payments as are not strictly within the special appropriation would be chargeable to the war appropriation.

Upon the question as to whether clerks and messengers employed in the departments at Ottawa and paid from the War Appropriation are to be considered members of the Outside Service and now entitled to share in this allowance. I would direct your attention to the definitions of Inside Service, Outside Service, and Civil Service contained in section 2 of the Civil Service Act, 1918, and this classification, so far as I can perceive, is not affected by the appropriation to which an officer, clerk, or employee's salary is chargeable.

I am, sir, your obedient servant,

E. L. NEWCOMBE, *D. M. J.*

The Assistant Auditor General.

AUDIT OFFICE, September 12, 1918.

SIR,—Pay-lists, containing the names of labourers among others, for payment of the provisional allowance under vote 419, as amended by the order in council, 19th August ultimo, have been sent here to be certified.

I have declined to certify the payment of labourers, taking the stand that it was not intended that that class of employee should participate.

The order in council, 19th August, appears to make the vote now read "Provisional allowance (except in the case of lighthouse keepers) for persons in the Outside Service, and for persons of the Inside Service of the rank of messen-

Est-ce que tous les commis et messagers employés dans les ministères à Ottawa et payés sur les crédits de guerre sont considérés comme membres du Service extérieur et ont maintenant droit de participer à cette allocation?

Une réponse immédiate sera grandement appréciée, car les bordereaux pour paiements en vertu de cet arrêté en conseil commencent déjà à venir ici pour approbation.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *assis.-A. G.*

Au sous-ministre de la Justice.

MINISTÈRE DE LA JUSTICE, le 30 août 1918.

MONSIEUR,—Relativement à votre lettre du 23 courant, soumettant une copie de l'arrêté en conseil du 19 courant accordant une allocation spéciale aux employés des Postes, et posant quelques questions au sujet de l'autorité sur laquelle le gouvernement s'appuie pour porter ces décisions, il paraîtrait que l'objet en vue est d'autoriser des allocations en sus de celles que le parlement a déjà accordées. L'item du bill des subsides auquel vous faites allusion peut certes être regardé comme une autorisation pour les paiements en question, en autant qu'ils sont dans les cadres assignés par la lettre de crédit; mais en outre de cela, le gouvernement a droit législatif en vertu de la loi des Mesures de guerre 1914, et peut émettre par arrêté en conseil tels règlements que dans son opinion il croit nécessaire ou opportun par suite de la guerre. C'est de ce principe que, d'après moi, découle le présent arrêté en conseil, et il peut, dans l'opinion du ministre de la Justice, être regardé comme une autorisation adéquate pour sanctionner les paiements qui y sont pourvus en sus des limites apposées par le bill des subsides. Il en résulte donc que ceux des paiements qui ne rentrent pas strictement dans les limites prévues par le crédit spécial doivent être imputés aux crédits de guerre.

Sur la question de savoir si les commis et les messagers employés dans les ministères à Ottawa et payés au compte des crédits de guerre doivent être considérés comme membres du service extérieur et s'ils ont droit à une part de cette allocation, j'attirerai votre attention sur les définitions du service intérieur, du service extérieur et du service civil contenues dans l'article 2 de la loi du Service civil, 1918; cette classification, en autant que je crois en saisir la portée, n'est pas affectée par le crédit auquel est imputable le salaire de chacun des officiers, commis ou employés.

Je demeure, monsieur, votre obéissant serviteur,

E. L. NEWCOMBE, *sous-ministre de la Justice.*

A l'assistant-Auditeur général.

BUREAU DE L'AUDITEUR, le 12 septembre 1918.

MONSIEUR,—Les bordereaux, contenant entre autres les noms des journaliers pour le paiement de l'allocation provisoire en vertu du crédit 419, tel qu'amendé par l'arrêté en conseil du 19 aout dernier, ont été envoyés pour être approuvés à ce bureau.

J'ai refusé d'approuver le paiement des journaliers, étant d'opinion que l'intention du législateur n'était pas de faire bénéficier cette classe d'employés de l'allocation.

L'arrêté en conseil du 19 août paraît modifier le texte de manière à ce qu'il se lise comme suit "Allocation provisoire (excepté dans le cas des gardiens de phares) pour les personnes du service extérieur, et pour les personnes du service,

gers, packers, and sorters." Then follow clauses (*a*) and (*b*), as they stand, except that any permanent increases of salary since the first of April is by the order in council not to be deducted.

Clause (*a*) reads: To each such person in receipt of a salary of $1,200 per annum or less, an allowance of $150; and clause (*b*), to each such person in receipt of a salary of more than $1,200, but not more than $1,550 per annum, an allowance of $100.

Taking into consideration the conditions that gave rise to the Government making this appropriation of three millions, together with the report of the Sub-committee of Council after hearing the representations of the letter carriers, railway mail clerks, and postal clerks, it appears to me a reasonable conclusion that this provisional allowance was intended to apply to those classes of employees the limits of whose salaries and annual increases were fixed by statute, and who were thereby prohibited from receiving any additional increase unless specially voted.

A labourer may be employed by a department at such remuneration as it sees fit and his services may be dispensed with when no longer required. He is paid a weekly or monthly scale of wages, and I am in doubt whether he can be considered a person in receipt of a salary at the rate of so much per annum, as described in sections (*a*) and (*b*).

I learn that the Minister of Public Works has decided that the labourers of his department are entitled to the allowance, and that payment is being made without reference to this office.

I am anxious that no delay shall be caused here in paying any person entitled to the allowance, and shall be much obliged by your advising me in the matter as soon as possible.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A. G.*

The Deputy Minister of Justice.

JUSTICE DEPARTMENT, October 9, 1918.

SIR,—Referring to your letters of 12th ultimo and 5th instant, submitting a question as to whether labourers are entitled to participate in the provisional allowance of vote 419, chapter 52 of 1918, page 38, I am disposed to agree with the view which you present. I do not find in the statute or the order in council apt language to include labourers, charwomen, and people who render services of the like character, remunerated by the day, week, or month, and whose pay or wages are not regulated by statute. Civil Service, for the purposes of the Civil Service Act, which includes both the Inside and Outside Service, is defined to mean and include all officers, servants and employees in the service of the Crown. This is a broad definition, and in its most extensive meaning may embrace the employees under consideration, but that interpretation cannot have effect if the context otherwise require, and there are some obvious limitations. Certainly the military and naval officers in the service of the Crown are not within the purview of the Act. Labourers are not within the classification of the Inside Service, nor presumably within any classification which should be framed under the statutory powers for the Outside Service; moreover salary is not an apt word to describe the remuneration which they receive, and

intérieur qui ont le rang de messagers, emballeurs et trieurs". Viennent ensuite les paragraphes (*a*) et (*b*) qui restent ce qu'ils étaient, excepté que toute augmentation permanente de salaire faite depuis le premier avril ne doit pas être déduite d'après l'arrêté en conseil.

Prenant en considération les conditions qui ont donné lieu à l'action du gouvernement en votant ce crédit de trois millions, ainsi que le rapport du sous-comité du conseil après audition des représentants des facteurs, des commis ambulants et des postiers, il me paraît raisonnable de conclure que cette allocation provisoire était destinée à s'appliquer à ces trois classes d'employés dont la limite de salaires et les augmentations annuelles sont fixées par statut et qui sont par là empêchés de recevoir toute augmentation additionnelle à moins qu'elle ne soit votée spécialement.

Un journalier peut être employé par un ministère à un prix convenu et ses services s'arrêtent dès qu'ils ne sont plus requis. Il est payé à la semaine ou au mois suivant une échelle de salaires, et j'ai de forts doutes si l'on peut considérer cette personne comme recevant tant par année, tel que spécifié dans les paragraphes (*a* et (*b*).

J'apprends que le ministre des Travaux publics a décidé que les journaliers de ce ministère n'ont pas droit à l'allocation, et que le paiement se fait sans être approuvé par ce bureau.

Je suis anxieux d'éviter tout retard ici au détriment de ceux qui ont droit à l'allocation et je vous serais obligé de me conseiller à ce sujet aussitôt que possible.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *assis.-Auditeur général.*

Au sous-ministre de la Justice.

MINISTÈRE DE LA JUSTICE, le 9 octobre 1918

MONSIEUR,—Relativement à vos lettres du 12 dernier et du 5 courant, soumettant une question pour savoir si les journaliers ont droit de participer à l'allocation provisoire du crédit 419, c. 52 de 1918, page 38, je suis disposé à partager votre opinion. Je ne trouve pas dans le statut ou l'arrêté en conseil des expressions de nature à comprendre les journaliers, femmes de peine et tous gens qui rendent des services d'un caractère similaire, qui sont rémunérés à la journée, à la semaine ou au mois, et dont la paie ou les gages ne sont pas gouvernés par le statut. Le service civil, pour les fins de la loi du Service civil, doit comprendre le service intérieur et le service extérieur, et est défini de manière à comprendre tous les officiers, fonctionnaires et employés au service de la couronne. C'est une définition large, et dans sa signification la plus étendue, elle peut comprendre les employés dont il s'agit présentement, mais cette interprétation ne peut prendre effet que si le contexte ne l'exige par ailleurs, et il s'y trouve des limites très claires. Certes, les officiers militaires et navals au service de la Couronne ne sont pas compris dans les cadres de cette loi. Les journaliers ne sont pas inclus dans la classification du service intérieur, ni probablement dans aucune classification que l'on puisse élaborer par une loi les mettant dans le service extérieur; de plus, le salaire n'est pas le terme propre pour désigner la rémunération qu'ils recoivent, et il est difficile de concevoir que leur mode d'engagement, pas plus que leurs gages, puisse être régularisé

it is difficult to perceive that the method of their engagement, any more than their wages, is intended to be regulated by the Act. For these reasons I think you would be quite justified to withhold your certificate for the present. Meantime, if it be desired to authorize general increases of labourers' wages at a proportionate rate as a war measure, the Government may declare that intention by a further regulation.

I am, sir, your obedient servant,

E. L. NEWCOMBE, *D. M. Justice.*

The Assistant Auditor General.

JUSTICE DEPARTMENT, December 7, 1918.

SIR,—I have the honour to acknowledge the receipt of your letter of the 4th instant. Your letter of the 19th ultimo was duly received, but I regret that an acknowledgment of the same appears to have been overlooked, and attention to other matters of a pressing nature has caused some delay in answering the same. On the question submitted, namely, whether the members of the clerical staff of the Research Council are in the Inside Service or Outside Service of the Civil Service, I am disposed to think that these employees constitute part of the Civil Service within the meaning of section 2 (*f*) of the Civil Service Act, 1918, and as such are to be ranked as part of the Outside Service as defined by section 2 (*e*). It follows from this conclusion that the authority exercised by the Administrative Chairman, under the direction of the Council and subject to the approval of the Sub-committee of the Privy Council on Industrial and Scientific Research, to employ such clerks has been superseded by the provisions of the Civil Service Act, power to appoint and promote being now vested in the Civil Service Commission.

I am, sir, your obedient servant,

E. L. NEWCOMBE, *D. M. Justice.*

Administrative Chairman of Council Scientific and Industrial Research.

AUDIT OFFICE, January 15, 1919.

SIR,—I have been supplied with a copy of an opinion given by you on December 7, to Professor Macallum, in which you make the statement that the members of the clerical staff of the Research Council are to be ranked as part of the Outside Service.

In your letter to me of the 30th of August last, you expressed the opinion that the classification into the Inside or the Outside Service is not affected by the appropriation to which an officer or clerk's salary is chargeable. This opinion formed the basis on which we apportioned the provisional allowance and war bonus as between the Inside and Outside Service.

I would like to be informed of the grounds on which you make an exception in the case of the employees of the Research Council at Ottawa. I was of the opinion that they would, in accordance with your opinion of the 30th August, be considered as belonging to the Inside Service.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A. G.*

The Deputy Minister of Justice.

de par une loi. Pour ces raisons, je pense que vous êtes tout à fait justifiable de ne pas émettre de certificat d'approbation pour à présent. En attendant, si l'on trouve désirable d'autoriser une augmentation générale des gages des journaliers pour les proportionner au taux en vigueur et comme mesure de guerre le gouvernement pourra déclarer son intention par un autre règlement.

Je demeure, monsieur, votre obéissant serviteur,

E. L. NEWCOMBE, *sous-ministre de la Justice.*

MINISTÈRE DE LA JUSTICE, le 7 décembre 1918.

MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre du 4 courant. Votre lettre du 19 dernier a aussi été reçue, mais j'ai le regret de vous dire que l'on a négligé d'en accuser réception, notre attention étant portée à des affaires très pressées qui nous en ont empêché. A propos de la question soumise, savoir si les clercs du bureau des recherches sont dans le service intérieur ou le service extérieur du service civil, je suis disposé à croire que ces employés forment partie du service civil en vertu de la signification de l'article 2 (f) de la loi du Service civil, 1918, et comme tels, sont classés comme faisant partie du service extérieur tel que défini par l'article 2 (e). Il suit de là que l'autorité dont jouit le président de cette administration, sous la direction du Conseil et avec l'agrément du sous-comité du Conseil privé, constitué pour les recherches industrielles et scientifiques, pour employer ces commis, se trouve annulée par les clauses de la loi du Service civil. Le pouvoir de faire les nominations et d'accorder les promotions étant maintenant entre les mains de la Commission du Service civil.

Je demeure, monsieur, votre obéissant serviteur,

E. L. NEWCOMBE, *sous-ministre de la Justice.*

Au président du conseil des Recherches industrielles et scientifiques.

BUREAU DE L'AUDITEUR, le 15 janvier 1919.

MONSIEUR,—Il m'a été envoyé copie d'une opinion donnée par vous le 7 décembre au professeur Macallum, dans laquelle vous déclarez que les commis du Conseil des recherches doivent être classés comme faisant partie du service extérieur.

Dans votre lettre à moi adressée le 30 août dernier, vous exprimez l'opinion que la classification dans le service intérieur ou le service extérieur n'est pas affectée par le crédit auquel le salaire d'un commis ou d'un officier est imputable. Cette opinion forme la base sur laquelle nous distribuons l'allocation provisoire et le boni de guerre entre les services intérieur et extérieur.

J'aimerais savoir sur quelle autorité vous vous basez pour faire cette exception dans le cas des commis du Conseil des recherches industrielles et scientifiques à Ottawa. J'étais d'avis, conformément à votre opinion du 30 août, qu'ils devaient être placés dans le service intérieur.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *assis.-Auditeur général.*

Au sous-ministre de la Justice.

JUSTICE DEPT., January 28, 1919.

SIR,—I have the honour to reply to your letter of the 15th inst., referring to my opinion of December 7 last to Dr. A. B. Macallum, Administrative Chairman of the Honorary Advisory Council for Scientific and Industrial Research, to the effect that the members of the council's clerical staff constitute part of the Outside Service under the Civil Service Act, 1918, and asking to be advised on the grounds of this opinion. I may say that my opinion is based on the view that the members of the council's clerical staff, having regard to the provisions of the Research Council Act, Statutes of Canada, 1917, chap. 20, regulating their employment and remuneration, are in the service of the Crown and, therefore, constitute part of the "Civil Service," as the same is defined by section 2 (*f*) of the Civil Service Act, 1918; that not being "in or under" any department of the Executive Government of Canada, they are not in the "Inside Service," as defined by section 2 (*d*), and are, therefore, to be included in the "Outside Service" which, as defined by section 2 (*e*), includes "the other officers, clerks, and employees included in the Civil Service, not being part of the Inside Service."

I am unable to perceive that my opinion of the 30th August last, in reference to the bonus to employees of the Post Office Department, to which you refer, by reason of anything expressed in its terms, warranted any conclusion as to the classification of the members of the clerical staff of the Research Council, under the Civil Service Act, 1918, inconsistent with the opinion above expressed.

I am, sir, your obedient servant,

E. L. NEWCOMBE, *D. M. Justice.*

The Asst. Auditor General.

AUDIT OFFICE, February 3, 1919.

SIR,—I am in receipt of several certificates from the Civil Service Commission transferring members of the Inside Service to the Soldier Settlement Board. No rank is assigned in their new positions, but in nearly all the cases they are transferred at higher salaries than they were previously receiving, and at salaries that would place them in a higher grade if they are still in the Inside Service.

I would like an expression of your opinion as to whether the Soldier Settlement Board is in the Inside Service, or whether it is in the Outside Service in the same way as the Scientific and Industrial Research Council.

To take one instance, a 1B clerk at $2,500 is transferred to the position of chief accountant of this Board at a salary of $3,500. There has been no organization of the positions of this Board, and this office has never been furnished with either a certificate from the Civil Service Commission or a copy of any order in council fixing the salary of the chief accountant at $3,500. If the Soldier Settlement Board is in the Inside Service, I consider such action necessary. If it is in the Outside Service, would it not likewise be necessary that such position first be created in the same way as for the Inside Service.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A. G.*

The Deputy Minister of Justice.

MINISTÈRE DE LA JUSTICE, le 28 janvier 1919.

MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre du 15 courant, mentionnant mon opinion donnée le 7 décembre au Dr A. B. Macallum, président du Conseil honoraire aviseur pour les recherches industrielles et scientifiques, dans laquelle il est dit que les commis du conseil forment partie du service extérieur en vertu de la loi du Service civil, 1918, et demandant sur quelle autorité cette opinion est basée. Je puis dire que mon opinion est basée sur le fait que les commis du conseil, en considération des clauses de la loi du Conseil des recherches, S.C., 1917, c. 20, réglant leur emploi et leur rémunération, sont au service de la Couronne, et par conséquent forment partie du Service civil, tel que défini par l'article 2 (*f*) de la loi du Service civil, 1918; que n'étant pas «dans ou sous» un ministère du gouvernement du Canada, ils ne sont pas dans le service intérieur, tel que défini par l'article 2 (*d*), et sont, par conséquent inclus dans le service extérieur, qui, tel que défini par l'article 2 (*e*), comprend «les autres officiers, commis et employés inclus dans le service civil et qui ne sont pas dans le service intérieur.»

Je ne puis trouver que mon opinion du 30 août dernier, au sujet du boni des employés du ministère des Postes, à laquelle vous faites allusion, puisse, par suite de quelque expression y contenue, amener la conclusion que la classification des commis du conseil des recherches, en vertu de la loi du Service civil, ne s'accorde pas avec l'opinion ci-dessus exprimée.

Je demeure, monsieur, votre obéissant serviteur,

E. L. NEWCOMBE, *sous-ministre de la Justice.*

A l'assis.-Auditeur général.

BUREAU DE L'AUDITEUR, le 3 février 1919.

MONSIEUR.—J'ai reçu plusieurs certificats de la Commission du Service civil transférant des membres du service intérieur au bureau de Rétablissement des soldats. Aucun rang n'est assigné à ces nouvelles positions, mais dans presque tous les cas ils sont transférés à des salaires plus élevés que ceux qu'ils recevaient auparavant, et à des salaires qui les placeraient dans une classe plus élevée que celle où ils sont dans le service civil.

J'aimerais à avoir votre opinion, savoir, si le bureau de Rétablissement des soldats est dans le service intérieur, ou s'il est dans le service extérieur de la même manière que le Conseil de recherches industrielles et scientifiques.

Par exemple, prenons un cas: un commis 1B à $2,500 est transféré à la position de comptable en chef de ce bureau à un salaire de $3,500. Il n'y a pas eu d'organisation des positions de ce bureau, et le bureau de l'Auditeur n'a jamais reçu de certificat de la commission S. C. ni de copie d'un arrêté en conseil fixant le salaire du comptable en chef. Si le bureau de Rétablissement des soldats est dans le service intérieur, je considère que cette procédure est nécessaire. S'il est dans le service extérieur, ne serait-il pas pareillement nécessaire que ces positions fussent d'abord créées de la même manière que pour le service intérieur?

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *assis.-Auditeur général.*

Au sous-ministre de la Justice.

DEPT. OF JUSTICE, February 11, 1919.

SIR,—In reference to your letter of the 3rd instant, asking to be advised whether the Soldier Settlement Board is to be classified in the Inside or the Outside Service, and whether, in either case, it is not necessary that the position of Chief Accountant of the Board should be provided for in the organization of the service, I have the honour to state that I am of the opinion that the officers, clerks and employees of the Soldier Settlement Board, having regard to the provisions of the Soldiers' Settlement Act, 1917, Statutes of Canada, 1917, Chap. 21, regulating their appointment, tenure of office and remuneration, and to the provisions of the Civil Service Act, 1918, are to be classified in the Outside Service. Subject to the view that the Civil Service Act, 1918, is not to be construed prejudicially to affect the status or salary or rights to future increase of any of the officers, clerks or employees who were in the service of the Soldier Settlement Board on May 24, 1918, I am further of the opinion that any appointment desired to be made to the staff of the Board, subsequent to such date, must first be provided for in the organization of the Outside Service in the manner required by such Act.

I am, sir, your obedient servant,

E. L. NEWCOMBE, *D. M. of Justice.*

The Assistant Auditor General.

CIVIL SERVICE COMMISSION, August 30, 1918.

DEAR MR. FRASER,—By direction, I enclose, herewith, a copy of a letter to the Deputy Minister of Justice and of his reply thereto, regarding the status under the Civil Service Act of the Office of the Central Appeal Judge, the Military Service Branch of the Department of Justice, and the War Trade Board. You will observe that the opinion of the Deputy Minister of Justice is that these offices are portions of the Service, within the meaning of section 2 of the Civil Service Act of 1918, and, as such, subject to all the provisions of that Act. Inasmuch, therefore, as numbers of employees are on the pay-rolls of these offices without certification by the Civil Service Commission, there can be no doubt that they are illegally in receipt of public money and, in the opinion of the commissioners, action should be taken to immediately stop the payment of all salaries for which proper authority has not been obtained. Furthermore, the commissioners are of opinion that action should be taken to recover from those responsible for the engagement of these officials the moneys illegally paid to them as salaries. I may add that no assignments have been made to the office of the Central Appeal Judge, and very few to either of the other branches of the service referred to, and the only way in which definite information can be obtained as to the employees taken on without reference to the commission is by requiring these offices to submit at once their pay-rolls for inspection by your officials. I may add that in the letter to the Department of Justice no mention was made of the Office of the Fuel Controller, whose office staff has been recruited without reference to the commission. There is no doubt that that office also is a portion of the service within the meaning of the said section of the Civil Service Act, and any action which you may take on this letter should include the office of the Fuel Controller.

Yours truly,

W. FORAN, *Sec.*

The Auditor General.

MINISTÈRE DE LA JUSTICE, 11 février 1919.

MONSIEUR,—Au sujet de votre lettre du 3 courant demandant d'être avisé si le Bureau d'établissement des soldats doit être classé dans le service intérieur ou le service extérieur, et aussi, dans l'un ou l'autre cas, s'il n'est pas nécessaire que la position de comptable en chef du Bureau fasse partie de l'organisation du service. J'ai l'honneur de vous informer que je suis d'opinion que les fonctionnaires, commis et employés du Bureau d'établissement des soldats, considérant les dispositions de la Loi d'établissement des soldats, Statuts du Canada, 1917, ch. 21, statuant sur leurs nominations, fonctions et rémunérations, et les dispositions de la Loi du Service civil, 1918, ils doivent être classés dans le Service extérieur. En considérant que la Loi du Service civil, 1918, ne doit pas être interprétée comme préjudiciant les fonctions, les salaires ou les droits des fonctionnaires, commis ou employés au service du Bureau d'établissement des soldats à la date du 24 mai 1918. Je suis de plus d'opinion que toute nomination future dans le personnel du Bureau doit être faite, après cette date, soumise d'abord à la Loi du Service extérieur.

Je demeure, monsieur, votre obéissant serviteur,

E. L. NEWCOMBE, *s.-m. de la Justice.*

A l'assis.-Auditeur général.

COMMISSION DU SERVICE CIVIL, le 30 août 1918.

CHER MONSIEUR FRASER,—D'après les instructions que j'ai reçues, je vous envoie ci-inclus copie d'une lettre qui a été envoyée au sous-ministre de la Justice et de sa réponse, concernant la situation, en vertu de la loi du Service civil, du bureau du juge central d'Appel, de la division militaire du service sous le ministère de la Justice. Vous remarquerez que l'opinion du sous-ministre de la Justice est que ces bureaux forment partie du service, d'après la teneur de l'article 2 de la loi du Service civil de 1918, et, comme telle partie, sont sujets à toutes applications de cette loi. Donc, en autant que les numéros des employés sont sur le bordereau de paie de ces bureaux, sans certificats de la Commission du Service civil, il ne peut y avoir de doute qu'ils reçoivent illégalement l'argent du public, et dans l'opinion des commissaires, il faudrait immédiatement prendre action pour arrêter le paiement de tous salaires qui n'ont pas été autorisés. De plus, les commissaires croient qu'il faudrait agir de manière à faire rembourser par ceux qui sont responsables de la nomination de ces fonctionnaires l'argent illégalement déboursé pour leur salaire. Je puis ajouter qu'aucune nomination n'a été faite au bureau du juge central d'Appel, et bien peu à quelqu'autre division de ce service, et que la seule manière d'avoir des renseignements précis sur ces employés ainsi engagés sans l'agrément de la commission est de demander à ces bureaux de soumettre immédiatement leurs bordereaux de paie pour être inspectés par vos fonctionnaires. Je dirai de plus que dans la lettre du sous-ministre de la Justice, aucune mention n'est faite du bureau du Contrôleur du combustible, dont le personnel a été recruté sans l'agrément de la Commission. Il n'y a pas de doute que ce bureau aussi forme partie du service d'après la signification du dit article de la loi du Service civil, et toute action que vous pourriez prendre en vertu de cette lettre devra aussi comprendre le bureau du Contrôleur du combustible.

Bien à vous,

A l'assis.-Auditeur général. WM. FORAN, *secrétaire.*

CIVIL SERVICE COMMISSION, August 15, 1918.

DEAR MR. NEWCOMBE,—Will you be good enough to inform the commission whether, in your opinion, the Military Service Branch of the Department of Justice, the Central Court of Appeal, and the War Trade Board are considered to be portions of the Civil Service within the meaning of section 2 of the Civil Service Act, 1918, and, as such, subject to the provisions of the Act.

One of these departments has completely ignored the Act up to the present time and the other two are only partially observing its provisions, and, in the opinion of the commissioners, it was clearly the intention of the Government that they should be included among the departments which are placed under the jurisdiction of the Civil Service Commission.

Yours truly,

W. FORAN, *Sec.*

The Deputy Minister of Justice.

DEPARTMENT OF JUSTICE, August 23, 1918.

SIR,—Referring to your letter of 15th instant asking to be advised whether the Military Service Branch of this Department, the Central Court of Appeal, by which I presume you mean the office of the Central Appeal Judge, and the War Trade Board are portions of the Civil Service within the meaning of section 2 of the Civil Service Act, 1918, I may say that so far as the Military Service Branch of this department and the office of the Central Appeal Judge are concerned, I think this question must be answered in the affirmative, and I was under the impression that the Military Service Branch of my department, for which I am particularly responsible, had been complying with the provisions of the Act, so far as was possible, compatible with the due execution of its duties.

With regard to the War Trade Board, I am not able to advise without having before me the orders in council constituting the board and defining its powers. If you will kindly furnish me with these I will give the matter further consideration.

With regard to Military Service operations, these are, as you will of course realize, of a temporary character, and we have a staff here at headquarters constituting the branch, and registry offices in the various provinces which necessarily employ a considerable number of people, mostly charged with clerical duties. The work fluctuates in magnitude from time to time, and constant changes in the personnel of the employees cannot be avoided. Moreover, the work is urgent and cannot usually admit of delay incident to the operation of obtaining assignments from the commission. These are considerations which should be kept in mind in any dispositions which the commissions may find advisable to make consequent upon this opinion, and I think they apply equally with more or less force to the office of the Central Appeal Judge.

I am, sir, your obedient servant,

E. L. NEWCOMBE, *D. M. Justice.*

The Secretary, Civil Service Commission.

COMMISSION DU SERVICE CIVIL, 15 août 1918.

CHER M. NEWCOMBE,—Voulez-vous être assez bon d'informer la Commission si, dans votre opinion, la division du Service militaire du ministère de la Justice, la cour d'Appel centrale et la Commission du commerce de guerre sont considérés comme faisant partie du Service civil dans le sens de la section 2 de la loi du Service civil de 1918, et, comme tel, soumis aux dispositions de cette loi.

Un de ces départements a complètement ignoré la loi jusqu'à présent et les deux autres n'observent qu'en partie ses dispositions, et, dans l'opinion des commissaires, c'était clairement l'intention du gouvernement qu'ils fussent compris parmi les départements placés sous la juridiction de la Commission du Service civil.

Bien à vous,

W. FORAN, *secrétaire.*

Le sous-ministre de la Justice.

MINISTÈRE DE LA JUSTICE, 23 août 1911.

MONSIER,—Référant à votre lettre du 15 courant, demandant un avis, savoir: si la division militaire de ce Ministère, la cour centrale des Appels, par laquelle vous entendez, je présume, le bureau du juge central d'appel, et la Commission du commerce de guerre, font partie du Service civil aux termes de la section 2 de la loi du Service civil de 1918, je dois dire que, en tant que la division militaire de ce ministère et le bureau du juge central d'appel sont concernés, qu'il peut être répondu affirmativement à cette question, et j'étais sous l'impression que la division militaire de mon ministère, pour laquelle je suis particulièrement responsable, avait agi conformément aux dispositions de la loi, en tant qu'il est possible, d'accord avec l'accomplissement convenable de ses devoirs.

Quant à la Commission du commerce de guerre, je suis incapable de donner une opinion sans avoir par devers moi les arrêtés ministériels constituant ladite Commission et définissant ses pouvoirs. Si vous voulez bien me fournir ces arrêtés, je donnerai plus ample considération à cette question.

En ce qui est des opérations du service militaire, elles sont, comme vous le remarquerez sans doute, d'un caractère temporaire, et nous avons ici, au quartier général, un personnel qui constitue la division, ainsi que des bureaux d'inscription dans les diverses provinces, lesquels bureaux emploient nécessairement un grand nombre de personnes, principalement préposées aux écritures. L'importance du travail varie de temps à autre, et des changements continuels ne peuvent être évités dans le personnel des employés. En outre, le travail est urgent et ne peut d'ordinaire souffrir de délai en ce qui est des nominations par la Commission. Telles sont des considérations qu'il ne faudrait pas oublier dans toutes actions que la Commission pourrait juger à propos de prendre relativement à cette opinion, et je crois qu'elles s'appliquent également avec plus ou moins de vigueur au bureau du juge central des Appels.

Je demeure, monsieur,

Votre obéissant serviteur,

E. L. NEWCOMBE, *sous-min. de la Justice.*

Au secrétaire de la Commission du Service civil.

Increases granted without certificate from Civil Service Commission.

CIVIL SERVICE COMMISSION, October 31, 1918.

SIR,—I beg to call your attention to several orders in council, dated October 12, increasing the salaries of certain officers in the Outside Service of the Department of Customs without reference to the Civil Service Commission. The Commissioner of Customs claims that this was done in accordance with the provisions of section 52 of the Civil Service Act, 1918. The Civil Service Commission wishes to point out that the Customs is the only department which has taken advantage of this section of the Act, and the action is, in the opinion of the commissioners, somewhat irregular.

I am, sir, your obedient servant,

W. FORAN, *Sec.*

The Auditor General.

AUDIT OFFICE, November 5, 1918.

SIR,—I am in receipt of yours of the 31st ultimo in reference to the increases of salary granted by the Commissioner of Customs to his employees in the Outside Service without reference to the Civil Service Commission.

When the pay-lists are received covering these increases, the attention of the department will be called to the omission of the approval of the Civil Service Commission as required by the Order in Council of 13th February last, No. 358.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A. G.*

The Secretary, Civil Service Commission.

CIVIL SERVICE COMMISSION, December 13, 1918.

SIR,—I beg to call your attention to the following orders in council of the 5th November, 1918, authorizing increases in salary which have not been submitted for the approval of the Civil Service Commission:

P.C. 28/2708, authorizing the transfer of Mr. W. B. Crombie from Prince Albert to Regina in the Department of Indian Affairs, and granting him an increase in salary of $400 per annum.

P.C. 51/2708, authorizing an increase in salary of $400 per annum to Mr. H. G. Cuttle, Department of the Interior.

P.C. 120/2708, authorizing an increase in salary of $25 per month to Mr. B. Schachere, Department of Railways and Canals.

I am, sir, your obedient servant,

W. FORAN, *Sec.*

The Auditor General.

Augmentation accordée sans certificat de la Commission dn Service civil.

COMMISSION DU SERVICE CIVIL, 31 octobre 1918.

MONSIEUR,—J'ai l'honneur d'attirer votre attention sur plusieurs arrêtés ministériels en date du 12 octobre augmentant les salaires de certains fonctionnaires du service extérieur du ministère des Douanes sans référer à la Commission du Service civil. Le commissaire des Douanes prétend que ceci a été fait conformément aux dispositions de la section 52 de la loi du Service civil, 1918. La Commission du Service civil désire vous faire remarquer que le ministère des Douanes est le seul qui se soit prévalu de cette section de la loi, et cette manière de voir, est, dans l'opinion des commissaires, quelque peu irrégulière.

Je demeure, monsieur, votre obéissant serviteur,

W. FORAN, *secrétaire.*

L'Auditeur général.

BUREAU DE L'AUDITEUR, 5 novembre 1918.

MONSIEUR,—J'accuse réception de votre honorée lettre du 31 ultimo au sujet des augmentations de salaire accordées par le commissaire des douanes à ses employés du service extérieur sans référer à la Commission du Service civil.

Quand les bordereaux de paie seront reçus contenant ces augmentations, l'attention du ministère sera attirée sur l'omission de l'approbation de la Commission du Service civil requise par l'arrêté ministériel du 13 février dernier, n° 358.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *assis.-A. G.*

Le secrétaire, Commission du Service civil.

COMMISSION DU SERVICE CIVIL,. 13 décembre 1918.

MONSIEUR,—J'ai l'honneur d'attirer votre attention sur les arrêtés ministériels suivants du 5 novembre 1918, autorisant les augmentations de salaire qui n'ont pas été soumises à l'approbation de la Commission du Service civil.

C.P. 28–2708, autorisant la permutation de M. W. B. Crombie de Prince-Albert à Regina dans le département des Affaires des Sauvages, et lui accordant une augmentation de salaire de $400 par an.

C.P. 51–2708, autorisant une augmentation de salaire de $400 par année à M. H. G. Cuttle du ministère de l'Intérieur.

C.P. 120–2708, autorisant une augmentation de salaire de $25 par mois à M. B. Schachere du ministère des Chemins de fer et Canaux.

Je demeure, monsieur, votre obéissant serviteur,

W. FORAN, *secrétaire.*

L'Auditeur général.

AUDIT OFFICE, December 12, 1918.

DEAR SIR,—With reference to your letter of the 11th instant calling my attention to certain orders in council authorizing increases of salary for which special provision had not been made by Parliament, and pointing out that in the opinion of the commissioners these increases, before having been authorized, should have been submitted to the commission for approval, permit me to say that, in my view, the objection you raise to the action of the Governor in Council in this matter should not have been addressed to me but to the Minister of the Crown responsible to Parliament for all matters coming under the jurisdiction of the commission.

Yours truly,

E. D. SUTHERLAND, *Asst. A. G.*

The Secretary, Civil Service Commission.

CIVIL SERVICE COMMISSION, December 12, 1918.

SIR,—I beg to draw your attention to orders in council Nos. P. C. 10/3042, 25/3042 and 15/3042, under date of December 10, 1918, providing for increases in salary. These were not submitted to the Civil Service Commission for approval. I desire especially to call your attention to an increase of $300 for G. A. Clark in the Customs Department at Bridgeburg, Ont.

I am, sir, your obedient servant,

W. FORAN, *Sec.*

The Auditor General.

CIVIL SERVICE COMMISSION, December 13, 1918.

DEAR SIR,—In reply to your letter of the 12th instant, I beg to inform you that the commission has already tried the expedient of calling the attention of the departments to the fact that increases in salary, outside of the regular statutory increases, should be submitted to the Civil Service Commission for approval, and has been informed that such increases are granted under the provisions of section 52 of the Civil Service Act, 1918, which states that until a schedule is approved with respect to any portion of the Outside Service, the existing law prescribing the remuneration and salaries of such portion of the Outside Service or under which the remuneration is fixed shall continue in force, and the remuneration shall continue or may be fixed or changed as heretofore.

As the Civil Service Commission has no knowledge of what increases are permitted by the laws referred to, it was considered advisable to bring all such cases to your attention, in order that the pay-lists might be carefully checked.

Yours truly,

W. FORAN, *Sec.*

The Auditor General.

BUREAU DE L'AUDITEUR, 12 décembre 1918.

CHER MONSIEUR,—En réponse à votre lettre du 11 courant attirant mon attention sur certains arrêtés ministériels autorisant des augmentations de salaire pour lesquelles des dispositions spéciales n'ont pas été prises par le parlement, et me faisant remarquer que dans l'opinion des commissaires ces augmentations, avant d'être autorisées, auraient dû être soumises à l'approbation de la Commission, permettez-moi de dire, suivant moi, l'objection que vous soulevez sur l'action du Gouverneur en conseil en cette affaire n'aurait pas dû m'être adressée mais bien au ministre de la couronne responsable au parlement pour toutes affaires venant sous la juridiction de la Commission.

Bien à vous,

E. D. SUTHERLAND, *assis.-A.G.*

Le secrétaire, Commission du Service civil.

COMMISSION DU SERVICE CIVIL, 12 décembre 1918.

MONSIEUR,—J'ai l'honneur d'attirer votre attention sur les arrêtés ministériels n° C.P. 10–3042, 25–3042 et 15–3042, en date du 10 décembre 1918, stipulant des augmentations de salaire. Ces augmentations n'ont pas été soumises à l'approbation de la Commission du Service civil. Je désire spécialement attirer votre attention sur l'augmentation de $300 à G. A. Clark du ministère des Douanes, à Bridgeburg, Ont.

Je demeure, monsieur, votre obéissant serviteur,

W. FORAN, *secrétaire.*

L'Auditeur général.

COMMISSION DU SERVICE CIVIL, 13 décembre 1918,

CHER MONSIEUR,—En réponse à votre honorée lettre du 12 courant, j'ai l'honneur de vous informer que la Commission a déjà tenté d'attirer l'attention des ministères sur le fait que les augmentations de salaire, autres que les augmentations statutaires régulières, doivent être soumises à l'approbation de la Commission du Service civil; et elle a été informée que telles augmentations sont accordées en vertu des dispositions de la section 52 de la loi du Service civil, 1918, qui statue jusqu'à ce qu'une cédule soit approuvée concernant toute partie du service extérieur, la loi en vigueur statuant que les rémunérations et les appointements de telle partie du service extérieur, ou en vertu de laquelle les rémunérations sont fixées, doivent rester en vigueur, et les rémunérations doivent continuer ou peuvent être fixées ou changées comme par le passé.

Comme la Commission du Service civil ne connait pas qu'elles sont les augmentations permises par la loi indiquée, on a pensé qu'il valait mieux porter tous ces cas à votre connaissance, pour que les bordereaux de paie soient soigneusement vérifiés.

Bien à vous,

W. FORAN, *secrétaire.*

CIVIL SERVICE COMMISSION, December 21, 1918.

DEAR SIR,—I beg to call your attention to orders in council Nos. P.C. 31 and 32/2993, under date of December 3, 1918, providing for certain increases in the Department of Indian Affairs, and to state that these were not submitted to the Civil Service Commission for approval.

Yours truly,

W. FORAN, *Sec.*

The Auditor General.

AUDIT OFFICE, December 23, 1918.

DEAR SIR,—An order in council of November 5, 1918, reads: "Railways and Canals: The Board recommends that Mr. B. Schachere, a draughtsman and calculator on the staff of the Board of Engineers of the Quebec bridge, be granted increase of salary from $150 to $175 a month."

In a letter of December 13, 1918, the Secretary of the Civil Service Commission writes to the Auditor General: "I beg to call your attention to the following orders in council of November 5, 1918, authorizing increases in salary which have not been submitted for the approval of the Civil Service Commission: . . . P.C. 120—2708, authorizing an increase in salary of $25 per month to Mr. B. Schachere, Department of Railways and Canals."

Is there a difference of opinion between the two departments as to the Quebec Bridge employees being within the sphere-of-interest of the Civil Service Commission?

Sincerely yours,

FREDERICK HAYTER, for *A.G.*

The Secretary, Railways and Canals Dept.

DEPARTMENT OF RAILWAYS AND CANALS, January 4, 1919.

DEAR SIR,—Referring to your letter of the 23rd December, addressed to the Secretary of the Department, relative to an Order in Council dated November 5th last, authorizing increase in salary to B. Schachere of the Quebec Bridge staff, $25 per month.

When this report was submitted, we were treating the staff of the Quebec bridge as coming more under the railway, the staff of the railway being exempt from the control of the Civil Service Commission. Later, however, it was decided that on account of Col. Monserrat being used by the Government as a consulting engineer, of necessity his staff would be utilized for the same service and that they should be brought under the jurisdiction of the Civil Service Commission, and the cards covering the Quebec Bridge staff were filled out and sent to the Civil Service Commission.

We had no objection to submitting the application for the increase to the Civil Service Commission, and I have no doubt the same would have been approved, but, as stated at the time the increase was authorized, we were of

COMMISSION DU SERVICE CIVIL, 21 décembre 1918.

CHER MONSIEUR,—J'ai l'honneur d'attirer votre attention sur les arrêtés ministériels nos C.P. 31 et 32–2993 en date du 3 décembre 1918, stipulant certaines augmentations dans le département des Affaires des sauvages, et de vous informer que ces augmentations n'ont pas été soumises à l'approbation de la Commission du Service civil.

Bien à vous,

WM. FORAN, *secrétaire.*

L'Auditeur général.

BUREAU DE L'AUDITEUR, le 23 décembre 1918.

CHER MONSIEUR,—Un arrêté en conseil du 5 novembre 1918 dit: "Chemins de fer: le bureau recommande que M. B. Schachere, dessinateur et calculateur dans le personnel du bureau des ingénieurs du pont de Québec recoive une augmentation de salaire de $150 à $175 par mois."

Dans une lettre du 13 décembre 1918, le secrétaire de la Commission du Service civil écrit à l'Auditeur général: "Je désire attirer votre attention sur les arrêtés en conseil suivants du 5 novembre 1918, autorisant des augmentations de salaire qui n'ont pas été soumises à l'approbation de la Commission du Service civil: C.P. 120|2708, autorisant une augmentation de salaire de $25 par mois à M. B. Schachere du ministère des Chemins de fer et Canaux."

Y a-t-il une différence d'opinion entre ces deux ministères concernant les employés du pont de Québec et leur situation par rapport à la Commission du Service civil?

FREDERICK HAYTER, *pour l'A. G.*

Au secrétaire, Chemins de fer et Canaux.

MINISTÈRE DES CHEMINS DE FER ET CANAUX, le 4 janvier 1919

CHER MONSIEUR,—Relativement à votre lettre du 23 décembre, adressée au secrétaire de ce ministère, concernant un arrêté en conseil en date du 5 novembre dernier, autorisant une augmentation de salaire de $25 par mois pour B. Schachere, du personnel du pont de Québec.

Lorsque ce rapport a été soumis, nous étions occupés du personnel du pont de Québec en tant qu'il tombait sous le contrôle des chemins de fer, le personnel des chemins de fer échappant au contrôle de la Commission du Service civil. Plus tard, cependant, il a été décidé que vu que M. Monserrat était employé comme ingénieur consultant pour le gouvernement, nécessairement son personnel serait utilisé dans le même service et par suite tomberait sous la juridiction de la Commission du Service civil, et des cartes expliquant les services du personnel du pont de Québec ont été remplies et envoyées à la Commission du Service civil.

Nous n'avons pas d'objection à soumettre la demande d'augmentation à la Commission du Service civil, et je n'ai pas de doute que cette augmentation serait approuvée, mais comme je l'ai dit, au temps où l'augmentation a été

opinion that the Quebec Bridge staff did not come under the jurisdiction of the Civil Service Commission.

We have had no difference of opinion with the Civil Service Commission on this or any other matters, and have been working in harmony with them in every case.

Yours faithfully,

G. A. BELL, *Actg. D. M.*

The Auditor General.

AUDIT OFFICE, February 4, 1919.

DEAR SIR,—Let me refer to our letter of December 23, 1918, on the subject of an increase of $25 to Mr. B. Schachere, a draftsman and calculator on the staff of the Board of Engineers of the Quebec bridge,—which increase did not carry the certificate of the Civil Service Commission.

Your explanation was that the error arose from an inadvertence, which had since been rectified.

Are there any similar cases in which, from urgency or like causes, the requirements of recent legislation in this direction have not yet been observed?

Sincerely yours,

FREDERICK HAYTER, for *A. G.*

The Deputy Minister, Railways and Canals.

Travelling Expenses of Appointees and Applicants for Positions.

AUDIT OFFICE, November 23, 1918.

SIR,—Mr. W. H. Measures, of Toronto, was appointed a stenographer in the War Committee Branch of your office on January 28 last.

I find that his travelling expenses to Ottawa on that date, amounting to $10.15, were paid by you. As it is not the practice to pay the travelling expenses of persons when accepting employment in the public service, I would like an explanation why it was done in this case.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A. G.*

The Clerk of the Privy Council.

(NOTE—This amount was subsequently refunded.)

autorisée, nous croyions que le personnel du pont de Québec ne tombait pas sous la juridiction de la commission du Service civil.

Nous n'avons pas différé d'opinion avec la Commission du Service civil sur ce sujet pas plus que sur d'autres questions, et nous avons toujours travaillé en harmonie avec elle dans chaque cas.

Sincèrement à vous,

G. A. BELL, *sous-ministre suppléant.*

A l'Auditeur général.

Bureau de l'Auditeur, le 5 février 1919.

Cher monsieur,—Permettez-moi de revenir à votre lettre du 23 décembre 1918, au sujet d'une augmentation de $25 pour M. B. Schachere, dessinateur et calculateur dans le personnel du bureau des ingénieurs du pont de Québec, augmentation qui ne portait pas le certificat de la Commission du Service civil.

Votre explication est que l'erreur provenait d'une inadvertance qui depuis a été corrigée.

Y a-t-il d'autre cas de ce genre, pour lesquel, soit urgence ou autrement, les procédures exigées par une législation récente n'ont pas été suivies.

Sincèrement à vous,

FREDERICK HAYTER, *pour l'Auditeur général.*

Dépenses de voyage de fonctionnaires et de candidats à des positions.

Bureau de l'Auditeur, 23 novembre 1918.

Monsieur,—M. W. H. Measures, de Toronto, a été nommé, le 28 janvier dernier, sténographe de la division du Comité de guerre de votre bureau.

Je constate que vous avez payé $10.15, pour ses dépenses de voyage à Ottawa ce jour là. Comme ce n'est par la pratique de payer les dépenses de voyage des personnes acceptant un emploi dans le service public, j'aimerais à avoir une explication.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *assis.-Auditeur général.*

Le greffier du Conseil privé.

Note—Ce montant a été remboursé par la suite.

AUDIT OFFICE, December 29, 1916.

Amongst claims for travelling expenses allowed I find those of applicants for positions, as follows:—

Miss M. E. Ball, Montreal to Ottawa and return	$ 7 20
Miss L. B. Gremmels, Montreal to Ottawa, return and single	11 75
Miss M. Jackson, Hamilton to Ottawa and return	22 00
Mr. R. J. Mackay-Cantell, Montreal to Ottawa and return	9 85
Miss I. L. Marriott, Hamilton to Ottawa and return	22 00
Miss A. G. Rowlands, Hamilton to Ottawa and return	23 60
Miss Ethel Sims, Toronto to Ottawa and return	19 20
	$115 60

For obvious reasons the practice of paying the travelling expenses of applicants for positions in the public service has never been permitted to gain a foothold. A refund of all such expenditure should be made.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A. G.*

The Chairman, Board of Pension Commissioners.

AUDIT OFFICE, October 3, 1918.

Paragraph from letter:

In my letter of December 29, 1916, I objected to the payment of the travelling expenses of applicants for positions. I find that this practice has not been discontinued.

I am sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A. G.*

The Secretary; Board of Pension Commissioners.

Appointment of Private Secretary.

AUDIT OFFICE, December 18, 1918.

SIR,—I am in receipt of your paylist covering the salary of Miss H. F. Sherritt, as private secretary to the Minister of your department for the current month. Under section 49 of the Civil Service Act, 1918, "no salary shall be payable to a private secretary unless the amount has been voted by Parliament." Until such provision has been made I shall be unable to pass this salary paylist. As her position is only temporary, no abatement should be made thereon.

I am sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A. G.*

The Deputy Minister Militia and Defence.

BUREAU DE L'AUDITEUR, 29 décembre 1916.

Parmi les réclamations pour dépenses de voyage accordées je trouve celles des aspirants aux emplois, comme suit:—

Mlle M. E. Ball, Montréal à Ottawa et retour	$ 7 20
Mlle L. B. Gremmels, Montréal à Ottawa retour et trajet simple	11 75
Mlle M. Jackson, Hamilton à Ottawa et retour	22 00
Mr. R. J. Mackay-Cantell, Montréal à Ottawa et retour	9 85
Mlle I. L. Marriott, Hamilton à Ottawa et retour	22 00
Mlle A. G. Rowlands, Hamilton à Ottawa et retour	23 60
Mlle Ethel Sims, Toronto à Ottawa et retour	19 20
	$ 115 60

Pour de bonnes raisons la pratique de payer les dépenses de voyage des aspirants aux emplois du service public n'a jamais été permise. Un remboursement de tous ces déboursés devra être fait.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *assis.-A.G.*

Le président de la commission des Pensions.

BUREAU DE L'AUDITEUR, 3 octobre 1918.

Paragraphe d'une lettre:

Dans ma lettre du 29 décembre 1916, j'objectais au paiement des dépenses de voyage des aspirants aux emplois. Je trouve que cette pratique n'a pas été discontinuée.

Nomination de secrétaire particulier.

BUREAU DE L'AUDITEUR GÉNÉRAL, 18 décembre 1918.

MONSIEUR,—Je viens de recevoir votre bordereau de paie comprenant le salaire de Mlle H. F. Sherritt, comme secrétaire particulier du ministre de votre ministère, pour le mois courant. En vertu de la section 49 de la loi du S.C. de 1918, «aucun salaire ne sera payable à un secrétaire particulier à moins que le montant n'ait été voté par le parlement.» Jusqu'à ce que tel montant n'ait été ainsi voté, je serai incapable d'accepter ce bordereau de paie. Comme sa position n'est que temporaire, aucune réduction n'y devrait être faite.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *assis.-A. G.*

Temporary Employment Limited.

AUDIT OFFICE, January 23, 1919.

SIR,—I beg to draw your attention to section 23 of the Civil Service Act of 1918, and more particularly to subsection 3 of that section, which provides that temporary employment shall only be authorized for a period not exceeding six months, but that such period may be extended by the Civil Service Commission for one or more periods of six months.

The majority of the employees of the Soldiers' Settlement Board have been appointed under this section, but I find that though, in some cases, the six months authorized have elapsed, the employment has been continued without obtaining the necessary extension from the commission.

I have accordingly to ask that in such cases no further payment of salary be made until such time as the authority of the commission has been obtained for an extension of the period of employment.

I am sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A.G.*

The Chairman, The Soldiers' Settlement Board.

THE SOLDIER SETTLEMENT BOARD, OTTAWA, January, 28, 1919.

SIR,—I beg to acknowledge receipt of your letter dated the 23rd inst., calling attention to the engagement of the employees of the Board, under subsection 3, section 23 of the Civil Service Act, 1918.

In reply, I beg to enclose herewith copy of a letter from the Civil Service Commission, dated the 19th June last, which states that the commission were framing regulations to obviate the necessity of renewing certificates every six months; however, we have already asked for certificates for the continuation of the services of employees who have been employed longer than six months.

Your obedient servant,

S. MABER, *for Chairman.*

The Asst. Auditor General.

CIVIL SERVICE COMMISION, June 19, 1918.

SIR,—Section 23 of the Civil Service Act, 1918, relating to temporary clerks, requires that temporary employment in the Civil Service shall only be authorized for such time, not exceeding six months, as the commission deems necessary, and that the period for which the employment is authorized shall be mentioned in the certificate of qualification by the commission. It is also necessary, for the purposes of the Auditor General's record, that the certificate should state the salary and the vote from which such salary will be paid. I shall be obliged, therefore, if, when making requisition for extra assistance, you will be careful to furnish the above-mentioned information, and such information should be

Emploi temporaire limité.

BUREAU DE L'AUDITEUR, 23 janvier 1919.

MONSIEUR,—Je prends la liberté d'attirer votre attention sur la section 23 de la loi du Service civil de 1918, et plus particulièrement sur la sous-section 3 de cette section, laquelle stipule qu'un emploi temporaire ne sera autorisé seulement que pour une période n'excédant pas six mois, mais que telle période pourra être prolongée par la Commission du Service civil, pour une ou plusieurs périodes de six mois.

La majorité des employés du bureau de Rétablissement des soldats ont été nommés en vertu de cette section, mais malgré cela, je trouve que dans certains cas, les six mois autorisés sont écoulés, et l'emploi a été continué sans obtenir de la Commission l'extension nécessaire.

J'ai en conséquence demandé à ce que dans tels cas, aucun paiement ultérieur de salaire ne soit fait avant que l'autorisation de la Commission n'ait été obtenue pour une extension de la période d'emploi.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *assis.-A. G.*

Le président, bureau de Rétablissement des soldats.

COMMISSION DU RÉTABLISSEMENT DES SOLDATS, CANADA,

OTTAWA, 28 janvier 1919.

MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre du 23 courant, attirant notre attention sur l'engagement des fonctionnaires de la commission, en vertu de la subdivision 3 de la section 23 de la loi du Service civil de 1918.

En réponse, j'ai l'honneur de vous inclure dans la présente, copie d'une lettre de la Commission du Service civil, en date du 19 juin dernier, laquelle spécifie que la Commission était à faire des règlements pour obvier à la nécessité de renouveler les certificats tous les six mois; cependant, nous avons déjà demandé des certificats pour la continuation des services des fonctionnaires qui ont été employés plus de six mois.

Votre obéissant serviteur,

S. MABER, *pour le président.*

L'assis.-Auditeur général.

COMMISSION DU SERVICE CIVIL, 19 juin 1918.

MONSIEUR,—La section 23 de la loi du Service civil de 1918, se rapportant aux commis supplémentaires, demande que l'emploi temporaire dans le Service civil ne soit autorisé que pour un temps déterminé, n'excédant pas six mois, suivant que la Commission le jugera nécessaire, et que la période pour laquelle l'emploi est autorisé doit être mentionnée dans le certificat d'aptitudes délivré par la Commission. Il est aussi nécessaire pour les fins de dossier de l'Auditeur général, que le certificat mentionne le salaire et le crédit sur lequel tel salaire sera payé. Je vous serai obligé, en conséquence, si, en faisant demande pour aide supplémentaire, vous prenez soin de donner les informations ci-haut mentionnées,

furnished immediately in the case of any clerks who have been sent to your department since the Royal Assent to the Civil Service Act of 1918, on the 24th of May. It should be noted that, if clerks are required for the duration of the war, it will be sufficient to make that statement as the probable length of employment, as it is intended that cases of this nature shall be covered in the regulations, which are now being framed by the commission, in order to obviate the necessity of renewing certificates every six months.

I am, sir, your obedient servant,

E. SAUNDERS, *for Secretary.*

The Chairman, Soldier Settlement Board.

Temporary Employees at Ottawa paid from Improper Votes.

AUDIT OFFICE, February 5, 1918.

SIR,—During the fiscal year ended March 31, 1917, the following temporary clerks employed apparently in the department at Ottawa were paid from the parliamentary appropriation for Construction of Lights and Aids to Navigation:—

H. A. Lynch	$ 1,124 97
G. L. MacLaren	1,299 96
T. F. Murdock	1,149 98
G. T. McInerney	795 00
G. W. York	75 00
W. H. Smith	200 00

I have called your attention to similar payments in previous years but have failed to elicit any explanation for charging the salaries of temporary employees at Ottawa to outside votes.

I shall be obliged if you will look into the matter and let me know the authority under which these clerks have been appointed and their salaries paid from the vote for Construction of Lights and Aids to Navigation.

I am, sir, your obedient servant,

J. FRASER, *A. G.*

The Deputy Minister, Marine and Fisheries.

AUDIT OFFICE, March 1, 1918.

SIR,—I beg to call your attention to my letter of the 5th instant, bringing to your notice salary payments during the fiscal year ended March 31, 1917, to temporary clerks apparently employed in the department at Ottawa, but which were paid from the vote for Construction of Lights.

I have not received any reply and I shall be obliged if you will give the matter your personal attention.

I am, sir, your obedient servant,

J. FRASER, *A. G.*

The Deputy Minister, Marine and Fisheries.

et telles informations doivent être données immédiatement dans le cas de tous les commis qui ont été envoyés à votre département depuis la sanction royale de la loi du Service civil, soit le 24 mai. Vous devez prendre note que si les commis ne sont requis que pour le temps de la guerre, il suffira d'en faire mention comme étant la duré probable de leur emploi. Vu qu'on se propose de réglementer les cas de cette nature, la Commission est maintenant à préparer ce règlement pour obvier au renouvellement des certificats tous les six mois.

Employés temporaires à Ottawa payés à même des crédits non appropriés.

BUREAU DE L'AUDITEUR, 5 février 1918.

MONSIEUR,—Au cours de l'exercice clos le 31 mars 1917, les commis temporaires ci-dessous, apparemment employés au ministère, à Ottawa, ont été payés à même l'appropriation parlementaire pour la construction des phares, et l'aide à la navigation:—

H. A. Lynch	$ 1,124 97
G. L. MacLaren	1,299 96
T. F. Murdock	1,149 98
G. T. McInerney	795 00
G. W. York	75 00
W. H. Smith	200 00

J'ai attiré votre attention sur semblables paiements, au cours des années précédentes, mais je n'ai pu avoir aucune explication claire quant à l'imputation aux crédits extérieurs, des salaires des employées temporaires à Ottawa.

Vous m'obligeriez, en daignant examiner cette question, et en me laissant savoir en vertu de quelle autorité ces commis temporaires ont été nommés, et leurs salaires payés à même le crédit pour la construction des phares et l'aide à la navigation.

Je demeure, monsieur, votre obéissant serviteur,

BUREAU DE L'AUDITEUR, 1er mars 1918.

MONSIEUR,—Je prends la liberté d'attirer votre attention sur ma lettre du cinq courant, portant à votre connaissance les salaires payés au cours de l'exercice clos le 31 mars 1917, aux commis temporaires apparemment employés au ministère, à Ottawa, lesquels furent payés à même le crédit pour la construction des phares.

Je n'ai encore reçu aucune réponse, et je vous serai obligé si vous daignez accorder à cette affaire votre attention personnelle.

DEPARTMENT OF MARINE, March 6, 1918.

SIR,—I am to acknowledge receipt of your letters dated the 5th ultimo and the 1st March, with reference to temporary clerks as undernoted, employed in the department and paid out of Construction of Lights.

G. L. McLaren and T. F. Murdock were employed as draughtsmen at Prescott, but as the work in which they were engaged could be better supervised in Ottawa, it was thought preferable to bring them here. They are being brought into the Inside Service on the 1st April, 1918. G. T. McInerney and W. H. Smith were only here temporarily, and have left the services of the department. H. A. Lynch and G. W. York are employed by the department in connection with outside work, and a certificate is being asked for from the Civil Service Commission for these two parties.

I am, sir, your obedient servant,

A. JOHNSTON, *D. M.*

The Auditor General.

AUDIT OFFICE, November 30, 1918.

SIR,—With reference to the employment of temporary clerks in your department, I beg to call attention to section 24 of the Civil Service Act, 1918, which directs that temporary employees shall only be paid from moneys specially voted by Parliament for the purpose, and to point out that the obvious intention of the provision was to restrict within the limits of the parliamentary appropriation so provided the employment of temporary clerks in any department.

No other appropriation covered by a department's letter of credit may be used for the payment of temporary clerks or employees.

Apparently section 24 is applicable to temporary employment in the Inside or Outside Civil Service.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A. G.*

The Deputy Minister, Marine and Fisheries.

AUDIT OFFICE, November 28, 1918.

SIR,—I am in receipt of a certificate for the temporary employment of Violet Clement in the Trade and Commerce Department, which states that her salary is to be charged to "Administration of Food."

Under the Act of 1918, temporary employees shall only be paid out of moneys specially voted by Parliament for the purpose. The provision made by Parliament for the payment of the salaries of temporary employees of the Inside Service at Ottawa is voted under Civil Government Contingencies, as

MINISTÈRE DE LA MARINE, 6 mars 1918.

MONSIEUR,—J'accuse réception de vos lettres du 5 ultimo et du 1er mars au sujet des commis temporaires mentionnés plus bas comme employés au ministère et imputés au compte d'installation des lumières.

G. L. McLaren et T. F. Murdock ont été employés comme dessinateurs à Prescott, mais comme le travail pour lequel ils étaient engagés pouvait être mieux contrôlé à Ottawa, on a cru préférable de les faire venir ici. Ils ont été inclus dans le service intérieur le 1er avril 1918. G. T. McInerney et W. H. Smith n'ont été ici que temporairement, et ont laissé le service du ministère. H. A. Lynch et G. W. York sont employés au ministère pour le travail du dehors, et un certificat est demandé pour les deux à la Commission du Service civil.

Je demeure, monsieur, votre obéissant serviteur,

A. JOHNSTON, *sous-ministre.*

L'Auditeur général.

BUREAU DE L'AUDITEUR, 30 novembre 1918.

MONSIEUR,—Au sujet de l'emploi de commis surnuméraires dans votre ministère, j'ai l'honneur d'attirer votre attention sur la section 24 de la loi du Service civil, 1918, concernant les employés temporaires qui ne doivent être payés qu'à même les fonds votés spécialement pour eux par le parlement, et de vous faire remarquer que l'intention évidente de cette disposition était de restreindre aux limites des appropriations du parlement ainsi pourvûes l'emploi de commis temporaires dans tous les ministères.

Aucun autre crédit obtenu par lettre de crédit d'un ministère peut être employé au paiement de commis ou employés temporaires.

Apparemment la section 24 peut s'appliquer à un emploi temporaire du Service intérieur ou extérieur.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *assis.-A.G.*

Le sous-ministre, Marine et Pêcheries.

BUREAU DE L'AUDITEUR, 28 novembre 1918.

MONSIEUR,—J'ai reçu un certificat pour l'emploi temporaire de Violet Clement dans le ministère du Commerce, où il est dit que son salaire sera imputé à l'"Administration des vivres".

Sous l'empire de la loi de 1918, les employés temporaires ne seront payés que sur les sommes votées spécialement à cette fin par le parlement. Le parlement pourvoit au paiement des salaires des employés temporaires du service intérieur à Ottawa par un crédit sous la rubrique de "Dépenses contingentes du gouvernement civil, pour aides aux écritures et autres". Il n'y a rien

clerical and other assistance. No such provision is made under the vote for Adulteration of Food. If the vote for Contingencies is not sufficient, it may be increased in the supplementary estimates for the current year.

All appointments authorized under the War Appropriation Act are properly chargeable to that vote, but in the case of all other temporary appointments in the Inside Service, it is intended that they should be provided for under the Contingencies vote and paid therefrom.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A. G.*

The Deputy Minister Trade and Commerce.

DEPARTMENT OF TRADE AND COMMERCE, December 5, 1918.

DEAR SIR,—I beg to acknowledge receipt of yours of the 28th November respecting the temporary employment of Miss Violet Clement in the Chief Analyst's Branch of this department, and would state that Miss Clement's salary will be paid out of Civil Government Contingencies until the close of the current fiscal year.

Yours truly,

Promotion without Examination in Outside Service.

POST OFFICE DEPARTMENT, July 15, 1918.

SIR,—I beg to enclose herewith a memorandum prepared by Mr. Fowler, Assistant Deputy Minister, giving his reasons as to why Madame Pouget was promoted out of the third class without having been required to pass the Civil Service Qualifying Examination.

It will be observed that it is stated that Madame Pouget was employed in the office of the Clerk of the Crown in Chancery on the 1st April, 1912, and in this connection I might mention that Madame Pouget was then Miss Yvonne St. Jacques, that being before her marriage.

Sincerely yours,

de pourvu sous le titre de la "Falsification des produits alimentaires". Si le crédit voté pour les dépenses contingentes n'est pas suffisant, il peut être augmenté dans les crédits supplémentaires pour l'année courante.

Toutes les nominations autorisées sous l'empire de la loi des crédits de guerre sont imputables à cette rubrique, mais dans le cas de tout autre nomination temporaire dans le service intérieur, il est pourvu qu'elles doivent être couvertes et payées par le crédit des dépenses contingentes.

CHER MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre du 28 novembre concernant l'emploi temporaire de Mlle Violet Clement, dans la division du chef analyste de ce ministère et j'ajouterai que les appointements de Mlle Clement seront imputés aux dépenses contingentes du gouvernement civil jusqu'à la fin du présent exercice.

MINISTÈRE DES POSTES, le 15 juillet 1918.

MONSIEUR,—Veuillez trouver ci-inclus un mémoire préparé par M. Fowler, assistant sous-ministre, donnant les raisons pour lesquelles madame Pouget a été promue de la troisième classe sans avoir besoin de passer l'examen de qualification du service civil.

Il faut remarquer le fait que madame Pouget était employée au bureau du greffier de la Couronne en chancellerie à la date du 1er avril 1912, et à ce sujet, je dirai que c'était alors avant son mariage et qu'elle s'appelait Mlle Yvonne St-Jacques.

POST OFFICE DEPARTMENT, June 12, 1918.

MEMORANDUM.

Section 3 of the Civil Service Amendment Act, 1912, reads as follows:—

No person shall be eligible for the position of third-class clerk in a city post office unless he has passed either the Civil Service preliminary or the qualifying examination, or is a graduate of the Royal Military College or of a university in Canada, and, except as to persons in the Civil Service at the time this Act comes into force, no third-class clerk, who, on appointment, had passed the preliminary examination only, shall be eligible for promotion to a higher class until he passes the qualifying examination. . . . . .

At the time this Act came into force, Mrs. Y. Pouget was in the Service, being employed in the Office of the Clerk of the Crown in Chancery. She passed the preliminary examination in the month of May, 1915, and was appointed as a third-class clerk in the Ottawa Post Office on the 1st of June, 1915.

Having been in the Service at the time (1st April, 1912) the Act of 1912 came into force she was eligible for promotion to the second-class without passing the qualifying examination.

Mrs. Pouget was brought into the Service of this department as an assistant in the Postmaster General's Office, having formerly been employed as an assistant in the office of the Minister of Inland Revenue. Any promotions granted to her were given by specific instructions of the Postmaster General, as can be seen from the file.

ROBERT FOWLER, *Asst. D. M.*

AUDIT OFFICE, July 18, 1918.

SIR,—I beg to acknowledge your letter of 15th instant in regard to the case of Mrs. Pouget, and Mr. Fowler's memorandum thereon.

The argument as to the legality of Mrs. Pouget's promotion from the third-class without having passed the qualifying examination is based on the contention that she was in the Civil Service at the time the Amendment to the Civil Service Act was passed, April 1, 1912, and under section 3 was eligible for promotion. Mr. Fowler says, " At the time this Act came into force Mrs. Pouget was in the Service, being employed in the office of the Clerk of the Crown in Chancery. Mrs. Pouget (then Miss Yvonne St. Jacques, as you inform me) appears to have been temporarily employed in that office for 119 days up to the 31st July, 1912, but surely it cannot be seriously claimed that that would constitute her " a person in the Civil Service." The words " persons in the Civil Service at the time this Act comes into force " as used in section 3 and referring to third-class clerks in city post offices, appear to me to apply only to persons who had been regularly appointed by order in council, and cannot be construed to apply to a person who happened to be doing some temporary work in a government office on April 1, 1912.

Mrs. Pouget was appointed a temporary clerk April, 1915; permanent third-class " B," July 1, 1915, at $600, and has received the following promotions since : third-class " A," October 1, 1915, at $800; second-class " B," July 1, 1916, at $1,000; second:class " A," November 1, 1916, at $1,200; first-

MINISTÈRE DES POSTES, 12 juin 1918.

MÉMOIRE.

L'article 3 de la loi modifiant la loi du Service civil, 1912, se lit comme suit:—

«Nulle personne n'aura droit à la position de commis de troisième classe dans un bureau de poste urbain, à moins d'avoir passé soit l'examen préliminaire, soit l'examen d'aptitudes du service civil, ou d'être un diplômé du collège militaire Royal ou d'une université au Canada, et, à l'exception des personnes qui étaient au service à l'époque de l'entrée en vigueur de la présente loi, aucun commis de troisième classe qui, lors de sa nomination n'avait passé que l'examen préliminaire, n'aura droit à la promotion à une classe supérieure tant qu'il n'aura pas passé l'examen d'aptitudes.»

A l'époque où cette loi est venue en vigueur, Mme Y. Pouget était au service, étant employée dans le bureau du greffier de la Couronne en chancellerie. Elle a passé l'examen préliminaire dans le mois de mai 1915 et a été nommée commis de troisième classe au bureau de poste d'Ottawa le premier juin 1915.

Etant en service au temps (1er avril 1912) où la loi de 1912 est venue en vigueur, elle est éligible pour une promotion à la deuxième classe sans passer l'examen d'aptitudes.

Mme Pouget passa dans le service de ce ministère comme assistante dans le bureau du ministre des Postes, ayant auparavant été employée comme assistante dans le bureau du ministre du Revenu de l'intérieur. Toutes les promotions qui lui ont été accordées ont été faites sur les instructions spécifiques du ministre des Postes, comme on peut le constater par le dossier.

ROBERT FOWLER, *assis.-sous-ministre.*

BUREAU DE L'AUDITEUR, le 18 juillet 1918.

MONSIEUR,—J'accuse réception de votre lettre du 15 courant au sujet du cas de Mme Pouget et du mémoire de M. Fowler.

L'argument à propos de la légalité de la promotion de Mme Pouget de la troisième classe sans avoir passé l'examen d'aptitudes est basé sur la prétention qu'elle était dans le service au temps de l'amendement de la loi du Service civil, le 1er avril 1912, et qu'en vertu de l'article 3, elle est susceptible d'être promue. M. Fowler, dit «A l'époque où cette loi est venue est vigueur, Mme Y. Pouget était au service, étant employée dans le bureau du greffier de la Couronne en chancellerie.» Mme Pouget (alors Mlle Yvonne St-Jacques, comme vous me dites) paraît avoir été employée temporairement audit bureau pendant 119 jours au 31 juillet 1912, mais on ne peut certainement pas prétendre que cela forme ce que l'on appelle "une personne dans le service civil.» Les mots «personnes dans le service civil au temps où cette loi deviendra en vigueur» tels que mis dans l'article 3 et s'appliquant aux commis de troisième classe dans les bureaux de poste urbains, me paraissent s'appliquer seulement aux personnes qui avaient été régulièrement nommées par arrêté en conseil, et ne peuvent être interprétés comme s'appliquant à une personne qui se trouvait à faire quelque ouvrage temporaire dans un bureau du gouvernement au 1er avril 1912.

Mme Pouget a été nommée commis temporaire en avril 1915; permanente dans la troisième classe, grade B, le 1er juillet 1915, à $600 et a reçu depuis les promotions suivantes: 3e classe «A» le 1er octobre 1915 à $800; 2e classe «B» le premier juillet 1916, à $1,000; 2e classe «A» le premier novembre 1916, à

class " B," June 1, 1917, at $1,400. With the annual increment of $50 since the date of promotion to third-class " A," Mrs. Pouget would now be in receipt of a salary of $900.

I shall be glad to know what action, if any, you propose to take in this matter.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A. G.*

The Deputy Postmaster General.

POST OFFICE DEPARTMENT, July 18, 1918.

DEAR SIR,—I am enclosing herewith a memorandum regarding the employment of an official of this department, and should be obliged if you will furnish me with an opinion thereon at your early convenience.

Yours truly,

ROBERT FOWLER, *Asst. D. M.*

The Deputy Minister of Justice.

POST OFFICE DEPARTMENT, July 18, 1918.

In the latter part of the year 1911, Mrs. Yvonne Pouget was appointed in the office of the Clerk of the Crown in Chancery under section 23 of the Civil Service Act, which provides for the employment of extra assistance by authority of the Governor in Council. Mrs. Pouget was in the Service on the 1st of April, 1912, in pursuance of such order in council.

Prior to the 1st April, 1912, all temporary employees in the Outside Service of the Post Office Department were appointed by the Postmaster General without order in council, but under the Civil Service Amendment Act of 1912, which came in force on the 1st April, 1912, all temporary employees in the Outside Branch of the Post Office Department on and after that date were appointed by order in council, provided for in sections 5 and 6 of the said amendment. The said amendment also provided for certain qualifications necessary for appointment to third-class clerkships in the Postal Service, and promotions beyond that class. Section 3 reads as follows:—

> 3. No person shall be eligible for the position of third-class clerk in a city post office unless he has passed either the Civil Service preliminary or qualifying examination, or is a graduate of the Royal Military College or of a university in Canada, and, except as to persons in the Civil Service at the time this Act comes into force, no third-class clerk, who, on appointment, had passed the preliminary examination only, shall be eligible for promotion to a higher class until he passes the qualifying examination, or unless he is a graduate of the Royal Military College or of a university in Canada.

On the 1st June, 1915, Mrs. Pouget, who was appointed to the office of the Clerk of Crown in Chancery in the latter part of the year 1911 by order in council

$1,200; 1ère classe «B» le premier juin 1917, à $1,400. Avec les augmentations annuelles de $50 depuis la date de sa promotion à la 3e classe «A», Mme Pouget retirerait maintenant un salaire de $900.

Je serais heureux de savoir ce que vous vous proposez de faire dans le cas où vous jugeriez bon d'agir.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *assis.-Auditeur général.*

Au sous-ministre des Postes.

MINISTÈRE DES POSTES, le 18 juillet 1918.

CHER MONSIEUR,—Je vous envoie ci-inclus un mémoire concernant l'emploi d'un fonctionnaire de ce ministère, et je vous serais bien obligé de donner votre opinion sur cette question asusitôt que vous le pourrez.

Bien à vous,

ROBERT FOWLER, *assis.-sous-ministre.*

Au sous-ministre de la Justice.

MINISTÈRE DES POSTES, le 18 juillet 1918.

Dans la dernière partie de l'année 1911, Mme Yvonne Pouget fut nommée au bureau du greffier de la Couronne en chancellerie en vertu de l'article 23 de la loi du Service civil, qui pourvoit à l'emploi d'aides temporaires sous l'autorité du Gouverneur en conseil. Mme Pouget était dans le service au 1er avril 1912, par suite de cet arrêté en conseil.

Avant le premier d'avril 1912, tous les employés temporaires dans le service extérieur du ministère des Postes étaient nommés par le ministre des Postes sans arrêté en conseil, mais par la loi du Service civil de 1912, tous les employés temporaires dans le service extérieur du ministère des Postes, depuis cette date, ont été nommés par arrêté en conseil, tel que pourvu par les articles 5 et 6 de la dite loi modifiée. Cette loi modifiée pourvoyait aussi à certaines qualifications nécessaires pour être nommé à la troisième classe comme commis dans le service postal, et pour les promotions audelà de cette classe. L'article 3 se lit comme suit:—

> «3.—Nulle personne n'aura droit à la position de commis de troisième classe dans un bureau de poste urbain, à moins d'avoir passé soit l'examen préliminaire, soit l'examen d'aptitudes du service civil, ou d'être un diplômé du collège militaire Royal ou d'une université au Canada, et, à l'exception des personnes qui étaient au service à l'époque de l'entrée en vigueur de la présente loi, aucun commis de troisième classe qui, lors de sa nomination, n'avait passé que l'examen préliminaire, n'aura droit à la promotion à une classe supérieure tant qu'il n'aura pas passé l'examen d'aptitudes, ou à moins qu'il ne soit un diplômé du collège militaire Royal ou d'une université au Canada.»

Le premier juin 1915, Mme Pouget qui avait été nommée au bureau du greffier de la Couronne en chancellerie dans la dernière partie de l'année 1911, par arrêté

under section 23 of the Civil Service Act, was appointed as a third-class clerk in the Ottawa post office, having passed the Civil Service preliminary examination for the Outside Service. Subsequently she was promoted by order in council to the second class. The question is now being raised as to whether such promotion was properly made.

In view of section 3 of the Civil Service Amendment Act, 1912, and the fact that the appointment of 1911 was made by order in council, it is contended by this department that Mrs. Pouget was in the service on the 1st April, 1912, and was therefore entitled to promotion to the second class without being required to pass the Civil Service qualifying examination, the exception contained in section 3 making her eligible without further examination on account of being in the Service on the 1st April, 1912, the date the amendment came into effect. Had she not been in the service in 1911, there would have been no necessity for the appointment to have been made by order in council.

In this connection it may be mentioned that immediately after the amendment of 1912 came into effect, the department obtained from its law clerk an opinion that this section be construed in its widest sense.

JUSTICE DEPARTMENT, September 3, 1918.

DEAR SIR,—I have the honour to reply to your letter of the 18th July with respect to the promotion of Madame Yvonne Pouget to the second class. I understand the facts to be as follows: Madame Pouget was temporarily employed in the Civil Service on and before April 1, 1912, the date of the coming into force of 2 George V, chapter 14, being an Act to amend the Civil Service Act. Subsequently, she was appointed as a third-class clerk in the Ottawa post office, having passed the preliminary examination, and has since been promoted to the second class. You ask to be advised as to the validity of this promotion in view of the fact that she has not passed the qualifying examination, as provided by section 3 of the Act of 1912, above referred to.

This section provides that no third-class clerk shall be eligible for promotion to a higher class until he passes the qualifying examination, unless he was in the Civil Service at the time the Act came into force. It appears to me that Madame Pouget is within the exception, and that therefore her promotion to the second class is valid.

I am, sir, your obedinet servant,

E. L. NEWCOMBE, *D. M. of Justice.*

The Assistant Deputy Minister, Post Office Dept.

AUDITOR GENERAL'S OFFICE, October 8, 1918.

SIR,—I have received from the Post Office Department under date of 1st instant a copy of the letter of Mr. Robt. Fowler of 18th July last submitting the question of Madame Pouget's promotion for your opinion.

Mr. Fowler says that Madame Pouget was appointed to the office of the Clerk of the Crown in Chancery by order in council.

en conseil, en vertu de l'article 23 de la loi du Service civil, fut nommée commis de troisième classe au bureau de poste d'Ottawa, ayant passé l'examen préliminaire du Service civil pour le service extérieur. Plus tard, elle a été promue à la deuxième classe par arrêté en conseil. Il est maintenant question de savoir si cette promotion a été faite régulièrement.

En vertu de l'article 3 de la loi modifiant la loi du Service civil, 1912, et par suite du fait que la nomination de 1911 fut faite par arrêté en conseil, c'est la prétention de ce ministère que Mme Pouget était dans le service le 1er avril 1912, et avait par conséquent droit à la promotion à la deuxième classe sans avoir besoin de passer l'examen d'aptitudes du service civil, l'exception contenue dans l'article 3 la rendant éligible sans autre examen parce qu'elle était dans le service au 1er avril 1912, date où la modification est venu en vigueur. Si elle n'avait pas été dans le service en 1911, il n'y aurait pas eu nécessité de faire la nomination par arrêté en conseil.

A ce propos, il est bon de dire qu'immédiatement après l'entrée en vigueur de la modiffcation de 1912, le ministère a obtenu de son greffier en loi un avis que cet article doit être interprété dans son sens le plus large.

MINISTÈRE DE LA JUSTICE, 3 septembre 1918.

CHER MONSIEUR,—J'ai l'honneur de répondre à votre lettre du 18 juillet, relativement à la promotion de madame Yvonne Pouget, à la deuxième classe. Je comprends que les faits sont comme suit:—

Madame Pouget a été employée temporairement dans le Service civil, le ou avant le 1er avril 1912, date de l'entrée en vigueur de la loi modifiant la loi du Service civil, 2 George V, chapitre 14. Subséquemment, elle fut nommée commis de troisième classe, au bureau de poste d'Ottawa, ayant passé l'examen préliminaire, et promue, depuis, dans la deuxième classe. Vous me demandez mon avis quant à la validité de cette promotion, vu qu'elle n'a pas subi l'examen d'aptitudes tel que requis par l'article 3 de la loi de 1912, ci-haut mentionnée.

Cette section stipule que nul commis de troisième classe ne sera éligible à une promotion à une classe plus élevée, avant d'avoir passé l'examen d'aptitudes, à moins qu'il ne fût dans le service civil au moment où la loi est devenue en vigueur. Il me semble que madame Pouget se trouve dans cette exception, et que, par conséquent, sa promotion dans la deuxième classe est valide.

Je demeure, monsieur, votre obéissant serviteur,

E. L. NEWCOMBE, *sous-ministre de la Justice.*

Au sous-ministre des Postes, Ottawa.

BUREAU DE L'AUDITEUR, 8 octobre 1918.

MONSIEUR,—J'ai reçu du ministère des Postes, le 1er du mois courant, une copie de la lettre de M. Robert Fowler, datée du 18 juillet dernier, soumettant la question de la promotion de madame Pouget à votre opinion.

M. Fowler dit que madame Pouget a été nommée au bureau du greffier de la Couronne en chancellerie par arrêté en conseil.

That is not the case; at least there is no record of her appointment in this office, and I am informed by the Privy Council Office that the staff of that officer who were employed in compiling the returns of the general election of 1911 were not so appointed.

There was considerable correspondence from time to time between this office and the Clerk of the House of Commons on the subject of getting the authority of the Governor in Council for the employment of extra clerks as called for by section 94 of the Civil Service Amendment Act of 1908. That officer appeared to think it unnecessary to go outside the authority of the House of Commons.

However, I do not suppose that whether there was an order in council or not, affects the position of Madame Pouget in regard to her recent promotion. My contention is that having been only temporarily employed on the 1st April, 1912, which employment ceased on the 31st July, 1912, she cannot be considered to have been " a person in the Civil Service at the time this Act comes into force " as contemplated by section 3 of the Civil Service Amendment Act of 1912.

Moreover, the Act of 1912 amended the Civil Service Act only in so far as it related to the Outside Service of the Post Office Department, and deals exclusively with that department, so that it appears to be a reasonable conclusion that the words appearing in section 3 " except as to persons in the Civil Service at the time this Act comes into force " were intended to apply to persons who had been permanently appointed in the Post Office Department of the Civil Service. That it was ever contemplated that a person who happened to be in the pay of the Government on the 1st April, 1912, no matter in what capacity, or without previous experience in Post Office work was to be accorded the special privilege of promotion without examination, seems to me incredible.

Mr. Fowler appears not to have sent you a copy of my letter of 18th July to the Deputy Postmaster General in regard to this subject, so I am enclosing one.

If you are still of the opinion that section 3 should be given its literal reading and that Madame Pouget's promotion has been properly made I shall be glad to be so advised.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A. G.*

The Deputy Minister of Justice.

DEPARTMENT OF JUSTICE, October 21, 1918.

SIR,—I have the honour to reply to your letter of the 8th instant with respect to the promotion of Madame Pouget, in which you suggest for reconsideration two questions involved in my opinion recently given to the Post Office Department in this matter.

You submit that because Madame Pouget was only a temporary employee on the 1st April, 1912, therefore she was not " a person in the Civil Service " on that date, but that question is not in my view debatable, having regard to the statutory definition, and I see no reason to suppose that Parliament intended to exclude temporary employees from the classification.

Furthermore, you suggest that as the Civil Service Amendment Act of 1912 related purely to the Outside Service of the Post Office, therefore the words

Tel n'est pas le cas; du moins, il n'y a pas de trace de sa nomination dans ce bureau, et le greffier du Conseil privé m'informe, que le personnel employé à la compilation des rapports de l'élection générale de 1911, n'a pas été ainsi nommé.

Il y a eu, de temps à autre, une volumineuse correspondance entre ce bureau et le greffier de la Chambre des communes, pour obtenir l'autorisation du Gouverneur en conseil pour l'emploi de commis supplémentaires, tel que requis par la section 94 de la loi amendant la loi du Service civil de 1908. Ce fonctionnaire a semblé croire qu'il n'est pas nécessaire d'outrepasser l'autorité de la Chambre des Communes.

A tout événement, qu'il y ait un ordre en conseil ou non, je ne suppose pas que ça puisse affecter la position de madame Pouget en ce qui est de sa promotion récente. Je suis d'opinion, qu'ayant été employée comme temporaire seulement, depuis le 1er d'avril 1912, lequel emploi a cessé le 21 juillet 1912, elle ne peut être considérée comme "étant une personne dans le service civil au temps de l'entrée en vigueur de cette loi" tel que le veut l'article 3 de la loi modifiant la loi du Service civil de 1912.

De plus, la loi de 1912 amendait la loi du Service civil en tant qu'elle s'appliquait au service extérieur du ministère des Postes, et traite exclusivement des affaires de ce ministère, de sorte qu'il paraît raisonnable de conclure que les mots apparaissant dans l'article 3 " à l'exception des personnes dans le service civil au temps de l'entrée en vigueur de cette loi " sont destinés à s'appliquer aux personnes qui ont été nommées permanemment dans le service civil du ministère des Postes. Il semble incroyable que l'on ait eu l'intention de donner à une personne qui s'est trouvée à la solde du gouvernement au 1er avril 1912, à n'importe quel titre, ou sans expérience antérieure du travail dans le ministère des Postes, le privilège spécial d'une promotion sans examen.

Il semble que M. Fowler ne vous a pas envoyé une copie de ma lettre du 18 juillet au sous-ministre des Postes concernant ce sujet, de sorte que je vous en envoie une.

Si vous êtes encore d'opinion que l'on doit donner à l'article 3 son sens littéral, et que la promotion de madame Pouget a été faite régulièrement, je serais heureux d'en être avisé.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *assis.-Auditeur général.*

Au sous-ministre de la Justice.

MINISTÈRE DE LA JUSTICE, 6 mars 1918.

MONSIEUR,—J'ai l'honneur de répondre à votre lettre du 8 courant au sujet de la promotion de madame Pouget, dans laquelle vous demandez reconsidération de deux questions comprises dans ma récente opinion donnée en cette affaire au ministère des Postes.

Vous prétendez que madame Pouget n'étant qu'une employée temporaire le 1er avril 1912, par ce fait n'était pas " une personne dans le service civil " à cette date, mais cette question suivant moi, n'est pas discutable, eu égard à la définition statutaire, et je ne vois aucune raison de supposer que le parlement avait l'intention d'exclure de la classification les employés temporaires.

De plus, vous suggérez que comme la loi modifiant la loi du Service civil de 1912 concernait seulement le service extérieur du ministère des Postes, en consé-

"persons in the Civil Service" as used in section 3 of that Act means only persons who had been permanently appointed in the Post Office Department of the Civil Service; but I think that had Parliament intended such a restricted meaning, words less general than "persons in the Civil Service" would have been used.

I am of opinion, therefore, notwithstanding the questions you suggest, that Madame Pouget's promotion was properly made.

I am, sir, your obedient servant,

AUDIT OFFICE, October 25, 1918.

SIR,—With reference to the case of Madame Pouget, I have just received a letter from the Deputy Minister of Justice in which he confirms his opinion, previously expressed, that the promotion of Madame Pouget was properly made.

In view of this, no further objection to her promotion will be taken by this office.

SIR,—Replying to your letter of the 7th instant, I am enclosing, herewith, a copy of the certificate of qualification which was issued in the case of Mr. Marcel Gabard, Official Reporter of the Debates of the House of Commons; in Grade B of the First Division. This position was not advertised in the Canada Gazette, the Civil Service Commissioners having decided that a competition was impracticable, and the appointment was, therefore, made under the provisions of Section 21 of the Civil Service Amendment Act, 1908.

quence les mots " personnes dans le service civil," tels qu'employés dans la section 3 de cette loi, signifient seulement les personnes qui ont été nommées permanentes dans le service civil du ministère des Postes, mais je crois que si le parlement avait eu en vue une pareille restriction il se serait servi de mots moins vagues que ceux de " personnes dans le service civil."

Je suis donc d'opinion que malgré les questions que vous soulevez, que la promotion de madame Pouget a été justement faite.

Payment to Canadian Northern Railway.

AUDIT OFFICE, August 16, 1918.

DEAR SIR,—I have to acknowledge your application of the 8th instant, for a payment of $150,000 to the Canadian Northern Railway, and advance on account of adjustment in the matter of the Qu'Appelle Long Lake and Saskatchewan Railway Subsidy Account.

It is represented that this payment is on account of an amount due by the Government for the transport of mails, etc., since the 1st of July, 1910, at which date a balance of the account was struck. This balance has been arrived at without taking into account interest at 4 per cent simple interest for the preceding twenty years on the semi-annual payments of $40,000 which the Qu'Appelle Long Lake and Saskatchewan Railway had received from the Government, less any sums credited to the account under the transport agreement. The Government, under order in council, of March 13 last, proposes to remit this sum for interest.

It was the practice for a number of years to charge compound interest, but on representation by the company that only simple interest could be charged under the agreement between it and the Government, the claim was conceded, upon the advice of the Department of Justice, and a sum of $229,969.53 was written off the account.

At 4 per cent simple interest, the amount accrued, to the close of the subsidy period in 1910, amounts to $588,455.73, which sum it is proposed to remit.

The company, it appears, now refuses to recognize the Government's claim for interest, on the ground that it has been advised by eminent English and Canadian counsel that it is under no legal liability to make payment. This contention is now set up notwithstanding the agreement in the transport contract that interest was to be paid and the tacit recognition of its liability when the charge of compound interest was contested.

The opinion of the Deputy Minister of Justice, in which the Minister concurs, is that the company is liable for interest.

The order in council of 13th March, 1918, states:—"It appears to the Minister that, apart from the difficulties involved, it is a question of expediency in the public interest whether the offer of the company should be accepted, and having regard to the uncertainties of litigation, he is disposed to think that it would not be inadvisable to compromise the claim by accepting the offer of settlement made by the company, as above set out, which appears to the Minister in the circumstances of the case to be not unreasonable."

In writing off such a large Government asset, it would be well, I think, to secure legislative authority, or to submit the proposed action to the Public Accounts Committee of the House of Commons, for its consideration.

With regard to the proposed remission of interest in this case, similar action has been taken in the case of the Calgary and Edmonton Railway subsidy, and by an order in council of the 11th of March, 1918, the sum of $559,876.51, has been remitted.

The subsidy period for the Canadian Northern Railway has yet some two years to run, but a precedent has been set, which will necessarily have to be followed with that company.

The interest accrued on that account to 1st of January, 1918, is approximately $348,000.

The abrogation by the Government of its claims to sums amounting to over a million dollars,

Paiement au chemin de fer Nord-Canadien.

BUREAU DE L'AUDITEUR, le 16 août 1918.

CHER MONSIEUR,—J'ai reçu votre demande du 8 courant pour un paiement de $150,000 au chemin de fer Canadian Northern, comme avance au compte de rejustement dans la question du compte de subsides au chemin de fer Qu'Appelle Long Lake et Saskatchewan.

Il est allégué que ce paiement est un acompte sur un montant dû par le gouvernement pour le transport des malles, etc., depuis le premier de juiller 1910, à laquelle date, une balance de compte fut biffée. Cette balance a été trouvée sans calculer l'intérêt de 4% à intérêt simple pour les vingt années antérieures sur les paiements semi-annuels de $40,000 que le chemin de fer Qu'Appelle Long Lake et Saskatchewan a reçus du gouvernement, moins les sommes portées au crdéit du compte en vertu de la convention de transport. Le gouvernement, par l'arrêté en conseil en date du 13 mars dernier, se propose de remettre ce montant d'intérêt.

On a toujours eu l'habitude depuis plusieurs années de calculer un intérêt composé, mais sur les représentations de la compagnie que l'intérêt simple seulement pouvait être demandé en vertu de la convention entre elle et le gouvernement, la réclamation fut retirée, sur l'avis du ministère de la Justice, et une somme de $229,969.53 fut biffée du compte.

A 4% d'intérêt simple, le montant accumulé à la fin de la période des subsides, en 1910, s'élevait à $588,455.73, somme que l'on se propose de remettre.

La compagnie, paraît-il, refuse de reconnaître la réclamation du gouvernement pour intérêt, sous prétexte qu'iun consel éminent anglais et canadien a émis l'opinion qu'elle n'a pas de responsabilité légale pour ce paiement.Cette prétention est maintenant alléguze malgré la convention dans le contrat de transport que l'intérêt doit être payé, et la reconnaissance tacite de sa responsabilité lorsque la daette été contestée à propos de l'intérêt composé.

L'opinion du sous-ministre de la Justice, dans laquelle concourt le ministre, est que la compagnie est responsable du montant de cet intérêt.

L'arrêté en conseil du 13 mars 1918 déclare:

«Le ministre croit qu'à part les difficultés invoquées, c'est une question d'intérêt public de savoir si l'offre de la compagnie sera acceptée; et qu'en considérant les incertitudes du procès, il est disposé à croire qu'il ne serait pas sage de compromettre la réclamation en acceptant l'offre de règlemenr faite par la compagnie, tel qu'exposée ci-dessus, chose que le ministre ne croit pas raisonnable dans les circonstances.

Pour biffer une somme si considérable de l'actif du gouvernement, il serait préférable, je crois, d'avoir l'autorisation du Parlement ou de soumettre l'action proposée au comité des comptes publics de la chambre des Communes, pour y être étudiée.

Relativement à la remise proposée de l'intérêt dans ce cas, une action semblable a été prise dans le cas du subside au chemin de fer Calgary et Edmonton, et par un arrêté en conseil du 11 mars 1918, la somme de $559,876.51 a été remise.

La période de subsides pour le Canadian Northern doit se terminer dans deux ans, mais un précédent a été établi, et il sera nécessairement suivi par cette oompagnie.

L'intérêt accumulé sur ce compte au premier juillet 1918 est de près de $348,000.

La renonciation par le gouvernement à ses réclamations pour des sommes s'élevant a plus d'un

which do not appear ever to have been disputed by the companies until the time for settlement had arrived, is a proceeding which I consider, as I have already said, should have parliamentary authority.

I regret that the Auditor General, who is away from the office through illness is unable to deal with this subject himself, but from a short conversation I have had with him on it, I am able to say that he wishes that the payment you have applied for should not be made until he has been able to give the subject fuller consideration.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A.G.*

The Asst. Deputy Minister of Finance,

Payment to Canadian Pacific Railway.

AUDIT OFFICE, October 31, 1918.

SIR,—I have your application for a payment of $3,054.41 to the Canadian Pacific Railway, being an amount deposited by the Department of Militia and Defence to the credit of the Calgary and Edmonton Railway Special Account, for transportation.

On the same grounds that I have declined to pass your application of 8th August last for a payment of $250,000 to the Canadian Northern Railway on account of the Qu'Appelle, Long Lake and Saskatchewan Special Account, I am unable to authorize payment of the present one.

My views on the subject were given in my letter to you on 14th August last.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A.G.*

The Deputy Minister of Finance.

million de dollars, réclamations qui ne paraissent même pas avoir été contestées par les compagnies avant le temps du règlement de compte, est une procédure qui d'après moi, comme je l'ai déjà dit, devrait être couverte apr l'autoristaion du parlement.

Je regrette que l'auditeur général, qui est absent pour cause de maladie, soit incapable de voir à cette question lui-même, mais d'après une courte conversation que j'ai eue avec lui, je puis dire qu'il désire que le paiement que vous avez demandé ne soit pas fait jusqu'à ce qu'il soit capable de donner à ce sujet une étude plus complète.

Je demeure, monsieur,
Votre obéissant serviteur,
E. D. SUTHERLAND,
*Ass.-auditeur g*n*ral.*

A l'Ass.-sous-ministre des Finances.

Paiement au chemin de fer Canadien du Pacifique.

BUREAU DE L'AUDITEUR, le 31 octobre,1918.

MONSIEUR,—J'ai votre demande pour un paiement de $3,054.41 à la compagnie du chemin de fer Canadien Pacifique, comme montant déposé par le ministère de la Milice et de la Défense au crédit du compte spécial du chemin de fer Calgary et Edmonton.

Pour les mêmes raisons que j'ai données pour refuser d'accepter votre demande du 8 août dernier pour un paiement de $250,000 au chemin de fer Canadian Northern sur le compte spécial du chemin de fer Qu'Appelle Long Lake et Saskatchewan, je ne puis autoriser le paiement de celui-ci.

Mon opinion sur ce sujet a été donnée dans la lettre que je vous ai envoyée le 14 août dernier.

Je demeure, monsieur,
Votre obéissant serviteur,
E. D. DUTHERLAND,
Ass.-auditeur general.

Au sous-ministre des Finances.
